THE YELLOW JACKET

THOMAS JEFFERSON HIGH SCHOOL
PORT ARTHUR, TEXAS
VOLUME XXI 1967-68

REFLECTIONS '68

High school years are stages of youth and transition. The direction in which the individual grows greatly depends upon the schools he attends, and these schools, in turn, truly mirror the worth any community places upon the education its young people receive.

As the 1968 YELLOW JACKET staff looked about for a general theme upon which to build their story of the year, they considered the schools they have attended and the community in which they have grown up. They decided that they have received many advantages from going to school in Port Arthur, and many look forward to taking their places in local affairs; so a general school-community theme was chosen. For this reason, a number of pictures of well-known places in Port Arthur have been included upon the division pages.

The purpose of a yearbook is to capture in pictures and golden moments of a high school career. The anxiety of tryouts, the laughter and excitement of pep rallies, the thrills of a class prom, and even the anguish of hard study and sometimes disappointing grades are part of the story. It is not possible to picture every student in every situation, but a sincere attempt has been made to include pictures that will recall to mind both now and in future years the theme of this book, REFLECTIONS OF '68.

WE EXTEND OUR GRATITUDE

MISS EOLA GUNSTREAM
B.S. Baylor University
M.Ed. University of Houston

Miss Eola Gunstream has contributed generously to the excellent scholastic standing of the Port Arthur schools through 39 years of teaching and leadership. Miss Gunstream has served as chairman of the Commercial Department and has taught shorthand. She has been active in such class affairs as homeroom, cabinet, and congress. She was one of the organizers of Future Business Leaders of America.

All of her friends, both faculty and students, wish her well.

When Mrs. Dell Hille, co-ordinator of the Distributive Education program decided to retire, Thomas Jefferson lost one of its most distinctive members. During her 18 years as a member of the faculty, Mrs. Hille has seen approximately 1500 young people make a start in the business world. She has maintained high standards of performance.

Mrs. Hille has been active in the Distributive Education program throughout the area and the state. She has helped organize courses of study, spoken at numerous programs, and participated in many workshops.

Two special activities which she sponsored were the decoration of a large Christmas tree for the entire school and the sponsorship of the Boss' Banquet.

MRS. DELL HILLE
B.A. Mississippi Women's College

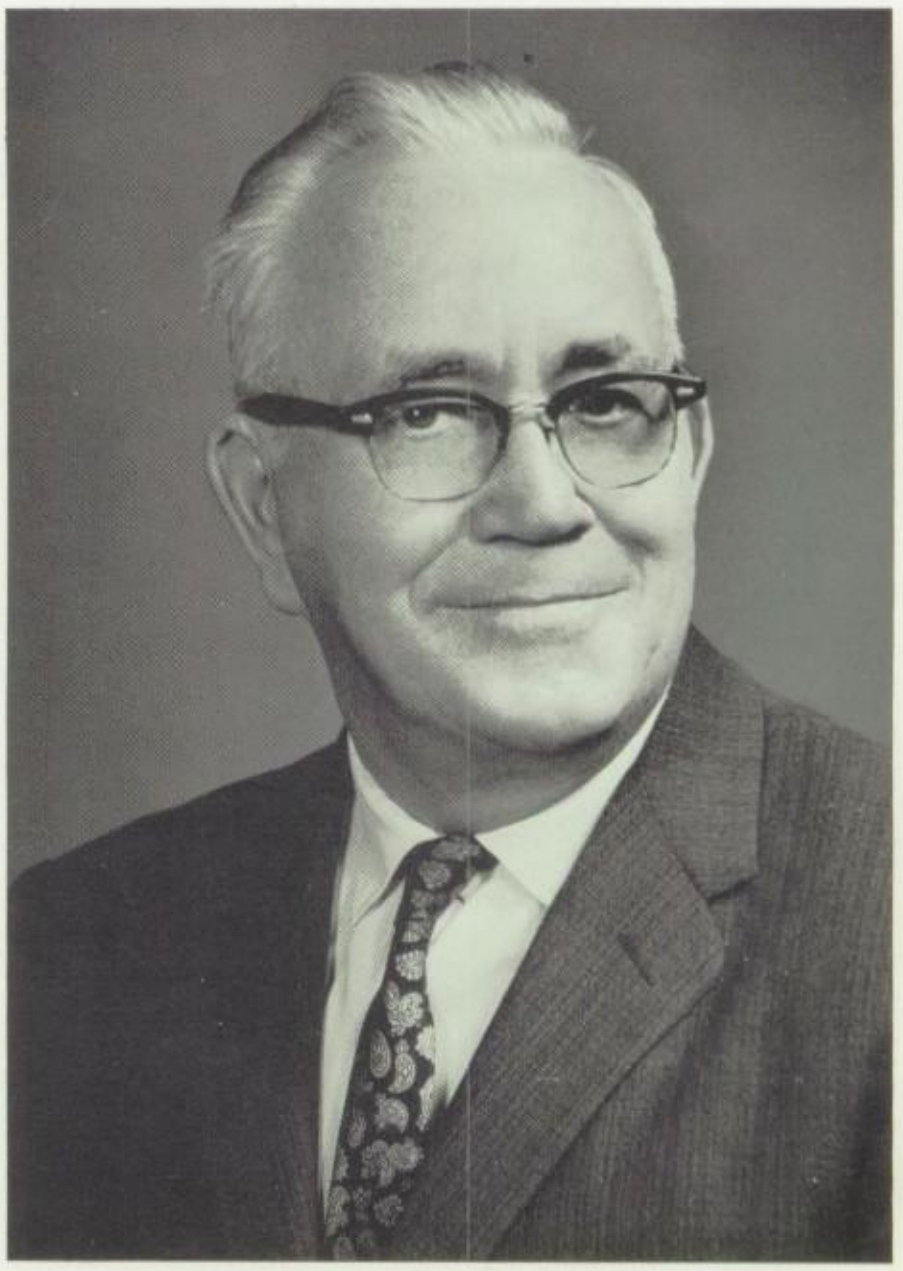
TO DEDICATED TEACHERS

"She's my idea of a real lady," commented one of Miss Margaret Miller's students upon learning of her plans to retire from teaching. That, perhaps, best expresses the general feeling for the soft-spoken English teacher, a veteran of 39 years of experience.

Miss Miller was a member of the Jefferson faculty for 22 years and taught English on all three levels. She also taught some classes in Latin. She has helped to guide academic development by working on three English curriculum guides.

Fond of her students and highly sympathetic with them, Miss Miller has been a professional teacher in the true sense of the word.

MISS MARGARET MILLER
B.A. Cumberland University
M.A. George Peabody College



MR. P. T. REYNOLDS
B.A. Sam Houston State College
M.A. Sam Houston State College

Mr. P. T. Reynolds closed the books on 37 years as a teacher of commercial subjects at Thomas Jefferson High School. His specialty was bookkeeping, and he plans to maintain a local bookkeeping and tax service office. Mr. Reynolds also taught typing and commercial law.

Although his subject matter was practical in nature, Mr. Reynolds' approach to teaching has been highly idealistic in nature.

A popular homeroom teacher, Mr. Reynolds' group could be counted on to give others a good race whether they were competing for "Best Poster" award or the honor of contributing the most items to a food basket for the needy.

ADMINISTRATION AND FACULTY

TJ'S FRONT OFFICE is a frequent stopover for many teachers and students.

MRS. MARCELLE PITMAN works hard to keep TJ's library in perfect order.

MRS. JACKSON leads the Jackets to victory.

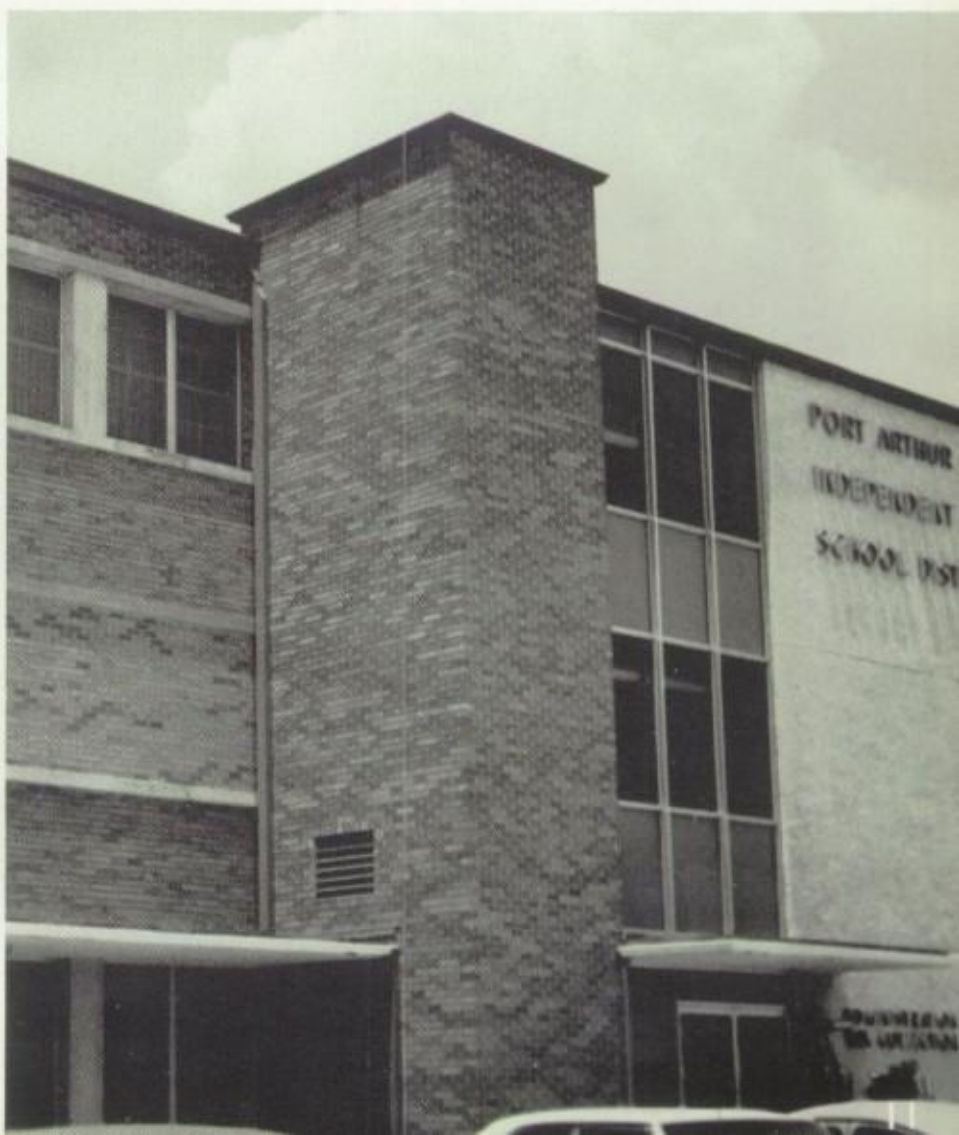
. . . REFLECTION OF WISDOM

MR. JOHN BADGETT is in perfect composure as he warms up the band before a performance.

Since the student reflects so accurately the sum total of all the things he has learned, it is important that the faculty and the administration should be well informed as to subject matter and skilled in the techniques of imparting information to others. Thomas Jefferson has a total of 104 teachers and professional personnel forming one of the strongest faculties in the area.

All teachers have academic degrees, approximately 50 per cent have Master's degrees, and several are working in doctoral programs in various universities. All teachers are certified under the rather rigid standards of certification by the State of Texas. Many have earned special certificates in counseling and supervision. Several teachers have been recognized state-wide and nation-wide through special scholarships and summer study. Teachers keep up with changing trends through a continuing program of in-service study.

MR. ROGER RUSSELL, counselor, was always available to offer help and information to any and every student.



QUALIFIED ADMINISTRATORS

Here we grow again! Facilities at Thomas Jefferson High School and at other locations in the Port Arthur Independent School District will be expanded as a result of an election held February 17 when voters approved the sale of bonds to pay for needed improvements. Significant for students at TJ will be the addition of a new gym and new tennis courts, along with improvements to the stadium. Students will also be able to use a new baseball diamond to be constructed for the use of all schools.

Passage of the bond issue was a vote of confidence on the part of voters in Superintendent Clyde M. Gott, who began his first full term in that office this year.

Dr. Gott is assisted in his work by a large staff, but four of them are directly concerned with this school. Mr. Alexander Koerth is assistant superintendent of administration. Dr. George Thompson is assistant superintendent in charge of instruction. Mr. Lonnie Devall, former principal, is director of secondary education. Mr. Howland Reich is director of health and athletics.

PROVIDE WELCOME LEADERSHIP

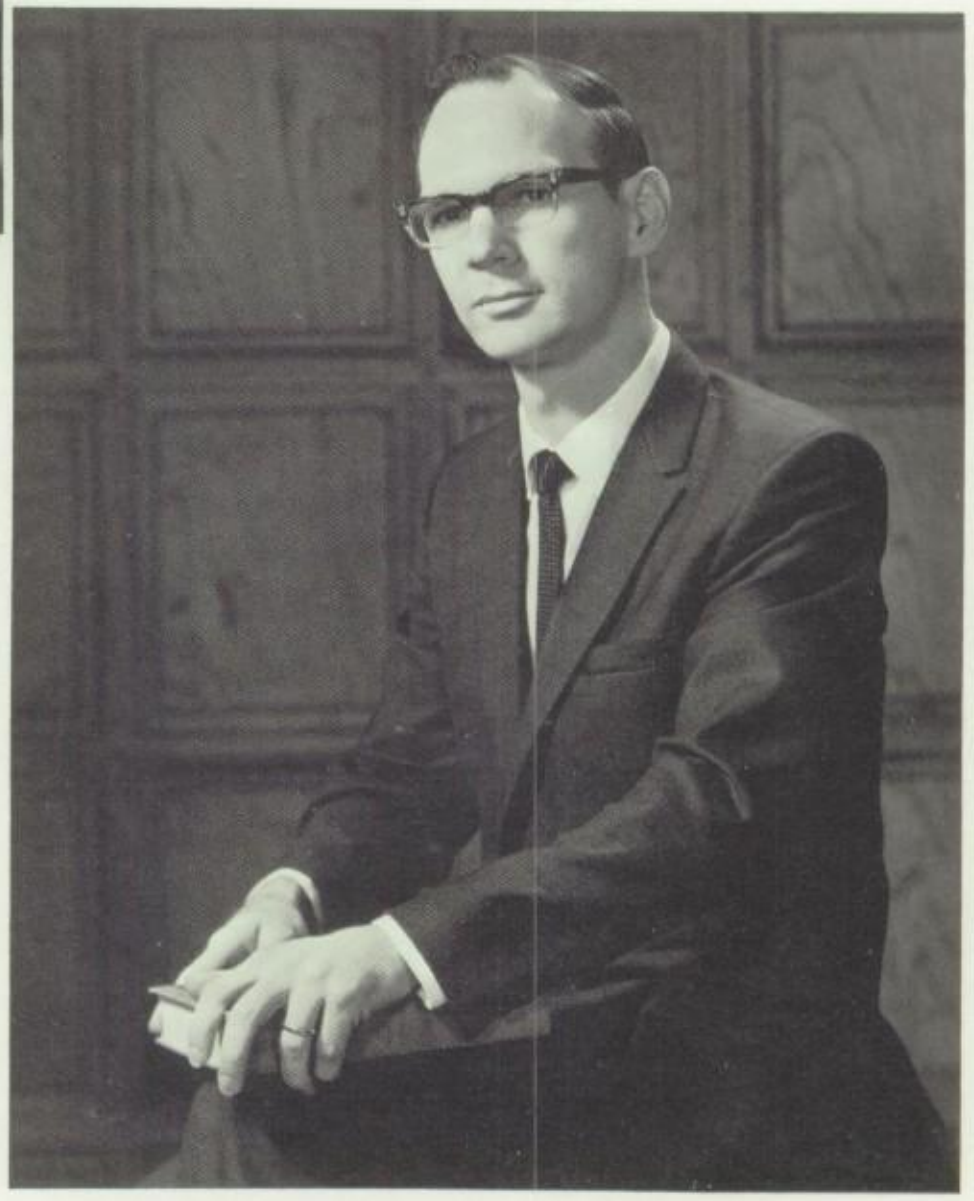
A capable leader who understands youth's numerous problems, Principal Charles McBee has completed his first year as chief executive at Thomas Jefferson High School.

Mr. McBee has had classroom experience as a teacher of physics. Later, he completed work as Science Department Director at Woodrow Wilson Junior High. He was also assistant principal of Edison Junior High. He came to TJ as assistant principal in 1966-1967.

Many schools have been disrupted by quarrels and violence the world over. It is to Mr. McBee's credit that TJ came through the year without the disruption that has marked many a campus.

The year has been filled with concern, understanding, and achievement.

Mr. Charles McBee; B.S., M.S., North Texas University



Mr. Ronald McKenzie came to work at the beginning of the 1967-68 year in the role of vice-principal. His duties range from taking disciplinary action to chaperoning a dance or crowning a queen. He has worked with Student Congress and has served as sponsor of the Fall Recreation Committee.

ENGLISH DEPARTMENT PROVIDES

MISS DORIS CRISP
Chairman of the English Department
M.A. and B.A. Texas Woman's University.

Revenge, ambition, and treason created interest in all English classes. These effects were caused by Shakespeare's three famous tragedies *Hamlet, Macbeth* and *Julius Caesar.* Although these classics are required reading, they represent only one phase of the busy English Department. Students are taught ample amounts of literature and grammar blended together to provide a well-balanced program of studies.

Teachers strive to provide pupils with controversial ideas and let the students develop their own opinions and theories.

Students are also given the opportunity to express their writing ability by contributing original work to *Ebbtide,* participating in speech and drama, and serving on the staffs of *The Pilot* and *The Yellow Jacket.*

MRS. MARGARET BARRY—English II and III; B.S. University of Texas; Junior Cabinet, JRC.

MRS. DORIS A. CALDER—English II and III; B.A. University of Maine; National Honor Society, Senior Cabinet.

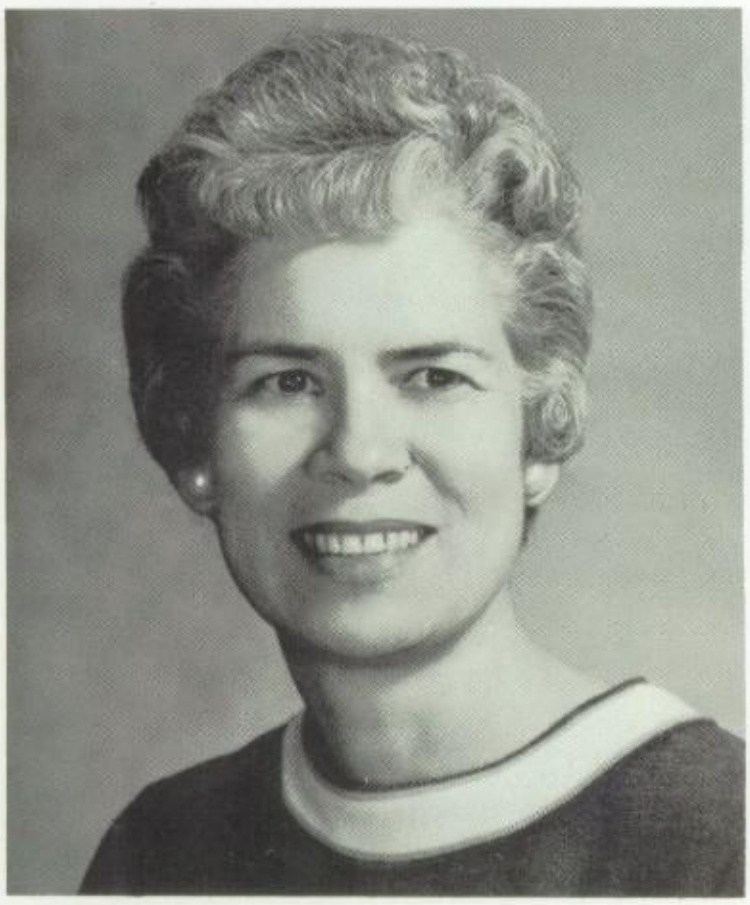
MATHEMATICS AIDS STUDENTS



MISS LAVERN MCMILLAN
Chairman of the Mathematics Department
B.A. and M.Ed. University of Texas

No matter what profession a student may enter after graduation, he is sure to be confronted with the use of mathematics. Many students are attracted by informative courses in math. Pupils preparing for college struggle through algebra and plane geometry. Others, aiming for careers in the field of computation, tackle the elective subjects of Algebra II, Trigonometry, and Solid Geometry. If the business world beckons, classes in Consumers Math are available.

The interest shown in all these courses is a clear indication that students realize the importance of mathematics in the modern world.

MRS. MYRTLE ARNETT—Algebra I and Geometry; B.S. Lamar Tech; Slide Rule, number Sense.

MR. PHILIP DODD—Geometry, Consumer Math; B.A. University of Texas; Athletics.

SOCIAL STUDIES AFFORDS

MR. TERRELL STANSELL
Chairman of Social Studies Department
B.A. North Texas State
M.A. Columbia University

As students progress into the study of history of all kinds, they come to realize the importance of that subject. They are made to see how we today can profit from the mistakes of yesterday.

The Social Studies Department at Thomas Jefferson includes World History, American History, Government, Economics, and Advanced Government. Two units in social studies, including one-half a unit in government are required. As the year ends, students can discuss current history and tie it in with past happenings.

MISS ALIECE ANDERSON—Economics; B.A. University of Texas, M.A. Colorado State College.

MRS. JO ANN CARVER—Economics; B.S. University of Houston; Heralds, Future Teachers.

MRS. NANCY HAMILTON—Government; A.B., B.S., M.A. Texas Woman's University.

FOREIGN LANGUAGE UNITS

MRS. GERALDINE JOHNSON
Chairman of Foreign Language Department
B.A. East Texas State
M.A. University of Houston

The Foreign Language Department is familiar to students who plan to go to college, since most places of higher learning require two years of study in another language among entrance conditions.

Two years of Spanish, two years of German, three years of Latin and three years of French may be studied here.

Each course sponsors a corresponding club activity where much of the additional interest needed to keep courses alive and growing is generated. Guest speakers, evening programs, and modern teaching methods add to the interests of the groups.

The Food Fair was an outstanding success during the early spring months. Wes Spiegel's election to a state office in JCL also heightened interest.

MRS. ELLEN GOLDEN—French I, II, III; M.A. University of Alabama; French Club.

MR. RICHARD HATCH—Latin I; B.A. St. Mary's College; JCL, Chess Club, Sophomore Cabinet.

MR. PAUL SCHULZ-BEHREND—German; B.A. University of Texas; German Club, Folk Singers Club.

THE SHELVES OF KNOWLEDGE

MRS. MARCELLE PITMAN
Head Librarian
B.A. Sam Houston State
B.S. Texas Woman's University

Anyone who has written a term paper or given a report of any kind has found the library to be of great value in researching the available information. From the various fields of study in high school, a student is expected to find his information through "outside reading." With this in mind, the student seeks out an avalanche of books, magazines, and newspapers. The library has all of these things at hand and in perfect order.

KAREN FINN, STUDENT helper, performs one of her many duties by renewing an overdue library book.

MISS HILDA J. BRAZZEL—Librarian; B.A. Louisiana Polytechnic Institute; Cheerleaders, Profectors Club, FTA.

PREPARATION FOR THE FUTURE

With an eye to the times and the profits available in the business world, the Commercial Department offers courses to prepare their students to take jobs soon after they graduate. Emphasis is placed upon the basis of a good education in English, science, and mathematics.

Courses in bookkeeping, typing, shorthand, general business, business communications, and law provide an adequate background for future use. Distributive Education is a vocational course, but it is also a part of the business education picture.

A number of changes took place this year in the teaching personnel. Miss Eola Gunstream, long head of the department, retired at mid-year, and Mrs. Mable Swanzy became acting chairman.

AIDS FOR FUTURE FAMILY LIFE

MRS. JANE DAVIDSON
Chairman of the Homemaking Department
M.A. Sam Houston State College
B.S. Texas Woman's University

Homemaking in this day and age requires a neat balance with homemakers often in career jobs outside the home or taking part in a wide variety of civic and social affairs. Homemakers need to be excellent budgeteers, skilled decorators, and marvelous cooks, to name only a few of their accomplishments. Classes in all areas of homemaking, cooking, sewing, child care, decorating are conducted in a businesslike but informal atmosphere. Here, it is possible to eat or wear a successful lesson!

MRS. MADELENE GAUTREAUX—Dietitian; B.A. Texas Woman's University; JRC.

MISS MARILYN RIVERS—Home Nursing and Home and Family Living; B.S. North Texas State University; FHA, Young Homemakers.

INDUSTRIAL ARTS AIDS VOCATIONS

MR. WILLIE G. JONES
Chairman of the Industrial Arts Department
B.S. Sam Houston State College
Print Shop Director and teacher; *THE PILOT*

Industrial Arts courses taught at Jefferson include Printing I and II, Metal Shop I and II, Wood Shop I and II, General Drafting and Architectural Drafting. All of these courses draw capacity classes every hour in the day. Interest in these subjects, along with many others, is expected to step up sharply as the new Vocational High School is built.

Print shop classes enjoyed the luxury of an air-conditioned shop during the past year, a rarity in this school built to be cooled by cross ventilation and natural Gulf Coast breezes. However, student projects in other classes were turned out in great volume and with excellence.

MR. MARVIN CICHOWSKI—Drafting; B.A. University of Texas; Congress.

MR. LELAND O. KAY—Woodshop; B.S. and M.S. North Texas State University; Athletics.

MR. CORDELL G. LOUVIER—Printing; B.S. University of Southwestern Louisiana; THE PILOT.

MR. HUGH SHAW—Metal Shop I and II; B.S. North Texas State University.

FINE ARTS ENCOURAGES CREATIVITY

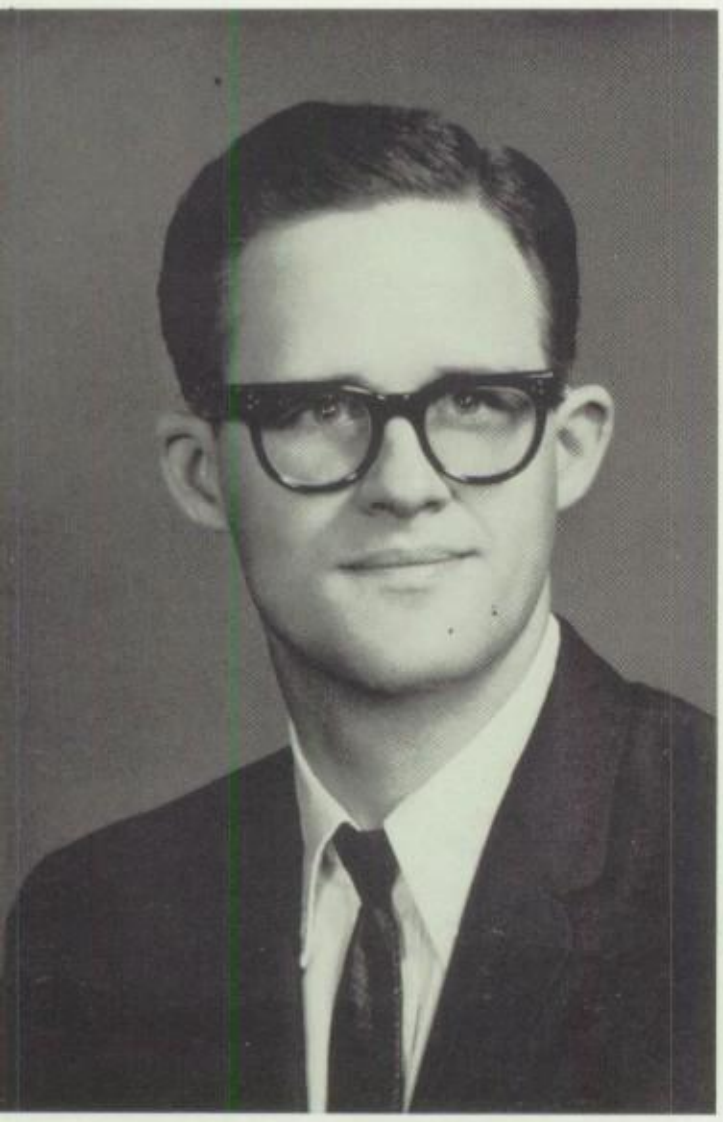
MR. JOHN L. BADGETT
Band Instructor;
B.S. Lamar Tech

Cultural pursuits are sometimes overlooked in a time when mathematics and science are kings of the curriculum, but ample opportunity is provided at TJ for growth in the fields of art and music.

Art students express their creative arts in many media. Some make posters, others may paint in oils or water color or in any other materials they choose. Some try their hands at sculpture and mosaics.

The Maroon and Gold Band with a marching strength of 136 and a concert band of 110, makes this a livelier place and gives many young musicians satisfaction. Members won 82 awards at solo and ensemble contests.

When approximately 320 choral music students are massed on stage at a Christmas concert, there is no doubt that music has a place here.



MR. LOYD HAWTHORNE—Girls' Glee Club, Mixed Chorus, A Cappella Choir, Girls' Chorus; Master of Music Baylor University; B.A. Lamar Tech.

MR. JOHN J. MEEK—Art I, II, III; B.S. Arizona State College; Art Club.

PHYSICAL EDUCATION CLASSES

MISS BERTHA HEBERT
Chairman of Girls' Physical Education
B.S. Lamar State College

Activities in the girls' physical education classes range from health, adapted classes to more vigorous competitive sports. Some classes play touch football during the fall semester, but basketball and volleyball are the biggest favorites in the entire course. Archery, golf, modern dancing, tennis, and other sports have their share of participants.

Four years of physical education are required of all students. Physical fitness tests are administered twice yearly. Both theory and practice of games are taught and tested. Health is a part of every year's work.

STRIVE TO BUILD CHARACTER

MR. FRANCIS HILL
Head Coach
Director of Boys' Physical Education
B.S. and M.S. Stephen F. Austin

"It's a bird! A plane. Aw! it's a volleyball, a football, or maybe a baseball." The boy's physical education program differs from most other courses in that it has no categorized schedule. Classes rotate during the year among football, baseball, track, and group games. The physical fitness program is administered twice yearly, and health is also a part of every year's activities.

All types of gym courses help develop sportsmanship, working together in groups, and muscular co-ordination. Striving to maintain better group relationship and developing more sportsmanlike attitudes can be denoted as the main objectives of the program.

MR. DAVID K. BARLAND—Physical Education; B.S. Lamar Tech; M.S. Stephen F. Austin.

OF KNOWLEDGE

IOLOGY CLASSES PROVED to be a favorite course at TJ with their xperiments and discussions.

TESTS ARE FAMILIAR ordeals at TJ.

The curriculum of Thomas Jefferson High School is planned after much consideration and detailed study, since the Port Arthur Independent School District strives to give the students the best education possible. Therefore, the curriculum contains a full three-year program of studies and each course is accredited by the Texas Education Agency.

In addition to college preparatory and general courses, the program of studies includes a wide range of pre-vocational and commercial courses for students interested in these fields.

Each student at TJ has to earn a required number of credits in order to graduate. Thus upon entering high school, one should consider his post-graduate plans in choosing his high school courses. Counselors are always available to assist the student in his decision. The following credits are required for high school graduation: two credits in physical education, three credits in English, three credits in social studies, two credits in mathematics, and two credits in laboratory science.

SPEIGEL ELECTED JCL

REVIEWING A MAP of the Roman Empire are Mr. Richard Hatch and Mrs. Geraldine Johnson, sponsors of JCL.

Wesley Speigel's election as state vice-president of the Junior Classical League was significant of an eventful year. With a record enrollment of 156 members, the local JCL chapter initiated a new series of evening program meetings.

Approximately thirty JCL members attended the Austin convention where Speigel was elected. Other winners at the convention included Carol Batty and Sherry King, competitors in Latin events.

PROJECTOR CLUB RUNS VISUAL AIDS

Seeing that films run smoothly, showing films to classes, and keeping movie equipment in order is the business of the Projectors Club. The members in the club operate film projectors during their study hall periods, a great aid for teachers in a hurry. Sponsors Mrs. Marcelle Pitman and Miss Hilda Brazzel keep the film schedule in order and let the boys know where their services are needed. The experienced work of these boys is widely used and greatly appreciated by teachers in each of the scholastic departments at TJ.

SPONSORS Mrs. Pitman and Miss Brazzel look over the weekly supply of films.

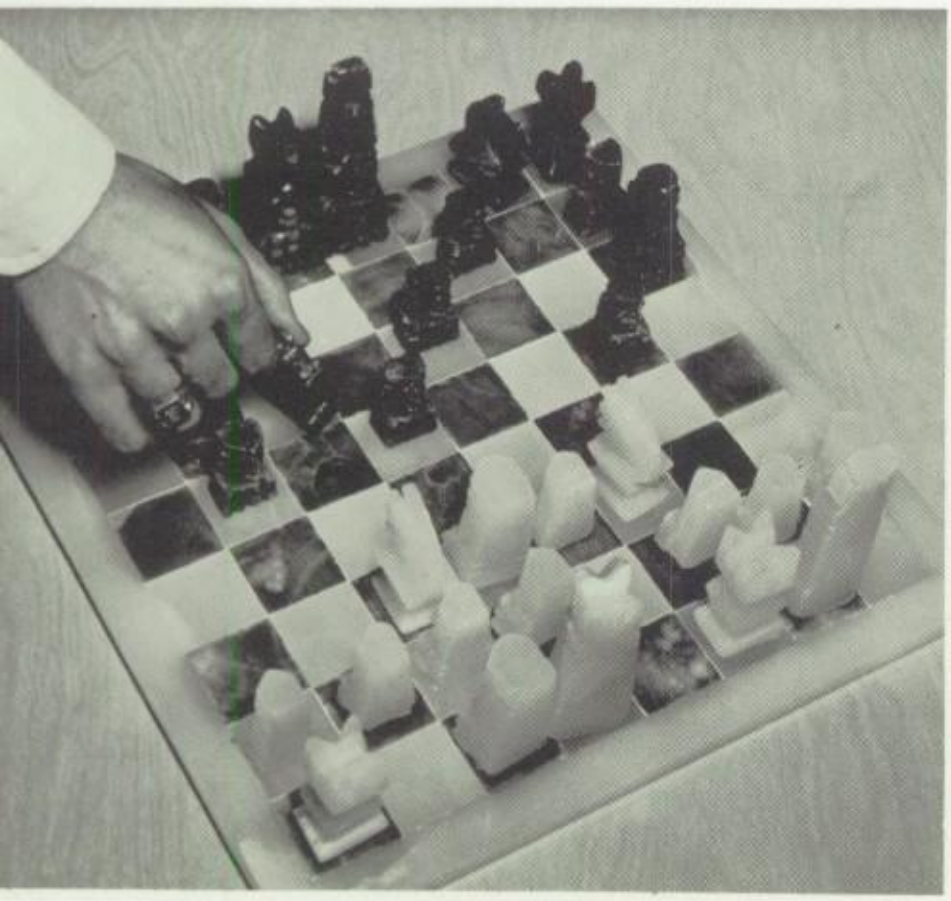
IT'S YOUR MOVE

MEMBERS OF THE Chess Club are: SEATED: James Siragusa, Glen Manuel, and Narrie Travis. STANDING: Vergil Guillory, Mannie Steglich, Mike Vela, and Fred Romero. Sponsor of the club is Mr. Hatch.



The game of kings and queens has been played for centuries. Since chess is a game requiring concentration and deliberation, the local club found that the two hours allotted on alternate Tuesdays was not enough and scheduled many meetings off-campus with members of the Port Arthur Chess Club.

Again, because of the time required, membership was somewhat limited. Elected officers included Vergil Guillory, president; Mannici Sleglick, vice-president; Fred Romero, secretary; Mike Vela, treasurer.

THE SLIDE RULE – USEFUL TOOL

PRACTICE MAKES PERFECT, as the members of the slide rule club well know. They are: FIRST ROW: Pat Weldon, Be Kiker, George Sanders, Kerry Courville, and Brad Vice. NEW MATH AN OLD PROBLEM

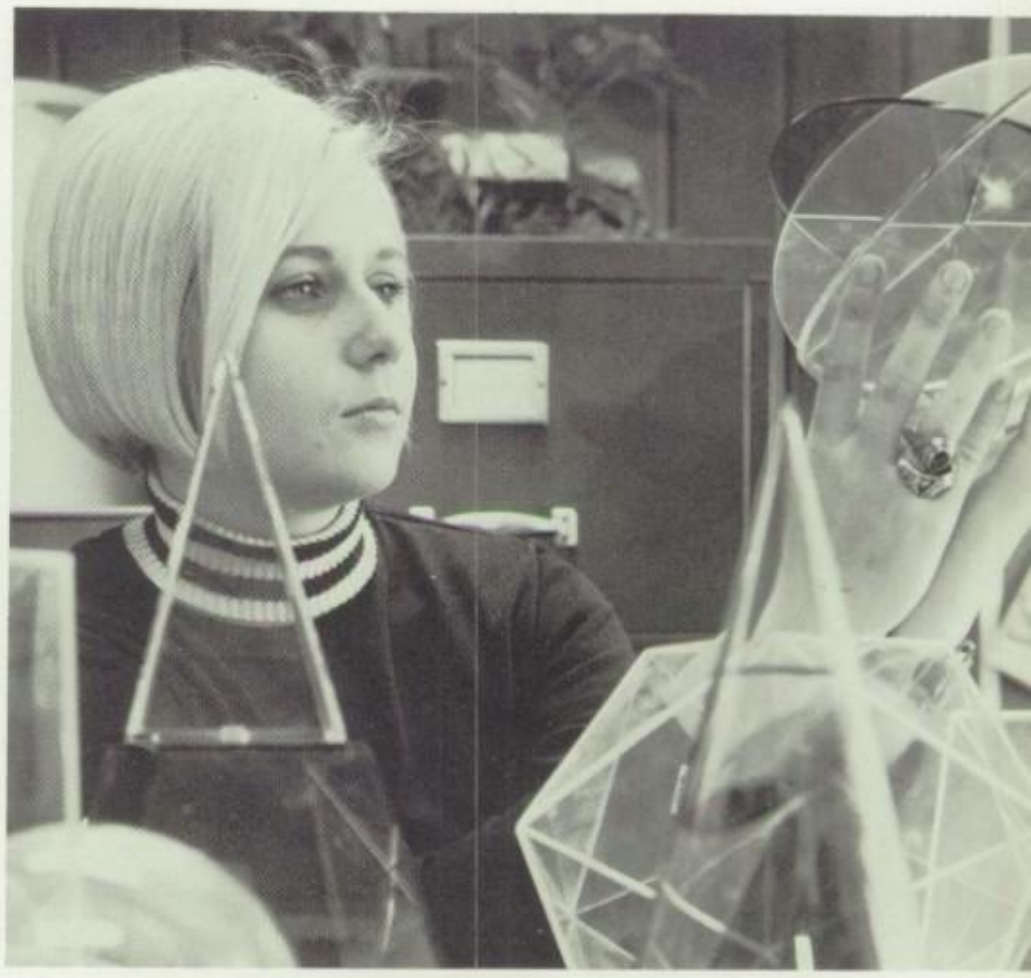
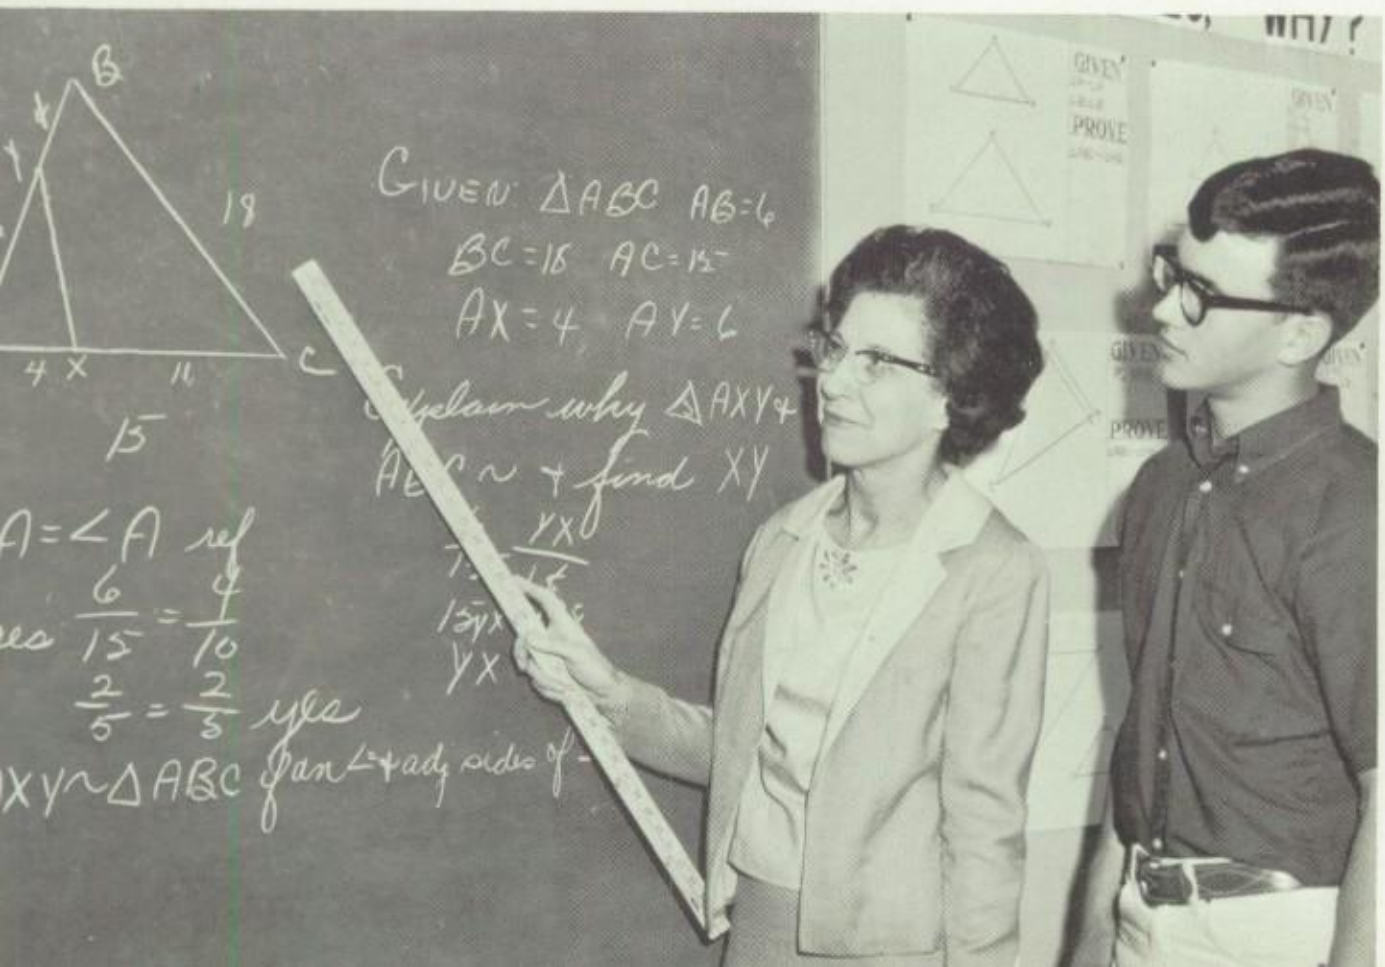
PROBABILITY CLASSES FIND tossing dice and flipping coins much more entertaining than computing, as other math classes do. The apparent "fun and games" approach is just one more way of learning an advanced subject.



SANDY ELLIS FINDS herself in a confusing maze of plastic geometric figures used by the math department.



MRS. GREGORY TRIES to explain to Mitch Wood, sophomore, that geometry really isn't as hard as it seems.

ART CLUB GIVES TROPHY

SPONSOR JOHN MEEK shows a sample of silk screening to co-sponsor Mrs. Martha Fazio.

Attractive greetings at Christmas wer hand-screened by members of the Art Clu and sent to faculty members and others. Th Art Club made a trip in the spring to see th Scholastic Art exhibit at Foley's in Houston Several members had work exhibited i local art shows, and the facilities of the ar room were available before and after schoo for students who wanted to do some extr work on their own.

ART CLUB OFFICERS took the lead in fostering interest in various art media. They selected this spot to have their picture made for the annual. Looking toward the camera are Mike Phillips, treasurer; Barbara Ellis, secretary; Peggy Edwards, vice-president; Michael Koone, president.

POLITICAL SCIENCE CLUB

The purpose of the Political Science-History Club is to improve politics and activities within the student body organization. This is done by studying national and international political affairs and historical movements.

The Political Science-History Club held a "get acquainted" party in the fall to recruit new members. Planned for the spring semester were a field trip and a club banquet.

At meetings members often discuss controversial political theories. Speakers are often invited to give talks related to these theories. Also discussed are activities of the Student Body Congress and improvements that should be made in this area.

OFFICERS FOR THE 1967-68 year are KNEELING: Bruce Griffiths, sergeant-at-arms; STANDING: Susan Ketcherside, president; Bruce Meyer, vice-president; Becky Harrison, secretary.

MEMBERS OF THE club are FIRST ROW: C. Rowland, G. Toups, J. Pryor, P. Herlin, R. Kidder, and V. Guillory. SECOND ROW: M. Hatch, C. Kuhn, S. Hardcastle, C. Freeman, S. Lindsay, N. Albert, L. IMPROVES STUDENT GOVERNMENT

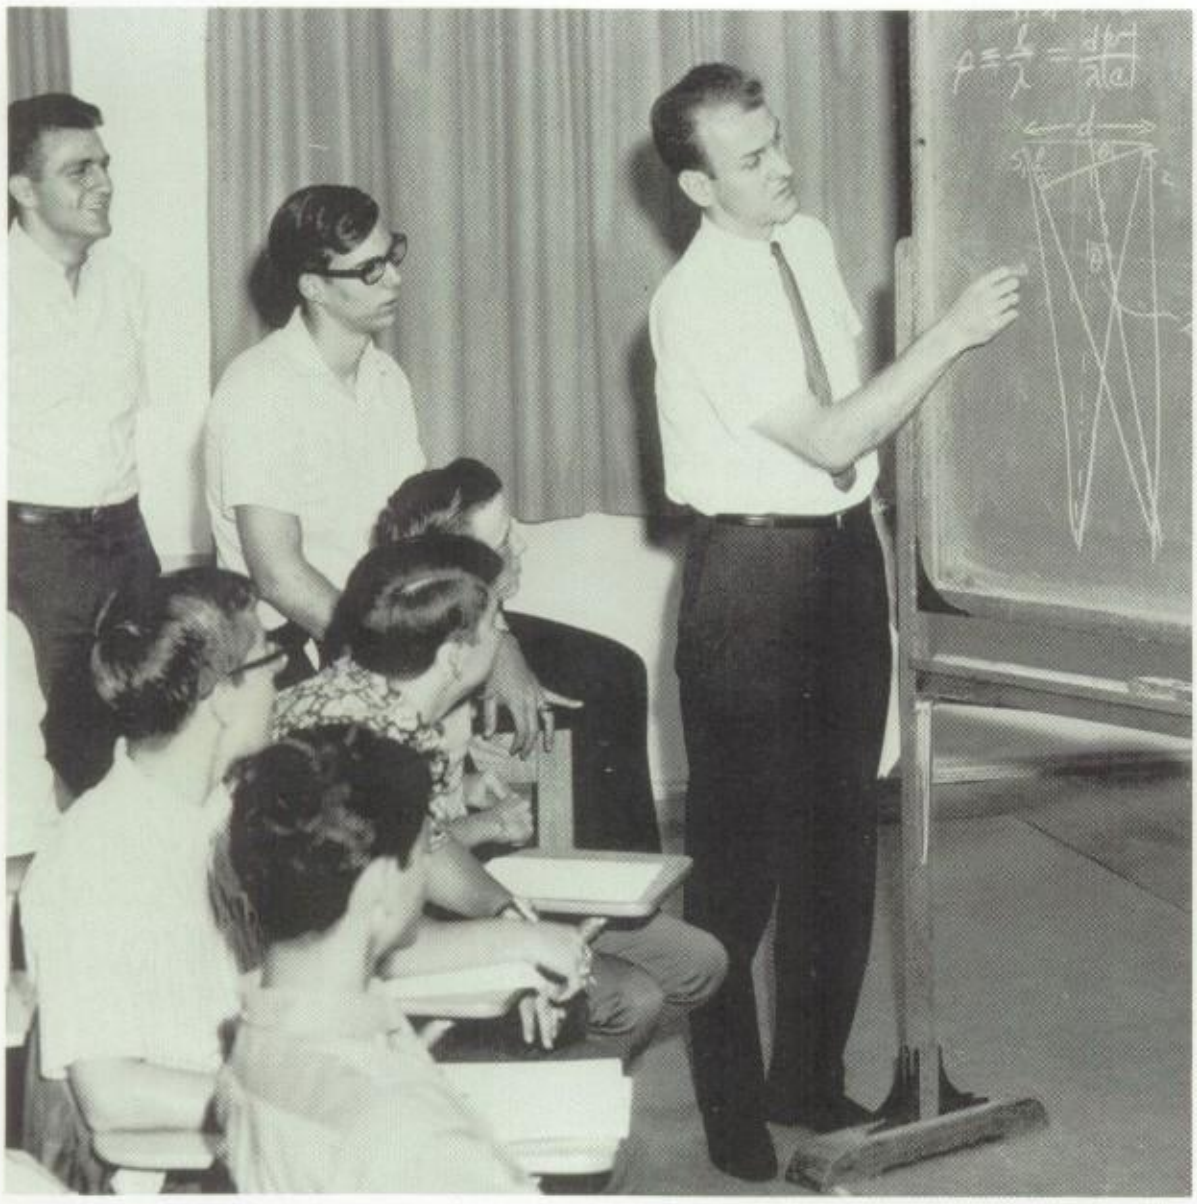
A MEMBERSHIP DRIVE in the form of a "get acquainted" party sponsored by the Political Science-History Club resulted as a great success furnishing an hour of pleasure for many of TJ's students and many new members of the club.

SPONSORING THE POLITICAL Science-History Club are: LEFT TO RIGHT: Mr. Lionel Rowland, Mr. Joe Price, and Mrs. Nancy Hamilton.

EXTRA STUDY FOR ADVANCED SCIENTISTS



MR. BILLY TOLAR, physics teacher, met with interested students before school.

Advanced Science Club members were interested in many projects of personal interest. Club meetings aided them in exchanging information of interest to one another. Meetings as such were scheduled once monthly, but the real sessions often took place in informal meetings in various science rooms both before school and after hours when students and teachers could ask and answer questions.

OFFICERS OF THE ADVANCED SCIENCE Club included Glenn Manuel, Joyce Manuel, and Bill Guarniere.

WINDOW" REP'S FALL PRODUCTIONS

Repertoire Players are a many-talented people. Activities include planning, acting, costuming, lighting, directing and all technical work involved in producing a play.

In existence since 1932, the Repertoire Players, once known as simply the Drama Club, has a reputation for outstanding performances. This year was no exception. The annual fall production, directed by Mrs. Jean Crain, gathered a large crowd of students and adults who cheered cast members of *The Lottery* and *The Open Window* for an excellent presentation. For the UIL contest Rep members chose to do *The Tell Tale Heart.* Much preparation went into turning out an outstanding performance.

Along with the preparation of plays, members work toward gaining a total of 200 points to earn their letter. To earn these points a student must participate in some aspect of play production. A the close of the play he will receive an account of the number of points he has earned. At the close of the year the letters are presented.

MEMBERS OF FOLK SINGERS CLUB

Plaintive music, typically "folk" and especially '68 in spirit, often floated through empty halls during late afternoons. One of the newest clubs in school, Folksinger's, was in progress.

A smash hit from the standpoint of attendance, the club was sponsored by Mr. Paul Schulz-Behrend and Miss Muriel Stubbs. Meetings sometimes consisted of singing old-fashioned ballads and other types of folk songs. Members also learn instruments. One of the most important projects sponsored by the Folksinger's Club was the Hootenanny. All members qualifying at the auditions performed in the Hootenanny.

VARIOUS ACTIVITIES

The girls' sextet was a very popular inging group in the Port Arthur area. They accepted many invitations to perform for civic clubs and organizations, as well as adding their talent to programs presented at Thomas Jefferson. Members are LEFT TO RIGHT: Leah Conner, Carole Oubre, Susan Grimes, Charlotte Johnson, Clay Simon, and Kaye Burks. SEATED is Shery Donaldson, accompanist.

MEMBERS OF THE sextet are chosen from the A Cappella Choir on the basis of their singing ability.

THE GIRLS' CHORUS added an especially bright note to programs presented by the Choral Department at Thomas Jefferson. Membership consisted of about 70 girls from all three classes. The choir was divided into two classes for rehearsal during school. Joint rehearsals were held after school.

OUTSTANDING LEADERSHIP

THE MAROON AND GOLD CONCERT BAND

The annual band concert was held on Friday, March 22, in the auditorium. A variety of musical arrangements was played for the entertainment of the audience. The members of the band, with the leadership of Mr. John Badgett, were successful in their competition in solo and ensemble contest by winning 82 medals.

Thus, determination, talent, and pride remain the main ingredients of our Maroon and Gold Band.

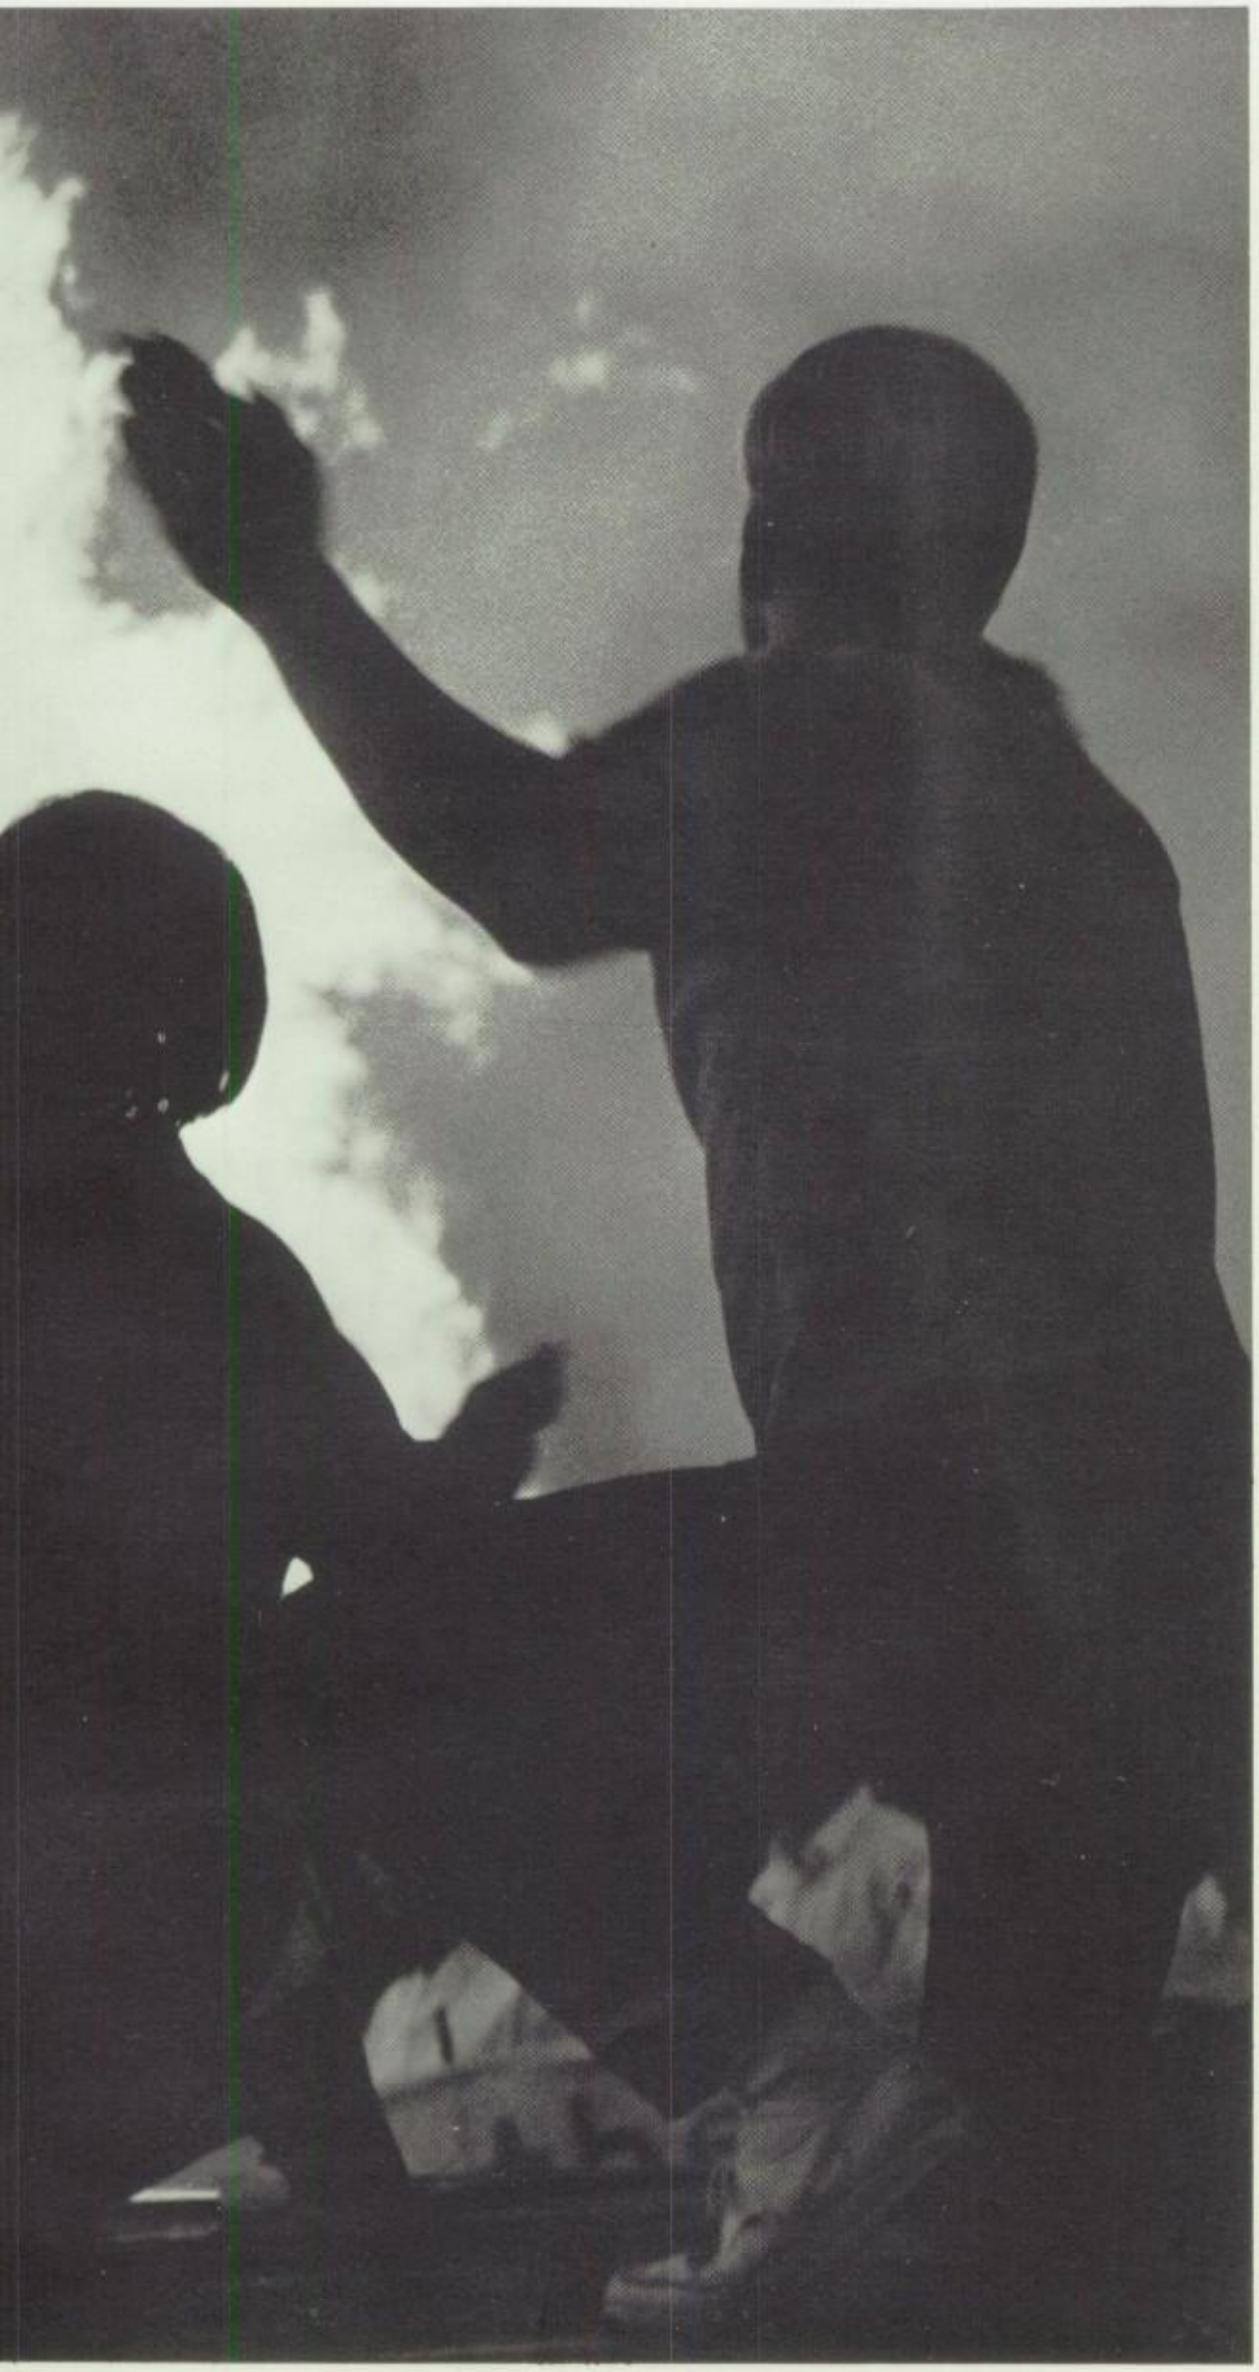
ACTIVITIES . . . MEMORIES OF

DANCES, RALLIES, AND CONCERTS



Activities are a major function of any high school, and Thomas Jefferson is no exception. Hoping to promote high ideals of honesty, sportsmanship, co-operation, and courtesy a broad and varied extra-curricular program is offered to all TJ students. This program ranges from sports to the National Honor Society, each of which has its own purpose of establishment and promotion.

The Student Body Congress, a representative organization of Thomas Jefferson students, is the leader for planning school-wide activities. Meeting during one class period each Monday, the Congress representatives from each homeroom plan the week's activities. Two annual Congress-sponsored activities are the bonfire held during Homecoming Week and Twirp Week, held during the second semester.

School spirit is very essential to insure a successful extra-curricular program. But exactly what is school spirit? It is more than yelling loudly at pep rallies, and attending contests. It is the lump that comes to one's throat when he hears the school song, the thrill he feels when the Jackets score points, the deep satisfaction he feels toward his faculty and administration, and the sense of well-being that comes from doing well on a particularly hard test. When one shares in Thomas Jefferson victories and disappointments and feels he is really a part of the school, then he is truly a "Yellow Jacket" of T.J.

HERALDS SPONSOR PROJECTS

Heralds, the organization that sponsors projects of service to Thomas Jefferson, each year selects two students from each junior homeroom and three from each senior homeroom as its members.

Among the projects were the celebration of Homecoming, highlighted by a circus theme, in conjunction with the after-dance.

The annual Christmas party at the West Side Day Nursery was enlivened by the arrival of jolly ole Saint Nick in the person of Joe Breaux, a member of the Junior Class.

Activities were culminated with a tea honoring the teacher staff during Teacher Appreciation Week in April.

HERALDS WORKING ON Homecoming decorations include Molly Atkinso Betty Reeburgh, Susan Byrd, Carol Babin.

HERALDS PLAN AN "UNDER

Ideas and hopes took form as the annual Homecoming Week events started. Among the many activities in which the students took part were the selection of Carol Oubre as Homecoming Queen for '67-'68, a bonfire, an "Under the Big Top" after-game dance sponsored by the Heralds, and a tea honoring the graduation class of 1958. Also there was a powderpuff football game, a poster contest, and a pep rally at which Mayor Lloyd Hayes declared October 29, 1967 as "Beat the Bulldogs Day."

However, the excited and spirited hearts of the Jacket fans sank when Nederland won the football game with a score of 39 to 35.

HOMECOMING QUEEN FOR '67-'68 is Carol Oubre, center. Runners-up are Cla Simon and Carol Olivier.

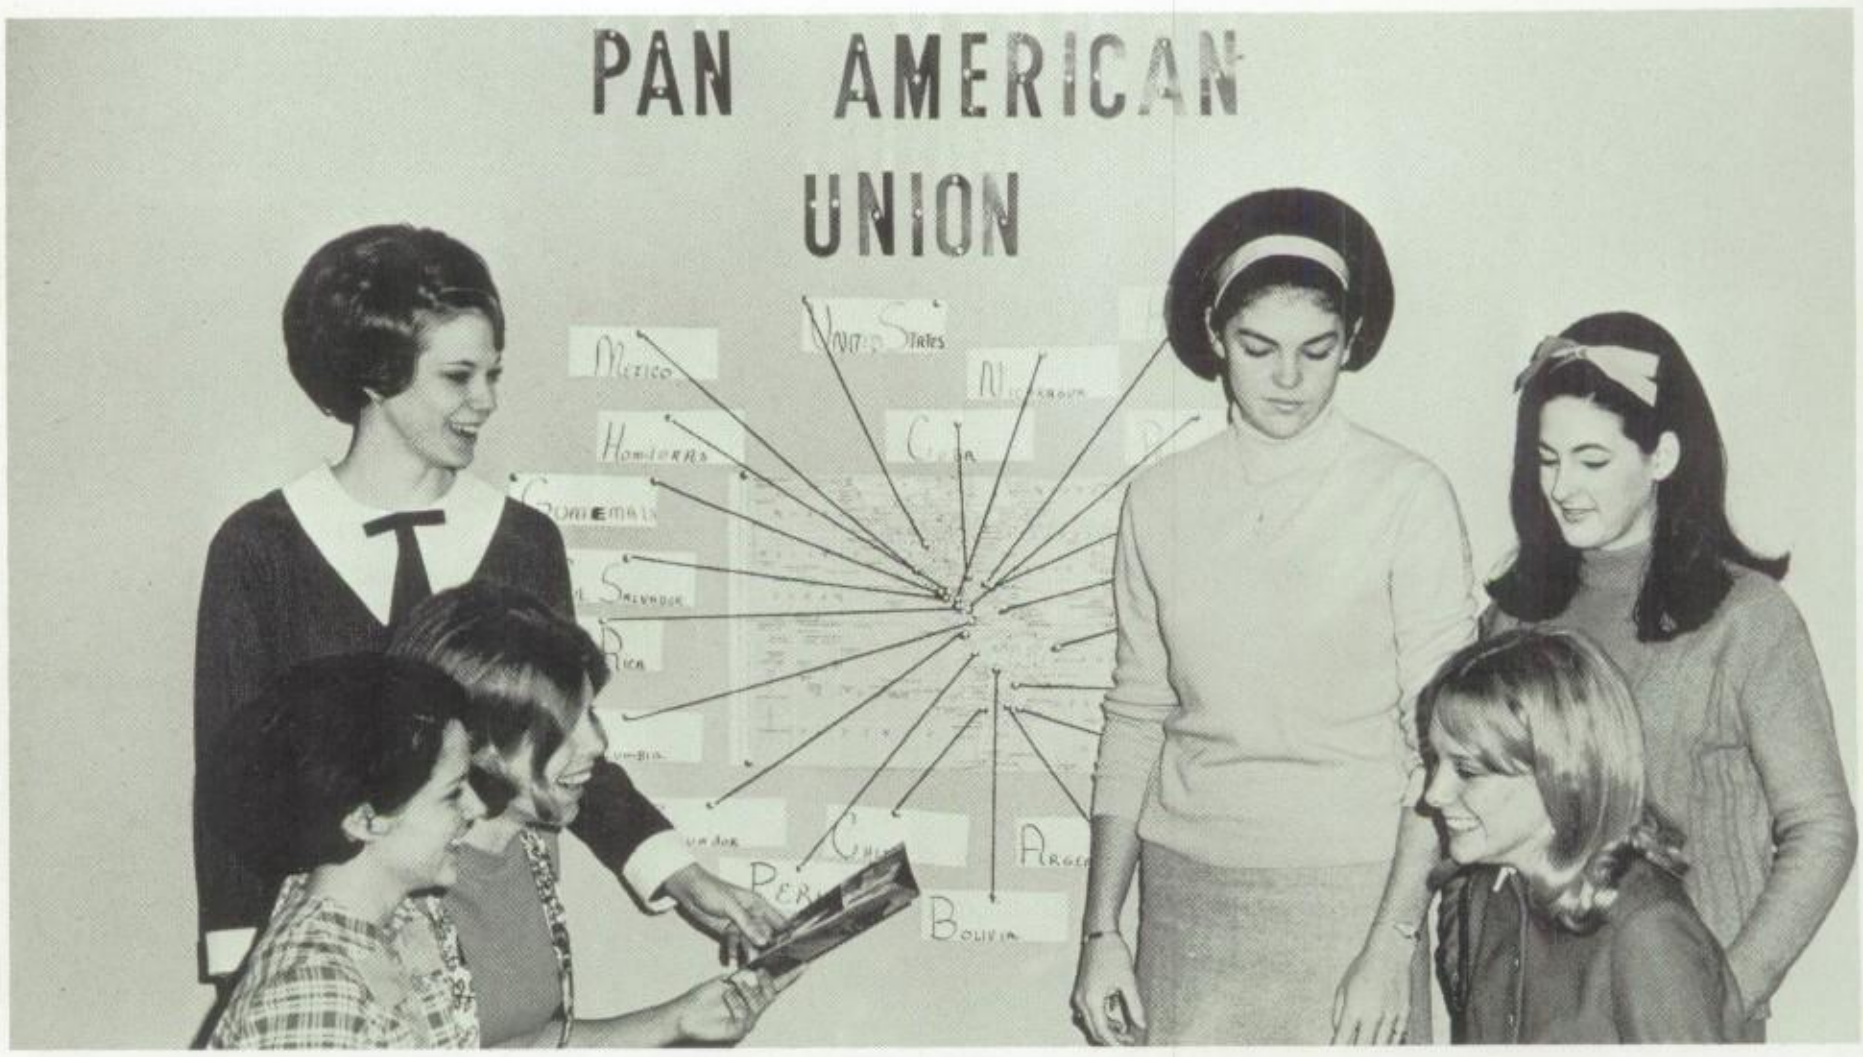
UNIVERSAL FRIENDSHIPS

Students at Thomas Jefferson demonstrate their interest in countries other than America through the American Field Service. This enthusiasm is shown by the large membership, the AFS being one of the largest clubs at Thomas Jefferson.

One of the purposes of the AFS is to raise money so a student from a foreign country may come here. The Thomas Jefferson AFS and the Adult Club work together to earn the needed money for an exchange student for the next year. The means of obtaining this money is by the collection of dues from each member and the sale of membership cards. This year the AFS earned money by participating in a coin show sponsored by the Port Arthur Coin Club.

AFS SPONSORS Mrs. Jewel McEwan and Miss Eleanor Wall welcome Jacqueline Debaisieaux, the foreign exchange student from Belgium who is living in Houston. She came here for a 3-day visit.



OFFICERS OF AFS discuss plans for future meetings. The officers include: Sarah Flynn, corresponding secretary; Diane Kube and Sara Little, recording secretaries; Betty Bernauer, vice-president; Nancy Ippolito, treasurer; and Lynn Eldridge, president.

CHOSEN OFFICERS LEAD

GOOD PERFORMANCES are credited to Drum Major, Mary Bess Rizer.

DRUM MAJOR, Mary Bess poses afte football game.

MAJORETTE, Vickie Plaia, is the feature twirl for the Hussars in 1967-68.

The Red Hussar Drum and Bugle Corps, under the direction of Miss Dorothy Day, sponsor, and Mary Bess Rizer, drum major, completed their thirty-fifth season. A favorite maneuver was a star formation originated by Mary Bess, which the Hussars performed at half time at the zone play-off game against Hebert High School.

Excited crowds cheered as the Hussars doubletimed on the field to the traditional "Here We Come."

The corps practices many long hours to give the public a good performance in red and white marching precision.

Many new maneuvers have been made up by the sponsor and the drum major. Credit goes to assistant drum major Sally Fitch, and majorette Vicki Plaia for their hard work and excellent twirling routines.

COLORFUL CORPS PERFORMANCES

VICKI PLAIA SINGS school song at Football Pep Rally.

ASSISTANT DRUM MAJOR Sally Fitch has much to be credited for in twirling routines.

Practice begins during August and continues throughout the football season. For the past two years the Hussars have supplied the football players with refreshments on Friday mornings during the season.

Bugle Sergeant Jeanne Painton and Assistant Bugle Sergeant Sarah Flynn added many new songs to the list for enjoyment and entertainment.

The Hussar Ball on December 15 is a very important occasion of the year. Other important dates include the induction of new sophomore members, senior luncheon and installment of new officers at the end of the year. The Hussars have been invited to many new places in the past school year.

Those who added new drum marches to the list of Hussar Songs are Susan Friedl, assistant drum sergeant.

40 YEARS OF LEADERSHIP

TILLMAN RICHEY—President of Student Congress

With approximately 2200 students making up the community of Thomas Jefferson High School, it is necessary to have a representative student group to aid in setting rules to govern the equivalent of a small town.

Student Body Congress had its beginning 40 years ago when the student body organization was far smaller, but today's SBC follows the basic pattern set then.

SBC president channels business to come before the congress in its weekly meetings, congressmen having been chosen by approximately 75 homerooms. The vice-president aids the president in many ways and heads various committees. He presides if the president is absent.

Records of official acts are kept by the secretary. Representative-at-large attends the Board of Governors meeting with the principal and reports discussions and decisions at that meeting.

THE BOARD OF GOVERNORS is composed of the major student congress leaders, who are elected each spring in bi-partisan elections. At a typical meeting are Linda DeCuir, Mr. Joe Juarex, assistant sponsor, Tillman Richey, Principal Charles McBee, Vicki Verrett, and Ron Waedemon.

CREWS IMPORTANT FOR PLAYS

GOOD LIGHTING IS a must and Jim Trahan and Mike Owens have done a terrific job this year on both fall production and Interscholastic League in the spring.

DAVEY GARVIN AN

WHEN IT COMES to a good song of any type, Pat Dionne and Clifford Higgs are hard to beat. They provided entertainment between the two one-acts with a Latin funeral lament entitled, "Lyke Wake Dirge".

"TELL TALE HEART" IS UIL PLAY

CONCERNED NEIGHBORS PAY a visit and are given little reassurance.

THE "MAN" EXAMINES his hands after murdering the "old man".

This year's UIL production was the popular Edgar Allen Poe mystery, "The Tell Tale Heart". Under the direction of Mrs. Jean Crain, a cast of six recreated the story of a young man slowly going insane due to the presence of an old man he believes has an evil eye. The play, set in the present day, is a good example of the works of Poe.

A CONVERSATION WITH his "conscience" results in the decision to contrive an alibi and then kill the "old man" in his sleep.

IRRATIONAL AND EXCITED the "man" attempts to convince the officers he's insane and their search is very unnecessary.

"BUT I SEE them", exclaims Frampton Nuttel, but Vera, Maria, and Mrs. Sappleton see no cause for alarm.

FOR "THE OPEN WINDOW"

VERA SPINS HER web of mystery.

"The Open Window" by Saki was included as part of this year's fall production.

This delightful comedy is centered around the romantic imagination of a young girl and the hilarious squeamishness of an awkward young man.

As it goes, Mr. Nuttel has come to the country for his "condition" and Vera decides to take full advantage of the opportunity. She manages this by making up a fantastic tale concerning the reason for the open window.

Vera proceeds to tell Frampton Nuttel about the "anniversary" of the day her uncle and cousin went off hunting and never returned. She also adds that her aunt keeps looking out the window and speaking of her family because she still thinks they will come home.

By now the poor man is quite unnerved and even more so when he sees the hunters approaching, looking very real. Vera, is triumphant and Mr. Nuttel's "Condition" is far worse.

THE HUNTERS RETURN home and all is normal, or so it seems, to everyone except Frampton Nuttel who is completely perplexed. Pictured are Marilyn Doyle, Mike Comstalk, Mike Smith, Allison Smith, Barbi Voight, and Jerry Whittredge.

MAROON VS. GOLD DETERMINES

Spring time in Port Arthur means elections at Thomas Jefferson. The courtyard signs are as numerous as spring flowers and there is a general good feeling among the students. Election time is a hectic three weeks, speeches must be readied, campaign posters have to be made and put up, votes must be sought.

Also is election time a difficult time for TJ students, for they are the ones who will choose the people who will work towards a better school, live up to the high standards our school has acquired through the years. It is a time for everyone.

Sports perhaps more vividly than any other phase of school life, have a direct effect upon school-community relationships. The "highs" and the "lows" of excitement as teams succeed or fail are reflected as fans fill the stadium, the gym, or flock to the cinder track and the baseball diamond.

Ex-students renew old affections for the Maroon and Gold as cheerleaders gyrate, Hussars double-time, the Band sets the tempo, and the Jackets come on strong.

What could it mean to be a cheerleader? What does it take? Carole Olivier, this year's cheerleader, gives us her view. "Being a cheerleader means many things. It means a lot of hard work and long hot months of summer practice. It means taking six different people and making a uniform group—matching every physical movement in a precise way. A big part of the job is the responsibility of leadership."

Leading a massive crowd is not an easy job. But whe the Jackets take position on the field, all the hard wor and discouraging times of practice are forgotten. Ther come many mixed emotions of excitement, joy, tons o energy, and most of all the pride you hold for T.J. an the greatest team ever, THE MIGHTY YELLOW JACK ETS!!

In a time when "unenthusiasm" for the traditional is the "in" attitude, it is especially important that students have leaders they can follow and respect when it comes to letting the football team know that their fellow students wish them well.

Each year the Director of Activities selects eight boys to be called "Texans." It is their duty to see that Big Buzz appears on time at pep rallies and game festivities to spur Jacket fans on.

These eight Senior boys are not only responsible for transporting, protecting, and displaying "Buzz", but they manage to do a number of other jobs as well. They raise and lower the flag at all the games, crown the Queen at Homecoming, and if you watch, you can even see them frantically putting up spirit posters before the game begins.

Port Arthur, Oct. 6, 1967. With Gary Hammond on the bench due to a separated shoulder, quarterback Wade Miller led the Thomas Jefferson Yellow Jackets to a 14-0 win over Beaumont's Royal Purples in Public School Stadium.

Neither team was able to make very much headway in the first half but a drive by the Purples brought the ball to the Jacket five where the team lost possession on downs.

The Jackets came out of the half time intermission as a completely new team as they kicked to the Purples. A strong defense forced them to punt and in two play later Dennis Howell rambled 46 yards for the score. La Grappe's kick was good.

Once again the Purples used power to reach Jacke territory, but failed to score. Then with the ball on th 32, Howell ran around right end for the score. LaGrapp kicked the extra point.

In the fourth neither team was able to score, but th Jacket defense wore down the Purples until the end o the game.

BULLDOGS RUIN HOMECOMING

Port Arthur, Oct. 20, 1967. The Jackets and the Bulldogs clashed in a game that will long be remembered by fans of both teams. Both teams played a remarkable game but fumbles and bad breaks caused the Bulldogs to be victorious.

Key plays in the game came in the first quarter when the Jackets scored in nine plays and Wayne LaGrappe's kick was good and again when the Jackets scored in six plays, and a second time LaGrappe's kick was good.

After a Bulldog score in the second quarter, the Jackets obtained the ball with 2:27 left in the half. They reached the Bulldog 29 and were halted for three plays. Then Gary Hammond hit Brian Thompson for the score. LaGrappe kicked to make the score 21-14 at the half.

In the third quarter the Jackets took the opening kick- off and rambled 66 yards for the score. LaGrappe's kic was good, and the Jackets raised their lead 28-14. Th Bulldogs then bounced back and in a matter of minute scored twice. The Jacket defense stopped the Bulldogs o their conversion try, and after they got the ball, scored i six plays. The final quarter saw the Bulldogs take ac vantage of the many Jacket mistakes. If it had not been fo the mistakes, the game might have turned out a little di ferently. The Jackets had one lone touchdown called bac because of a penalty which was disapproved by many o the Jacket fans.

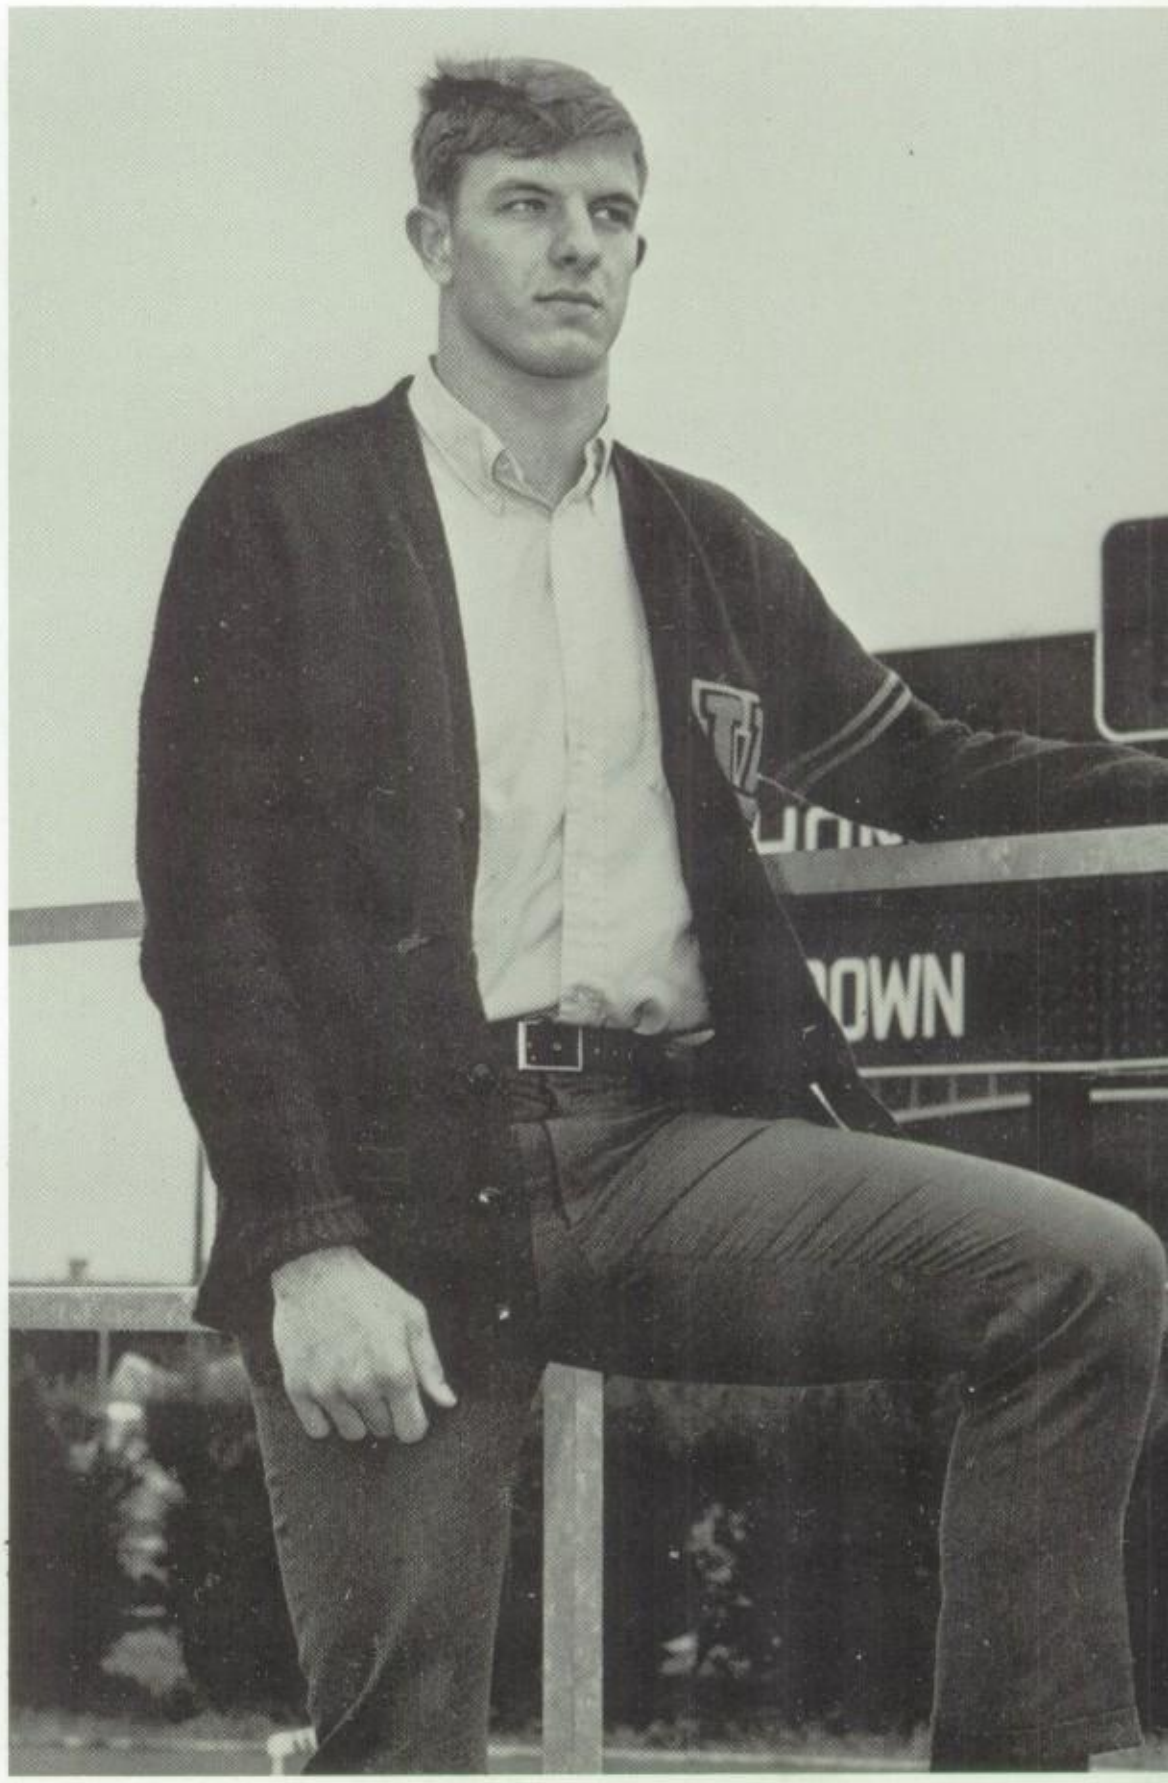
WAEDEMON AND HAMMOND

DEAD? NO, only taking a well earned rest during the Senior-Varsity game.

RON CONSULTS WITH the coaches on the plans for the second half.



RON WAEDEMON

Ron Waedemon was tops at his position of tackle during his st at TJ. Ron was always in the middle of the opponents' plays ar tough to keep out of their backfield. He was placed on the Sout Zone All Star team his senior year and then awarded the positi of first string on the Texas ALL-STATE team in the same year.

AWARDED STATE HONORS

Gary Hammond will be a quarterback well remembered in the eyes the fans and coaches in the area for many years to come. He broke any records while at TJ in the running and passing departments. He as placed on the All-Star team and received a position on the second ring of the TEXAS ALL-STATE team. When the All-American am was announced Gary's name appeared on it. The sight of Hamond's end sweep will be reflected into the future.

RON WAEDEMON (44) sinks two during an all important game.

YELLOW JACKETS BOUNCE BUCS

TOMMY THOMPSON (40) leaps for an important rebound.

Vidor *(Jan.)* Port Arthur opened district play bouncing over the Vidor Pirates by a 71-51 margin. The Jackets had a slow time with the Pirates in the early moments of the game, but with sharp shooting and alert rebounding, scored to win.

The Jackets led 14-0 at the end of the first quarter and then moved to 29-22 lead at the half.

Vidor outscored the Jackets 17-16 in the third, but the TJ cagers iced the cake with 26-12 in the fourth for the 71-51 win.

Jacket high point makers were Ron Musgrove with 21, Gary Hammond and Johnny Williams both with 14, and Mike Quebedeaux with 10.

Port Arthur, (Jan. 23). The Yellow Jackets literally ran the Vidor Pirates out of the TJ gymnasium by a 93-65 margin. The Jackets scored over 20 points in all four quarters. The Jackets hit hard first and outscored the Pirates 28-11 in the first quarter. Then with everything going good, added 21-17 in the second, 22-23 in the third, and 22-14 in the final quarter. The game ended with the Jackets' season high mark of 93-65.

The Jacket scoring was widespread as substitutes were freely used. Billy Jordon led with 32, Ron Musgrove had 16, Mike Quebedeaux 12, Johnny Williams 11, and Ron Waedemon 7.

Port Arthur (Jan. 9). Again the Jackets showed their ability to score high as they uprooted the Nederland Bulldogs 83-71. The Jackets scored 33 field goals and added 17 or 18 free throws for a 94 per cent from the charity line to obtain the score.

The hosts scored early with a 25-15 advantage at the end of the first and then added to 46-29 lead at the half. The Jackets added 37 in the last half to the Bulldog 42.

Mike Quebedeaux led with 12 field goals and one free throw to total 25; Ron Musgrove was 8 for 8 on the free throw; and had 5 field goals for 18; Gary Hammond tossed in 18 also. Ron Waedemon scored with 10 and Tommy Thompson 8.

Nederland (Jan. 26). Port Arthur went into an overflowing Nederland gymnasium and outlasted the hustling Bulldogs 62-53. It was a tight game all the way until the Jackets excelled in the final quarter with 21 to Nederland's 7.

The Jackets led only 31-27 at the half and lost two as the Bulldogs narrowed it to 46-43 at the end of the third. The score bounced back and forth in the early fourth but the Jackets rallied to win by a 62-53 margin.

Again Ron Musgrove was perfect from the free throw line with 9 for 9 and 8 field goals for the game leader with 25. Mike Quebedeaux made 12, and four more Jackets with 5 or more.

INDIANS SNATCH ZONE TITLE

STRATEGY IS WHAT COUNTS as Coach Williams and the team discuss the problems during the all important games.

Port Neches (Jan. 12). Before a packed house the Yellow Jackets were toppled by the Port Neches-Groves Indians 49-44. The Jackets were hampered by Ron Musgrove's ejection late in the fourth quarter along with an Indian player. Both teams played well under tense conditions.

The score was tied 9-9 at the end of the first, 20-20 at the half, and the Indians gained 36-30 majority over the Jackets in the third to make the difference.

Jacket high scorers were Mike Quebedeaux with 14 and Musgrove with 9.

Port Arthur (Jan. 30). With the zone championship at stake and the TJ gymnasium packed, the Jackets fell by a 72-63 margin to PN-G. A line formed as early as 3 p.m. for the game at 7:30, as only 3,000 tickets would be sold.

The Jackets led 12-11 at the end of the first quarter, but the Indians possessed a 29-28 halftime lead. Both teams added 26 in the third quarter to give the Indians a 55-54 lead. The Jackets began making little mistakes that the Indians took advantage of and PN-G outscored TJ 17-9 in the fourth quarter for an Indian victory of 72-63.

Ron Waedemon led with 20, Merwin Wright followed with 14, and Ron Musgrove with 11.

Lincoln (Jan. 16). With the emotions of the players as well as those of the fans reaching a peak in the small Lincoln gym, a fight broke out with 0:34 seconds remaining and the games' book was shut with TJ winning the schools first cage meeting by a 70-63 score. The fight was a minor pushing of two of the players that was settled.

The Jackets led only 32-31 at the half, then added 24-14 in the third quarter. But the Bumblebees scored 16-14 in the fourth tossing 70-63.

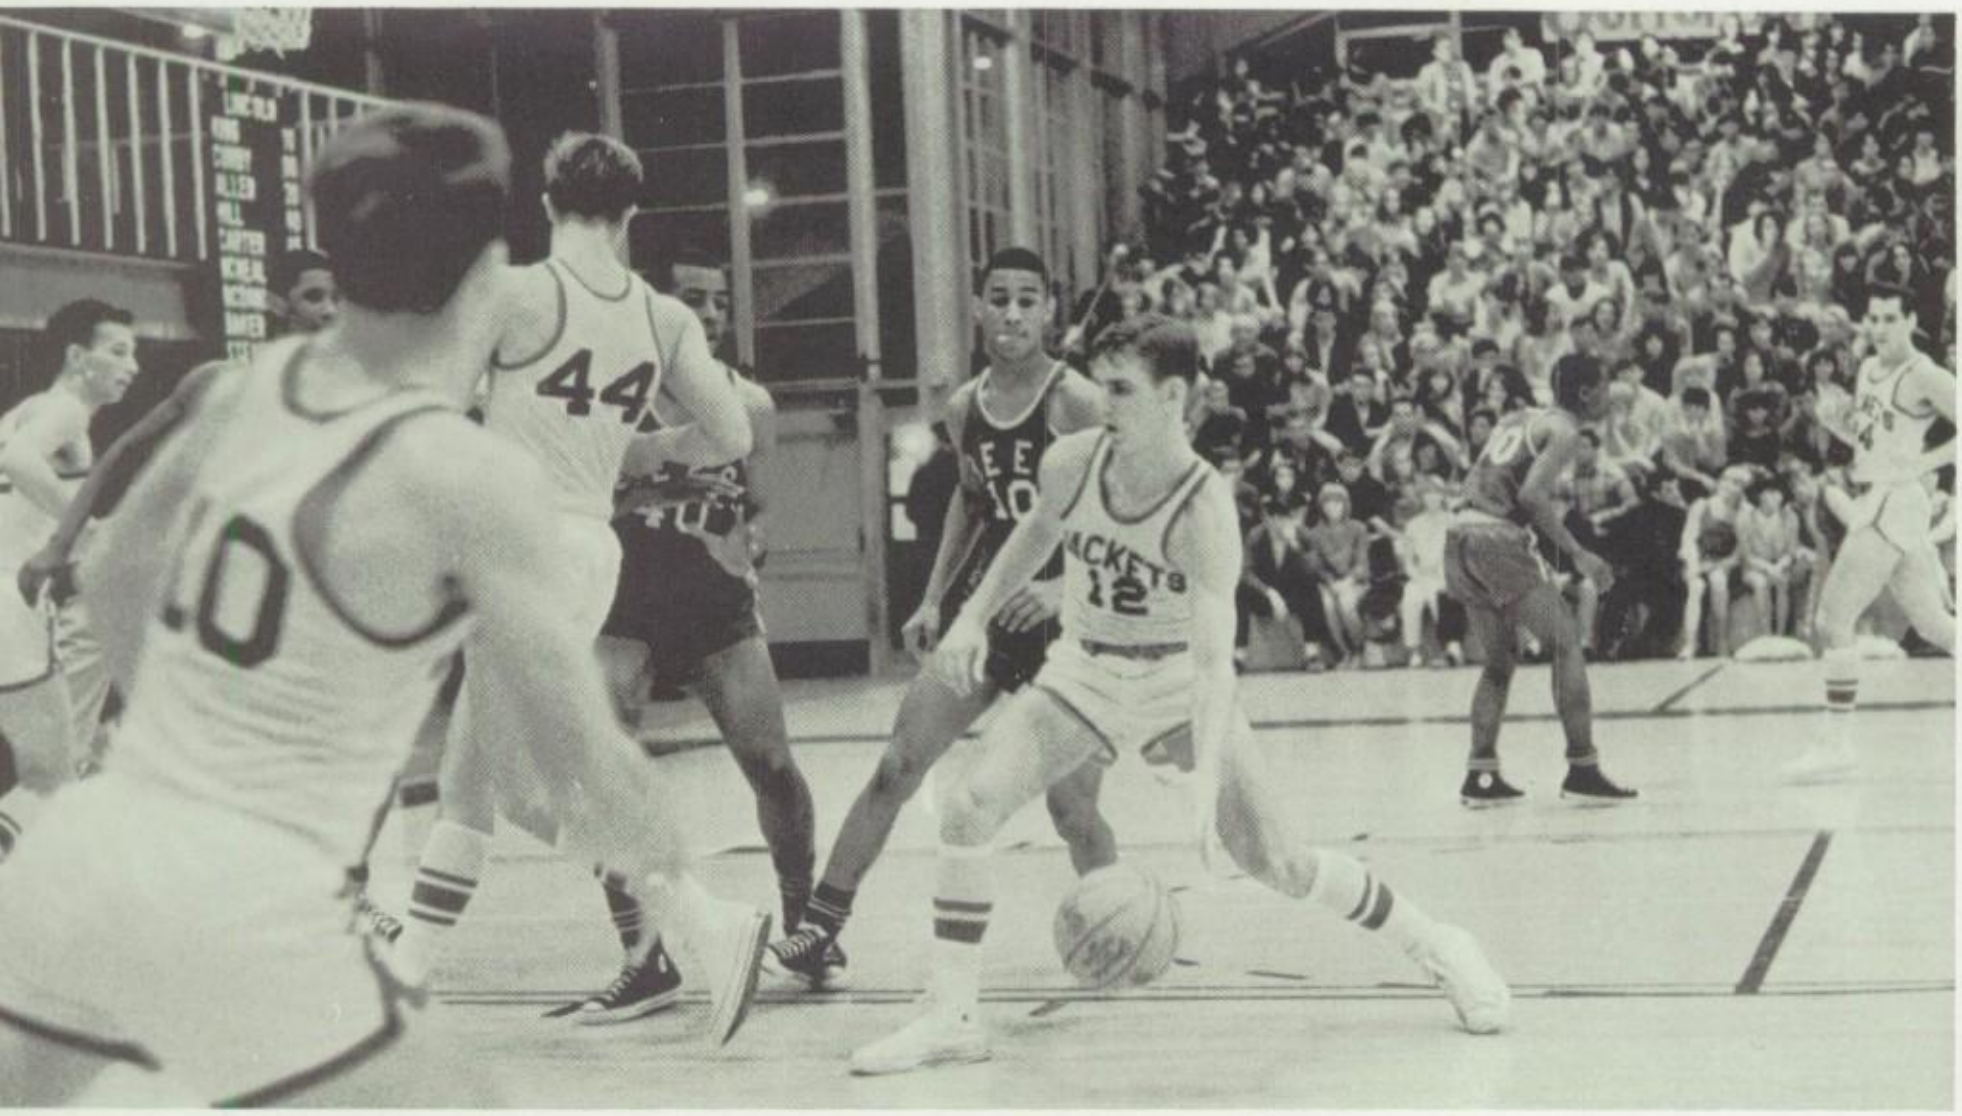
The Jacket score makers were Mike Quebedeaux with 26, Gary Hammond had 17, Ron Musgrove with 15, and Ron Waedemon with 8.

Port Arthur (Feb 2). The Jackets met head on with the Lincoln Bumblebees to win 75-70 in an overtime.

Lincoln maintained a lead all the way into the fourth quarter, where they conceded to the Jackets as Ron Musgrove emptied into the bucket 24 points during the half.

The Jackets, down 50-43 at the end of the third, began to fly, scoring 25-18 with a tie 68-68 resulting at the end of regulation play. Musgrove hit 7 points for the Jackets to the Bees 2 points in the extra three minutes to give the Jackets a 75-70 win.

Musgrove was high with 32 and Mike Quebedeaux next with 21.



GARY HAMMOND DEMONSTRATES his dribbling ability as Lincoln players set up a defense.

JACKETS SHELLAC TIGERS

Port Arthur (Jan. 19). The Jackets walked past the Orange Tigers by a 68-43 decision. The game was over fast due to a scarcity of fouls, TJ with 7 and Orange with 13.

The Jackets led 16-9 at the end of the first, then moved into the half with a 35-23 score. Orange outscored the Jackets in the third 15-14, but TJ hit hard with 19-5 in the fourth.

The Jacket high scorers were Mike Quebedeaux with 20, Ron Musgrove with 17, and Ron Waedemon and Gary Hammond each with 9.

Orange (Feb. 6). The Jackets sailed into the Tiger gymnasium to defeat the Tigers 65-46. The Jackets were astounded as the Tigers led the first quarter 15-10, but the Jackets got the hang of the Tiger goal and scored 23-12 in the second quarter to close the half at 33-27.

The Jackets came back and scored 13-8 in the third and 19-11 in the fourth.

The Jacket high scorers were Ron Musgrove with 19, Mike Quebedeaux with 17, and Johnny Williams with 16.

RON WAEDEMON (44) sinks a short jump shot to score two for the Jackets in the tournament.

The Jackets defeated the South Park Greenies 76-45 in the first round of the YMBL Tournament in Beaumont. The TJ crew was paced by the whole team except for three of the fourteen men lineup who failed to score. In the second game Port Arthur defeated Milby of Houston 61-55. High scorers for the Jackets were Ron Musgrove with 24 and Merwyn Wright and Mike Quebedaux with 13 each. The Jackets entered the finals only to fall to the giraffe-sized Jesse Jones Falcons by a score of 72-57 with Thomas Jefferson finishing second.

The Jackets fell to Milby in the first game of the Pasadena Tournament by a 53-49 margin. The Jackets were paced by Wright with 16 and Quebedeaux with 10. TJ came back to defeat Smiley of Houston 66-54. Leading the Jacket scoring was Musgrove with 27 and 22 for Quebedeaux. The Jackets then defeated North Shore 52-48, but in the next game fell to the Bellaire Cardinals in an all out defensive battle and lost 40-38.

After twenty games of tournament basketball, the Thoma Jefferson Yellow Jackets emerged to take the championshi by beating the Beaumont Purples 58-56.

In the first round, the Jackets edged Buna 51-45 wit Mike Quebedeaux chalking up 22 points. Then the Jacket defeated Marian 80-43. Quebedeaux scored 18 and Merwy Wright and Ron Musgrove scored 14 points each.

In the fourth round, the Jackets beat Deweyville 58-5 Quebedeaux scored the high 16, Musgrove with 13, and Ga Hammond with 10.

The consolation championship was taken by Marion b defeating Spring Branch 67-61. Deweyville captured the thir place defeating Port Neches-Groves 59-54.

The Jackets were paced by Quebedeaux with 16, Hammon with 13, Musgrove with 12, and Tommy Thompson with 1 The final score was 58-56 against the Purples for the cham pionship game.

MUSGROVE, QUEBEDEAUX HONORED

MIKE QUEBEDEAUX

Mike Quebedeaux was chosen as one of the co-captai of the high-flying basketball team. Although the Jacke did not venture into the title of South-Zone champ, th team was able to promote a great interest in the spo in the area due to the tough competition. Mike wa always hitting the ones that made the difference in th Jackets' winning or losing. He was one of the play make coming up with the long outside shots that gives the op ponents trouble to defend.

Ron Musgrove was awarded the title along with Mike as co-captain of the team. Ron was noted for his ability to keep the team together when the going got tough and mostly for his superb ball control. He scored numerous points for the Maroon and Gold but he did not keep all the glory himself, for he passed them to his teammates who were in position to score. Thus, Ron aided in the Jackets having such a great record.

THOMAS JEFFERSON SLOWED

WITH THE SCORE going the wrong way, the Jackets discuss the problem with coach Manning in an effort to win the game

Nederland (April 4). The rivalry with Nederland still goes unsettled as a result of a 4-4 tie called because of darkness.

The high-flying Yellow Jackets had just begun to fight, and as the 4th came around, James Schexnayder walked to first, stole second, and scored on Pat Lange's single to right center.

The fifth came around, and Charles Fontenot tallied when he gained life on a fielder's choice, advanced on an error, and scored on a passed ball.

But the Bullogs came back to bomb four runs in the fourth.

Morris continued to weaken, and Lange walked in the sixth. Marc Courville ran for him, and went to second on David LeBlanc's single, advanced to third on a walk to Draughon and he and Wayne Gregory running for LeBlanc, both scored on Fontenor's single to right.

Orange (April 11). The Yellow Jackets captured their first district victory of the season at the expense of th Orange Tigers, 1-0.

The Jackets scored their run in the second when, wit the bases loaded, Charles Fontenot walked to force i Ron Musgrove. Musgrove had gained life on a walk. P Lange singled and was out at second as David LeBlan was safe on a fielder's choice. Pitcher Webb Draugho walked to load the sacks and then Fontenot drew h game-winning pass.

The game showed an improvement on errors, an twice Orange players were put out trying to steal hom

Randy Rogers saw action on first as a Tiger trie to steal second, but Webb tied for the pick-off an the player was put in the hot box. He made it back t first, knocking Randy to the ground. The second tim he wasn't so successful, however, and as he ran bac to first, he passed Randy but catcher David LeBlan had come in for the kill, and the man was out.

BY EARLY DISTRICT GAMES

Port Arthur (April 16). The Indians of Port Neches pened up and under the superb pitching of Ronnie Vilbanks and the numerous bobbles by the Jackets, merged to win with a 9-0 margin.

Wilbanks pitched perfect ball through five innings nd nobody got good wood on the ball other than long ouls. But then second baseman Ron Musgrove spoiled he unmarred worksheet with a double in the sixth. The nly other Jacket hits were in the seventh by Tillman Richey and Charles Fontenot. Though playing on their wn field, the Jackets were unable to contact the ball.

The gate opened in the fourth when the Indians took dvantage of Jacket errors at the right time. They came ack and scored two in the sixth, followed by two in the eventh giving PNG a 9-0 edge past the Jackets.

Vidor (April 19). The Yellow Jackets encountered the Pirates at Vidor and were defeated 5-4.

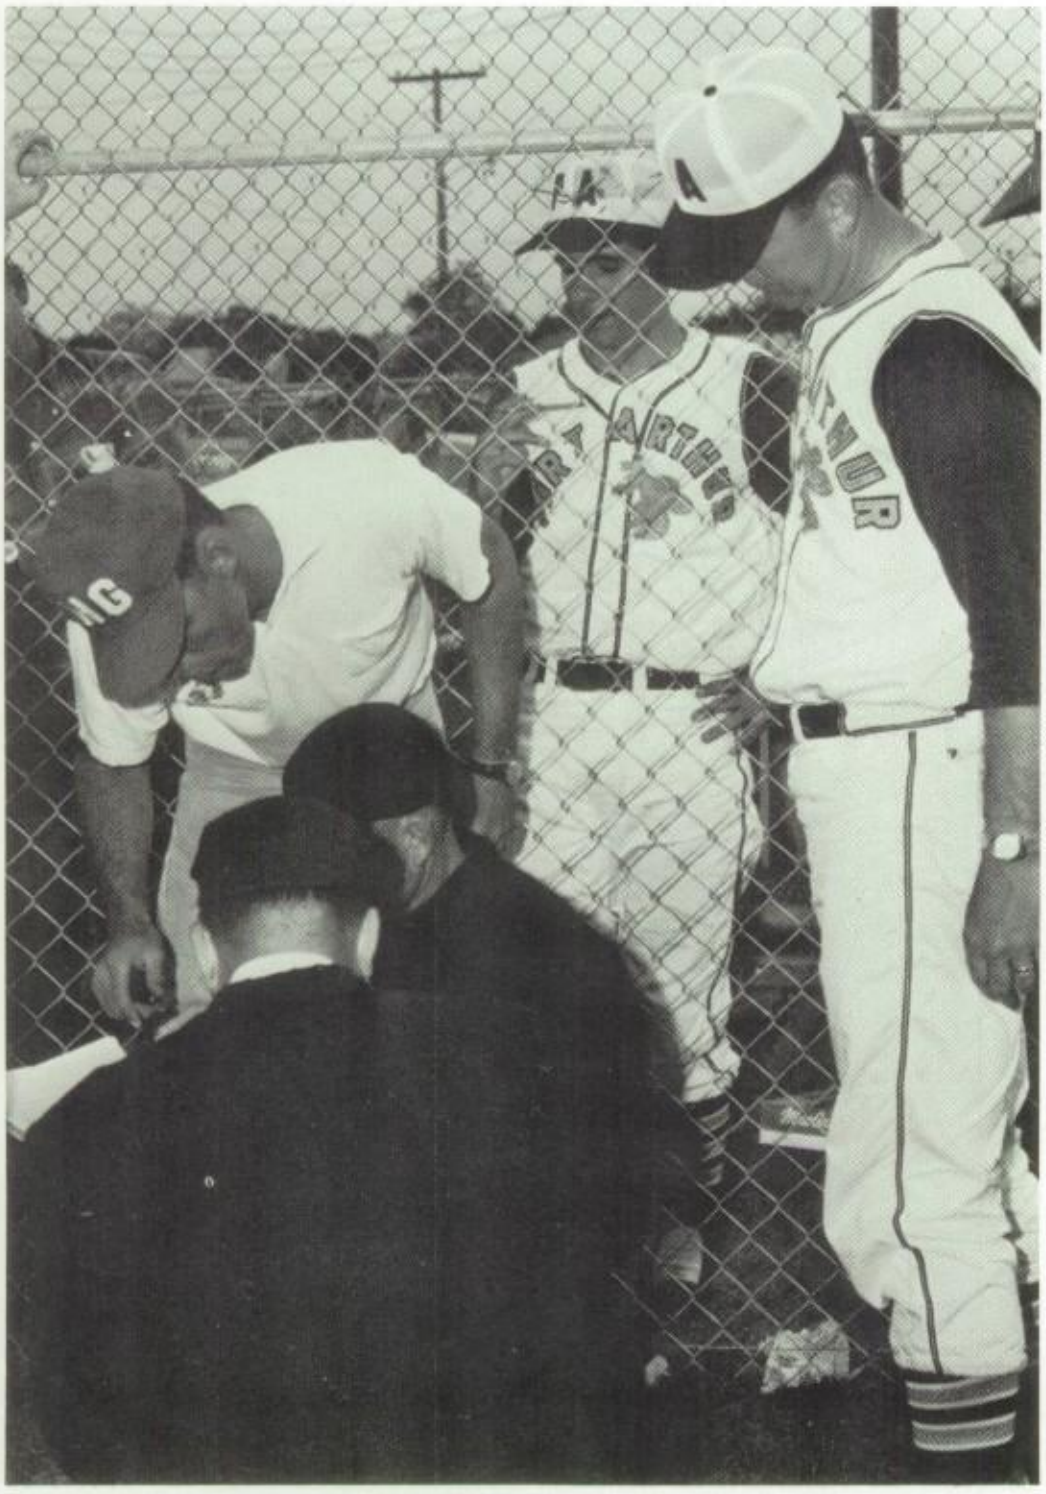
The Jackets first took life with a pair of runs in the top of the second as James Schnexayder and Randy Rogers both drew walks. They moved up by stealing bases and were knocked home by David Williams' bouncer down the middle, but Vidor tied it in the second.

Tillman Richey singled home Charles Fontenot, who had reached second on a fielder's choice and an error to give the Jackets a short 3-2 lead in the top of the third, but once again it was erased as the Pirates crossed the plate twice in the bottom of the third.

The most spectacular blow of the game came as Pitcher Webb Draughon socked one over right field fence in the seventh to make the final score 5-4.

CHARLES FONTENOT, GARY Hammond, and Tillman Richey played the fields with excellent performance during the season.

SUPERB PITCHING AND SUPERIOR



WHEN DIFFERENCES ARISE, the umpires are always present to straighten things out.

Lincoln (Apr. 20) Yellow Jackets clobbered the Lincoln Bumblebees at the Gilham Circle Diamond by a wide 8-1 margin.

Jackets collected seven hits to Lincoln's five and had two errors to the Bees' four.

The first inning passed as fast with both teams going down in order. The second inning was long for the Jackets. Pat Lange singled and Wayne Gregory and Randy Cooper had walks in succession. Then Gary Hammond doubled to score three runs. Charles Fontenot was safe on an error and Hammond scored when Tillman Richey's hit flew by the third baseman.

James Schnexayder doubled in the third inning then moved to third on a wild pitch and scored on Randy Roger's single.

In the fifth, Fontenot was safe on an error. Richey's bunt was misplayed and Fontenot scored. Then Schexnayder smashed a home run over the field fence. Lincoln scored in the sixth by way of an error.

Port Arthur (Apr. 23) The Nederland Bulldog bopped the Thomas Jefferson Yellow Jackets by 3-0 score on Travis field.

The Jackets managed one more hit than the Bulldogs, 6-5, and the pitching was similar, but the Dogs made better use of their hits.

The Bulldogs tallied two runs in the fourth inning and the final run in the fifth inning. Walks and errors cost Jacket hurler Webb Draughon dearly. In six innings, he allowed only five hits, three walks and fanned eight Nederland opponents. Thomas Jefferson left ten men stranded while Nederland had eight remaining on the base pads.

Port Arthur (Apr. 26) The Yellow Jackets rallied once again to defeat the Tigers of Orange by a score of 5-2. The Jackets got a great mound job from Randy Cooper, who blasted 11 hits and played well afield.

Four consecutive hits in the second inning pushed the Jackets to a 2-0 lead. Tillman Richey singled and went to third on Mark Courville's double. Richey then scored on Pat Lange's high bouncer to the mound and Courville came home on Cooper's single.

Orange knotted the game with a pair in the sixth but the Jackets swarmed right back for three in the same inning. James Schexnayder led off with a single and stole second. Richey knocked him in with a single to left and Richey went on to second on the throw in. Courville then tripled to deep left center to plate Richey and Courville scored as Lange grounded out.

Cooper turned in a sparkling mound job and was hitless for four and a third innings. He walked only two and struck out 10 and gave up five hits.

HITTING RESULT IN VICTORIES

Port Arthur (Apr. 30). The Yellow Jackets were victorious over the Lincoln Bees. Ruelle Parker was credited with a brilliant pitching performance. He gave only two singles, fanned 12, and walked only two.

Parker's pitching was backed up by some fine hitting. Gary Hammond socked a triple, knocked in two runs and scored three himself. Randy Rogers rapped a triple and Charles Fontenot hit a pair of singles.

The Jackets scored in the fourth when Hammond walked, stole second, and tallied on Fontenot's single. Later in the fourth, the Jackets got six runs, a walk, hit batsman and two errors. In the sixth, Hammond walked, stole second and scored on a throwing error.

Lincoln starter Michael Bell was the victim of all but the final Jacket score. Frank Edmondson replaced him with no outs in the fourth. Fontenot's sparkling defensive play put the finishing touches on a well played game.

Port Neches (May 3). The Port Neches-Groves Indians nipped the Port Arthur Yellow Jackets 2-1.

The game was a pitching dual with Randy Cooper of the Jackets and Tommy Landry of the Indians. Both teams played the field well with the exception of the two Jacket errors.

The Indians scored both runs in the third inning. By way of a single, a bunt, and another single, the Indians obtained the winning run.

In the fourth, Randy Rogers doubled to right field and scored on Tillman Richey's single. The Jackets' only other threat was in the sixth when two runners were abroad but one was thrown out at third attempting to take an extra base on Charles Fontenot's single.

The Jackets out hit the Indians 5-4, but the Indians made better use of the hits they did get. The game lasted only one hour and twenty-four minutes due to the pitching dual.

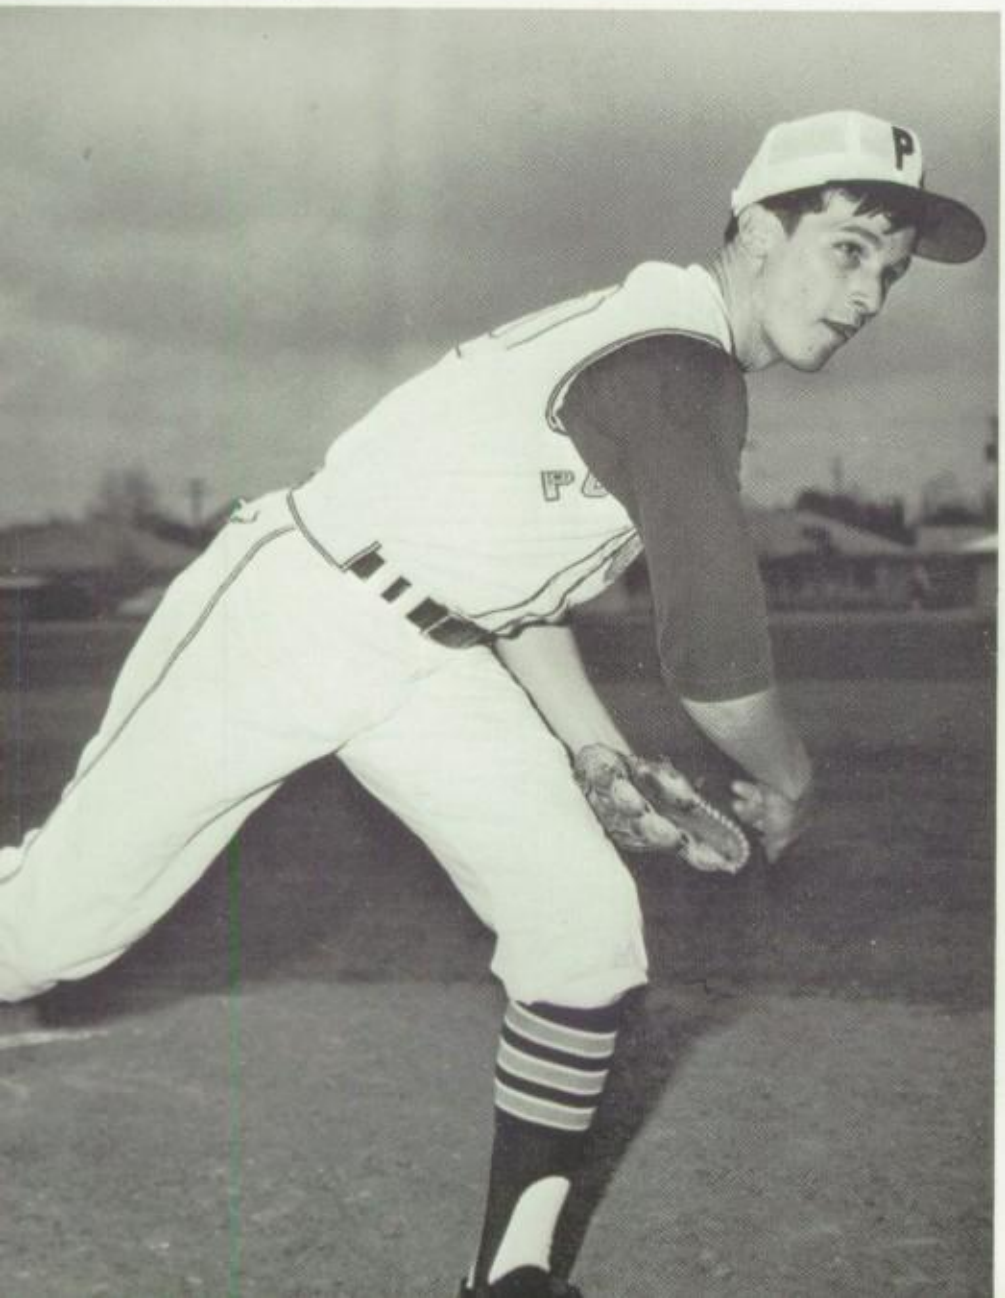
AMES SCHNEXAYDER DEMONSTRATES his superb ball as he tched mainly home games.

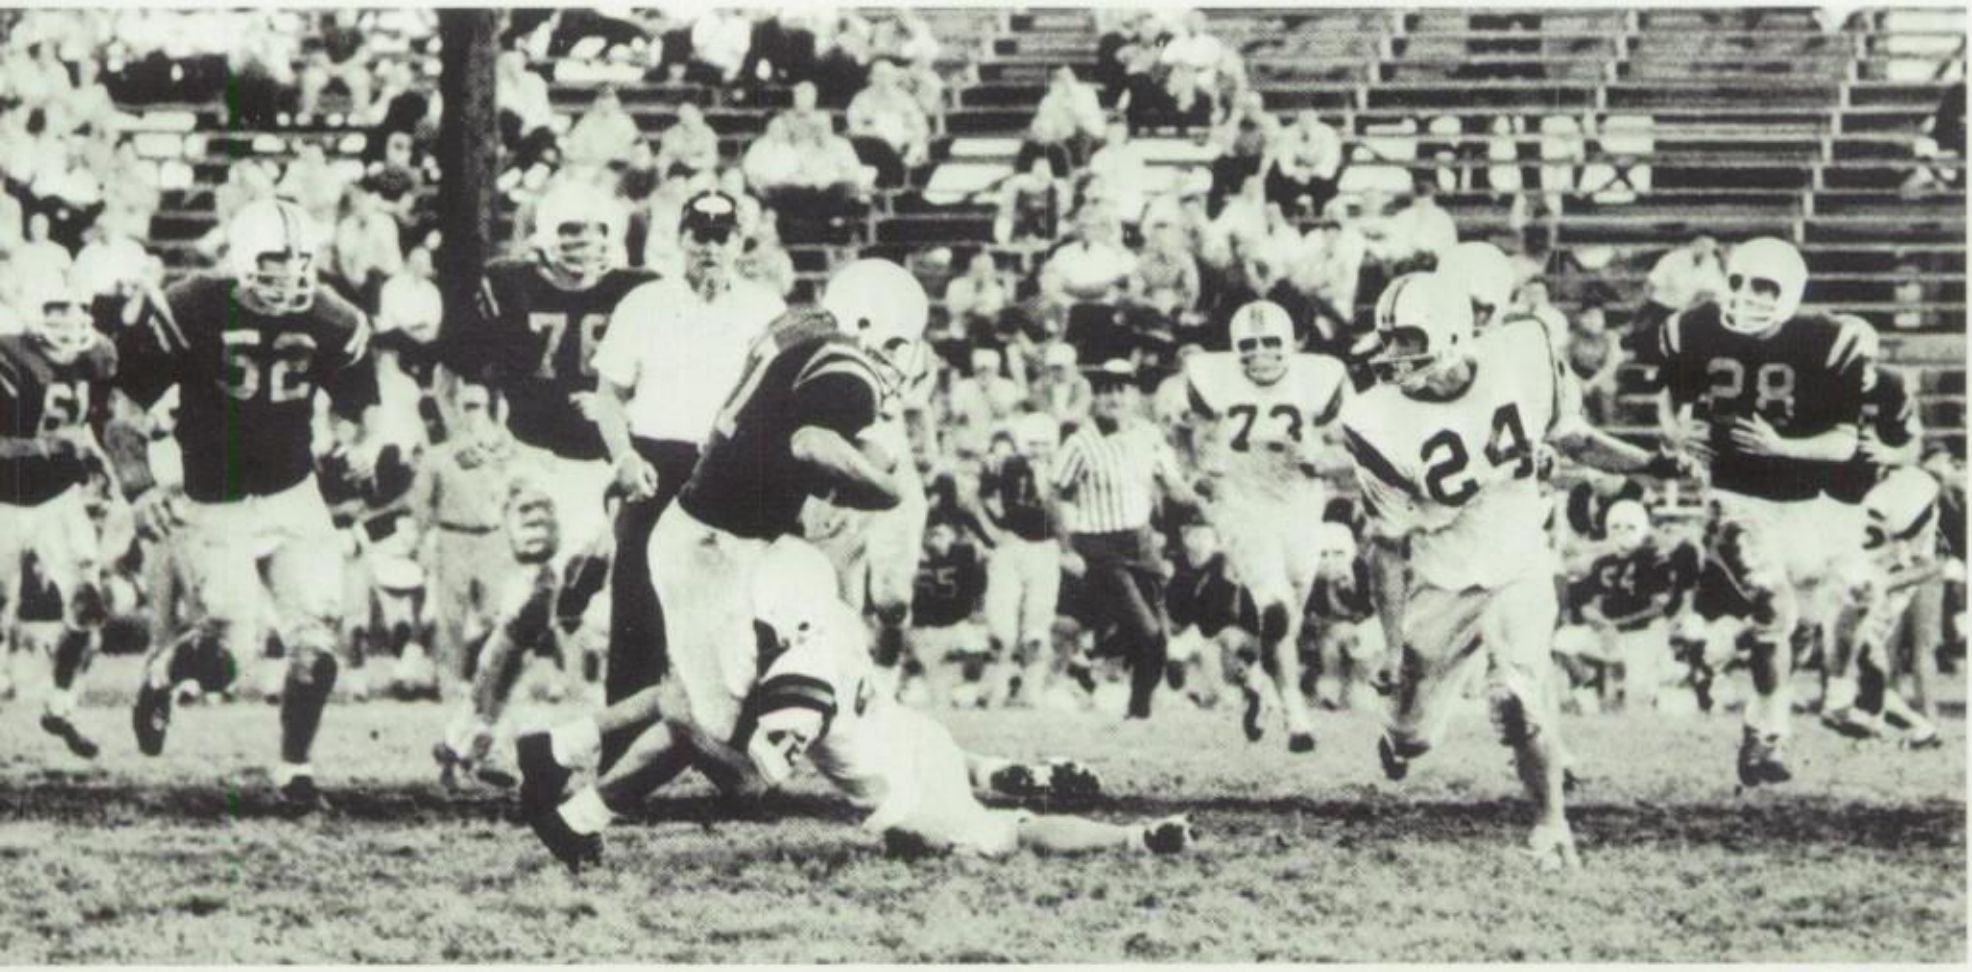


The 1968 Yellow Jacket campaign was hailed successful although the Jackets were unable to reach the top spot in the South Zone race. The Jackets held down third place with a 4-5-1 district record. The Jackets finished second in the Orange Tournament held the week before district play opened. The district was the strongest in many years and the Jackets had lost many hard-hitting seniors but they have returning numerous players next year which shapes up to be promising as ever. The spirit at the games increased greatly as numbers of TJ students backed the team. The Jackets proved your team does not have to win them all to be victorious.

SPRING TRAINING SEASON

QUARTERBACK GARY HAMMOND rounds the left end for the last time in a Yellow Jacket jersey as he demonstrates that "give it all you got" football. The sight of Hammond doing just this will be a sight reflected upon "back in 1968" for years to come.

ENDS WITH SENIOR UPSET



RON MUSGROVE MOWS down an unidentified Varsity ball carrier after a great gain is made.

The Yellow Jacket gridmen of the Class of '68 gave heir underclass compadres a lesson in how to play the ame of football in the Public Schools Stadium by a score f 21-17. The Seniors played with no coach and had ot practiced since the last game of the season.

The underclassmen were ahead in yardage gained but ere behind in the most vital statistics, the score. The bvious reason for the Seniors' win washheads up running nd a tough defense.

Dennis Howell drove over for the first Varsity touch-own from the three. Johnny Oubre kicked the extra point. ate in the second quarter, the Varsity bogged-down at he Senior five yard line after a 75 yard drive and settled or a 22 yard field goal off the foot of Oubre on fourth own.

A 42 yard pass play from Gary Hammond to Phillip Hall put the Seniors on the Varsity's four yard line. Ron Musgrove drove through for the score after two attempts. Hammond passed to Mike Faulk for the two point conversion and made it 10-8 in favor of the Varsity.

The Varsity were unable to move the ball in the beginning of the third quarter. The Seniors took the ball and went 74 yards in 11 plays for the score. Passes by Hammond to Leo Foreman, Larry Speake, and Musgrove were key gains in the drive.

Randy Schneider covered a Varsity fumble on the Varsity's 32 and on the first play Hammond hit Musgrove for the score.

A 37 yard pass from Steve Richey to Curt Babin set up the final Varsity score. Howell scored from the three and Oubre kicked the point after.

The Varsity had a drive going near the end of the game but it was halted by a Senior interception. From there the Seniors ran out the clock and closed their final Jacket game with a victory.

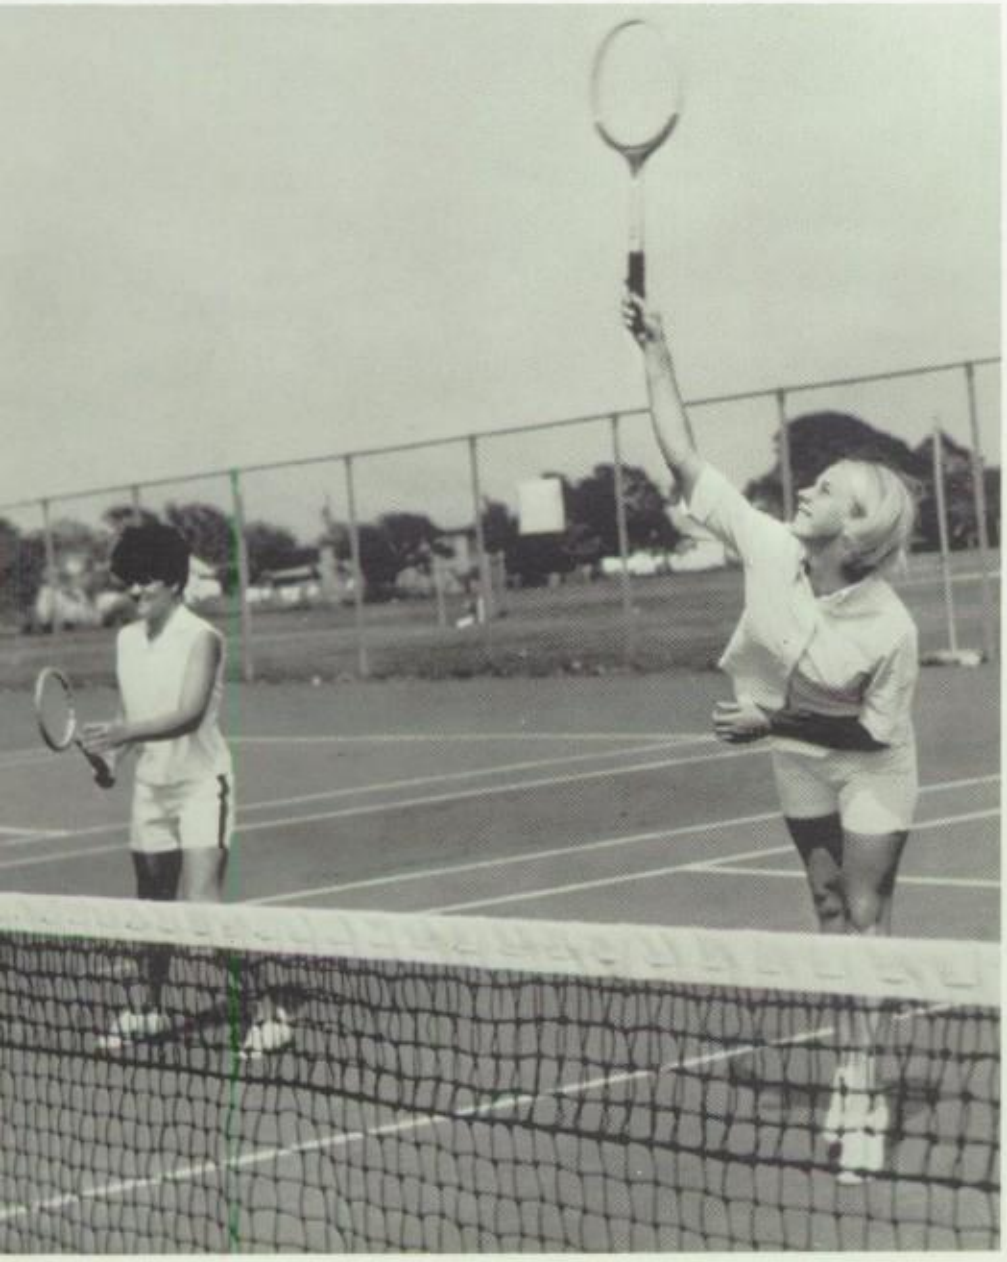
TRAINING HAILED SUCCESSFUL

AFTER CLEARING MOST of the stack, the officials discover the Varsity has gained a first down on a grinding run.

The 1968 spring training season was hailed as a success by the Yellow Jacket coaches and many various coaches from the area. The training was done in full pads and scrimmages and drills were held everyday. The coaches filled many positions by some outstanding performances of the players. The training occurs every year and the hot, humid weather was no picnic. But the fighting boys at Thomas Jefferson stood it and the climax was the annual Senior/ Varsity football game. The Seniors won.

SENIORS LEO FOREMAN, James Hubert, and Ron Weadem haul down a Varsity player after he gained only a few yards.

TENNIS

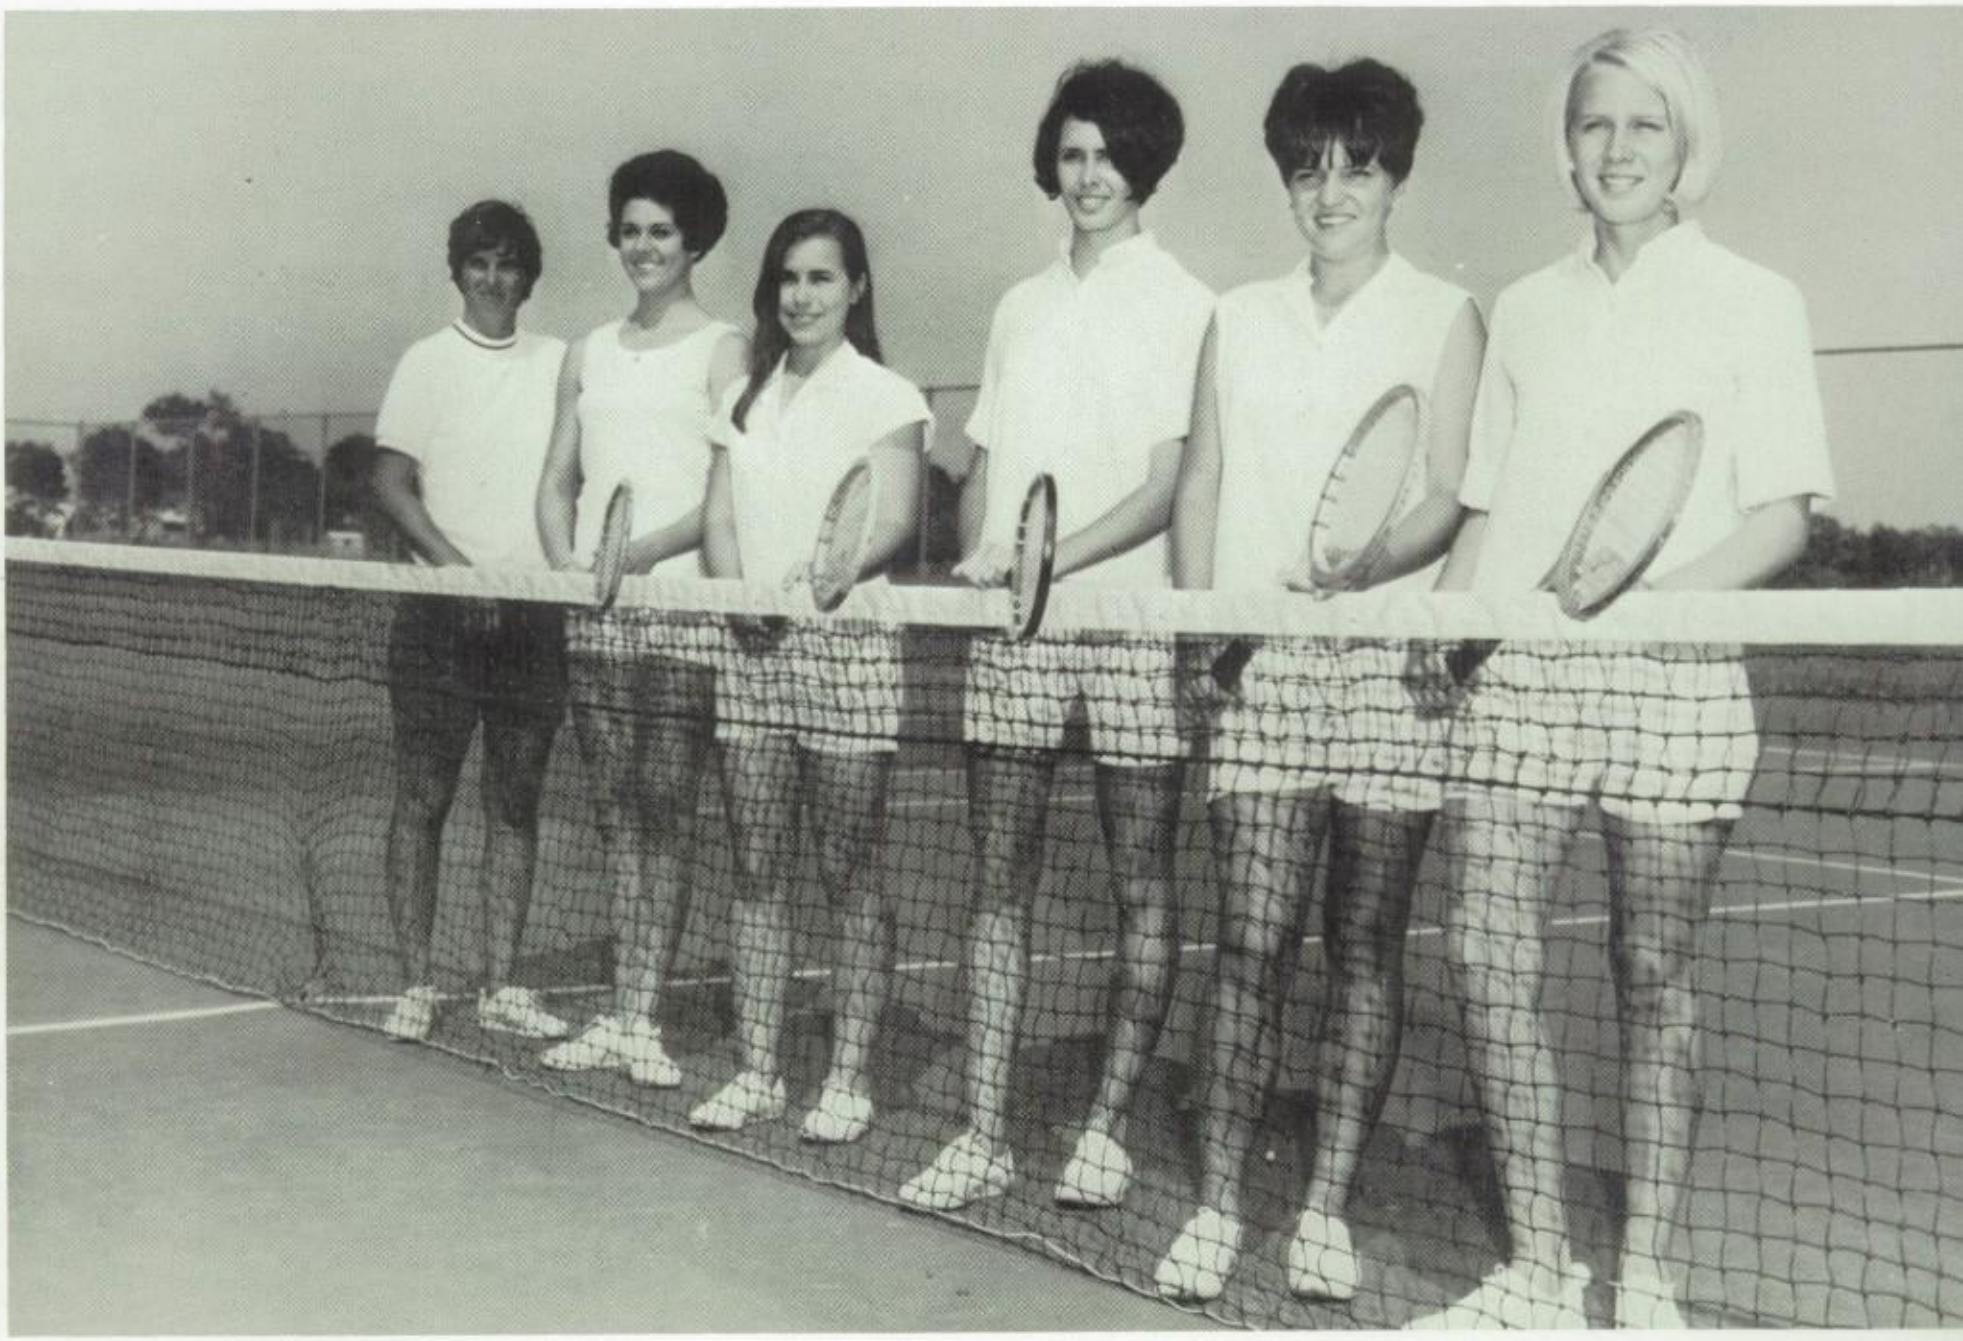


SLAMMING A HIGH one accounts for many Jacket victories.

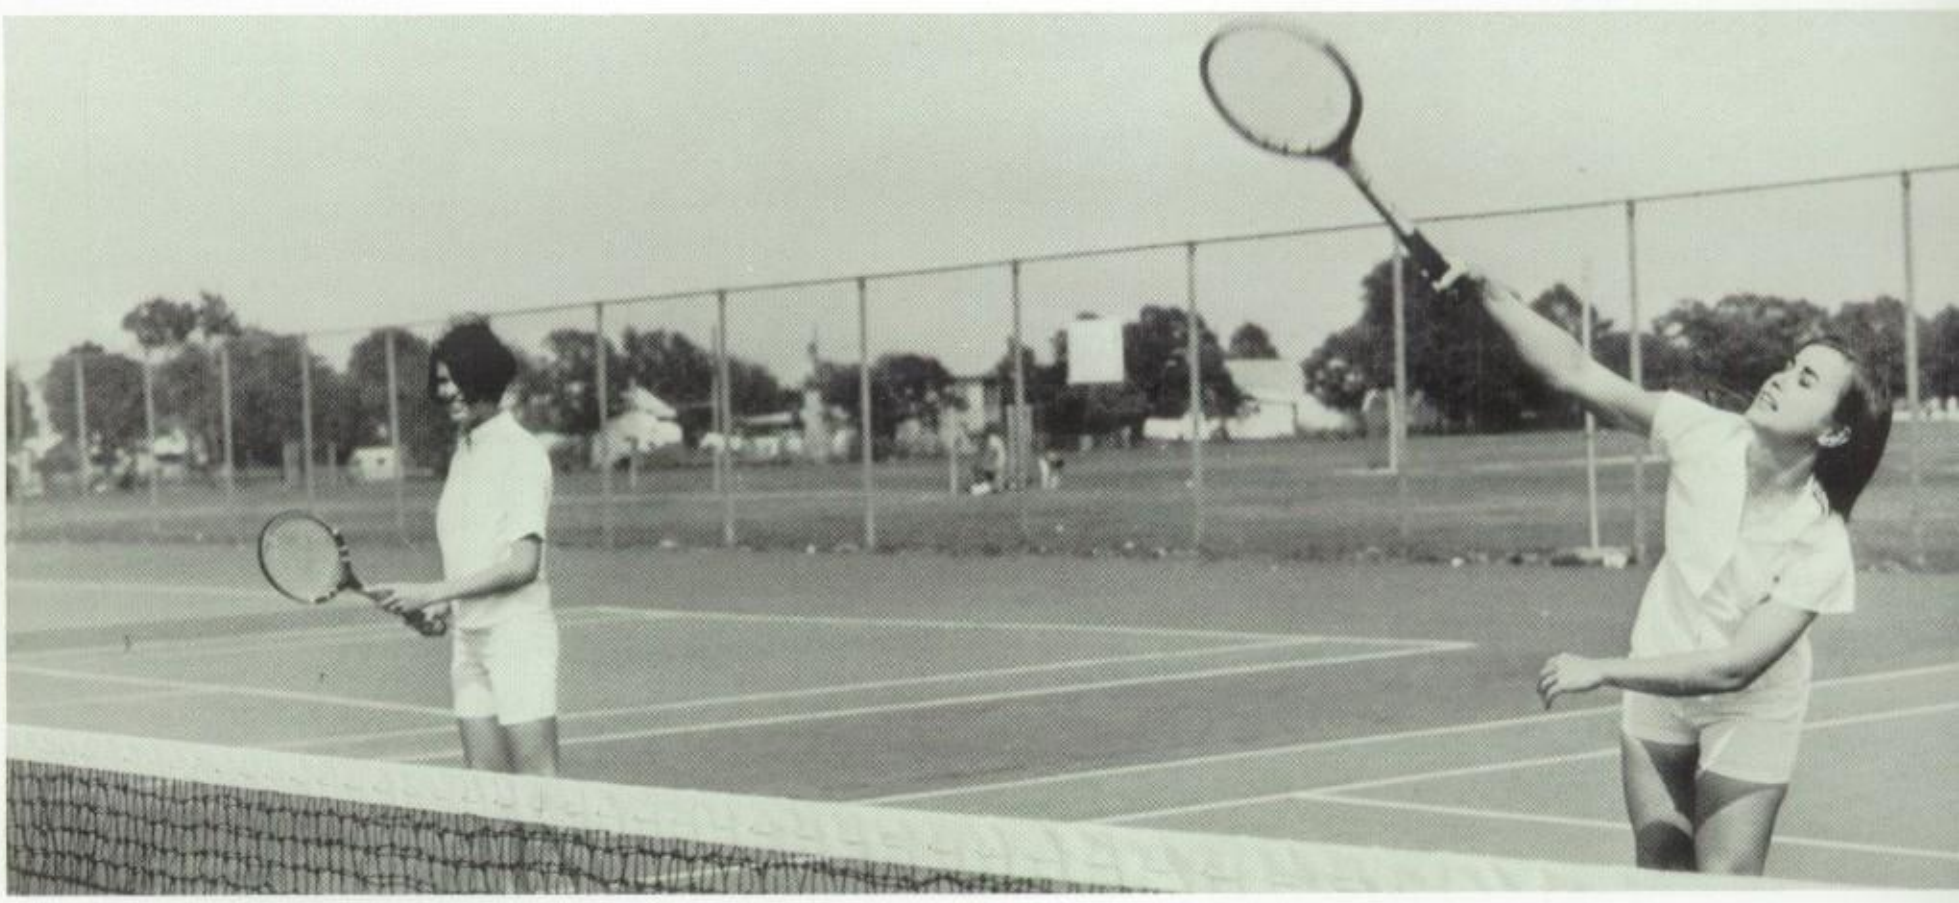
AFTER CLOUTING THE ball to the opponent, this Jacket prepares to retaliate with a backhand.

STOPPED AT THE net before an important match stands the Girls' Tennis Team.

GIRLS' TENNIS TEAM



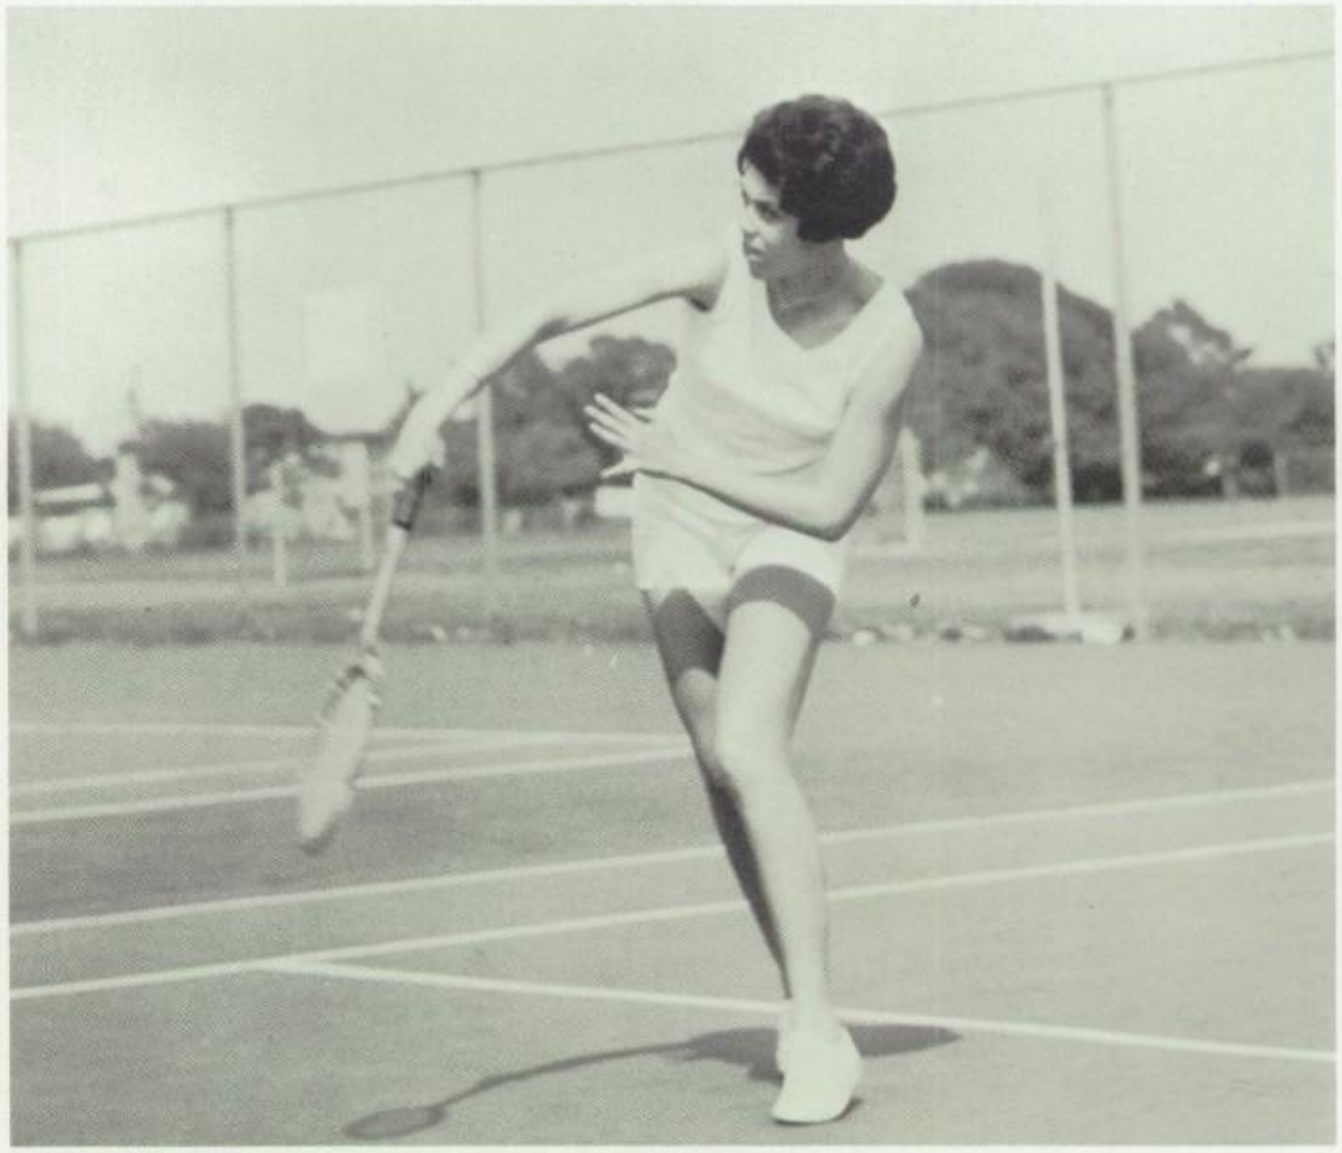
MISS NANCY JAMES has many reasons to be proud of her '67-'68 tennis team, Paula Beard, Kathy Lang, Sue Rogas, L
Hall, and Shirley Roll.



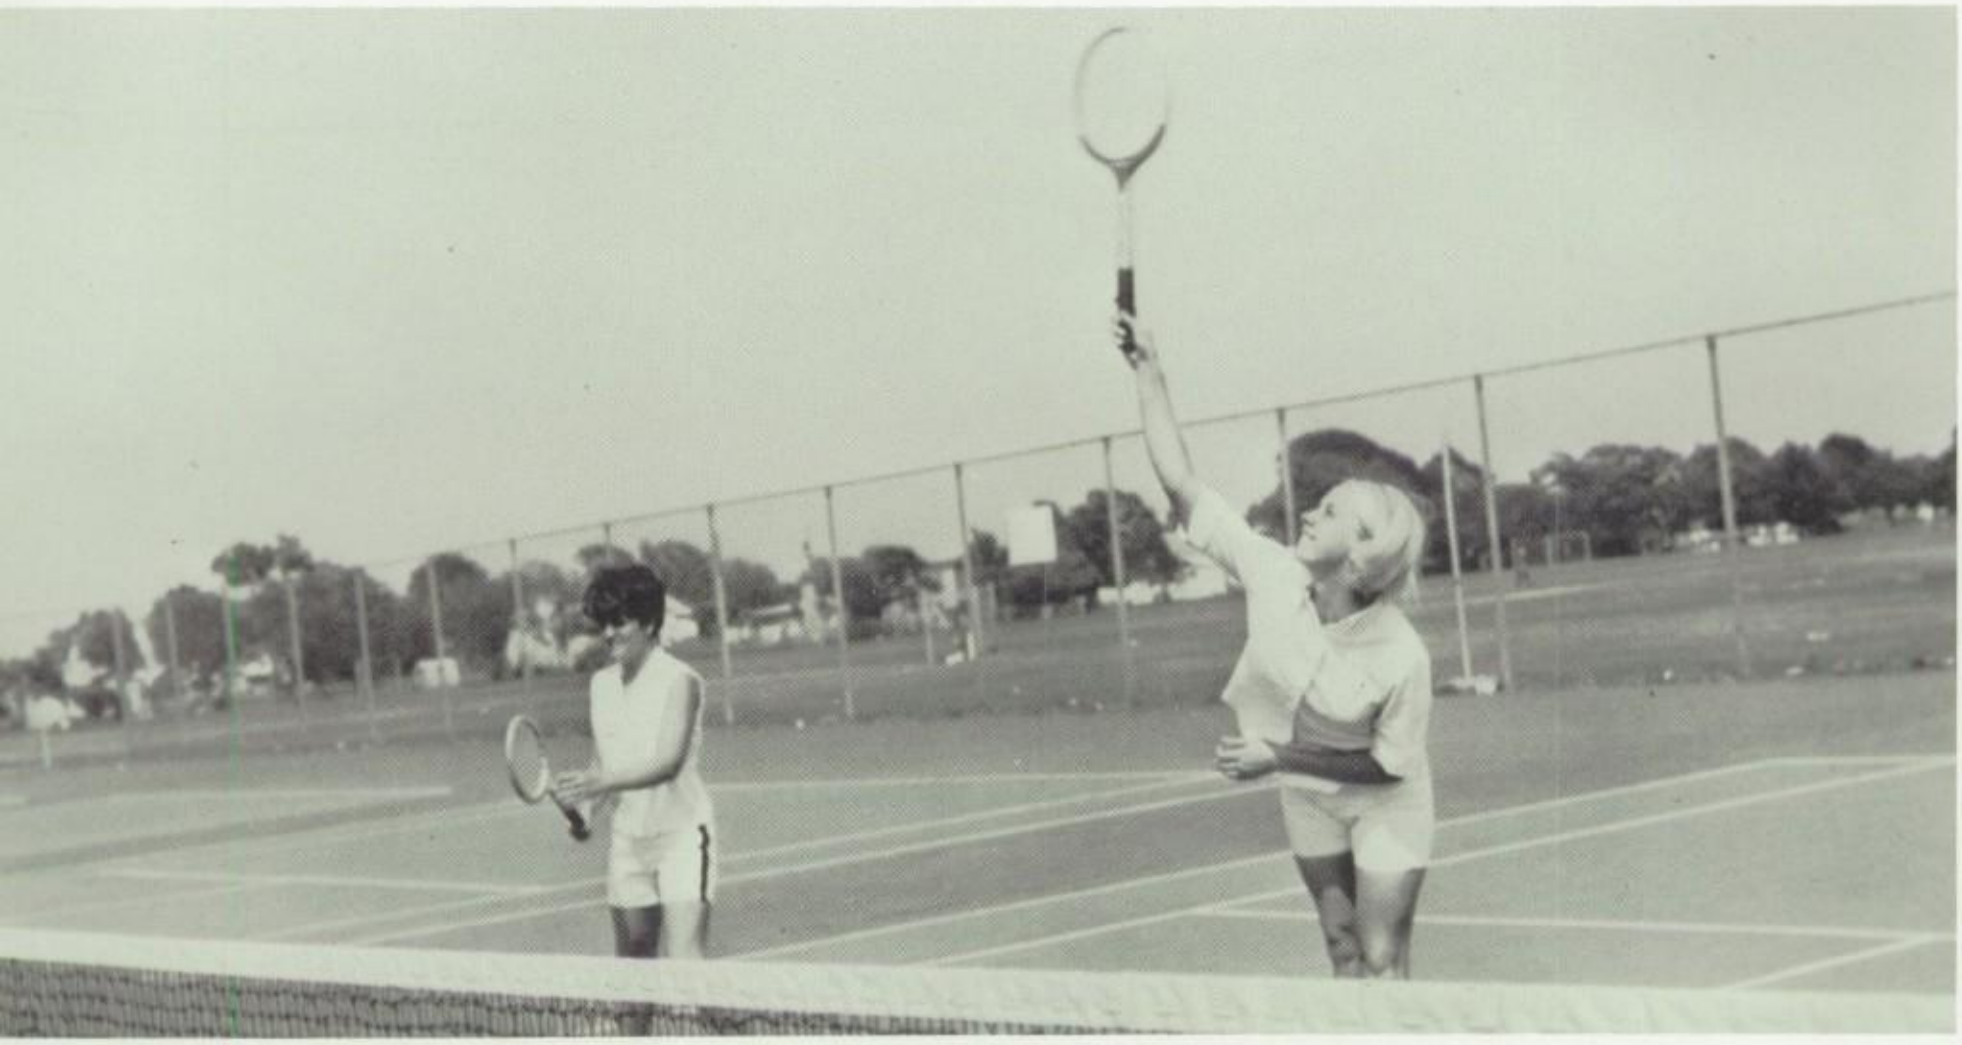
DOUBLES PARTNERS Sue Rogas and Kathy Lang were on the tennis courts morning, noon, and night.

PARTICIPATE IN TOURNAMENTS

The girls' tennis team, spon-
red by Miss Nancy James,
llowed a rugged schedule this
ar. Everyday after the final bell
d sounded, five girls could be
en on the tennis courts practicing
ligently. Sue Rogas, Kathy Lang,
z Hall, Shirley Roll, and Paula
eard practiced day after day either
n the courts or in the gym pre-
ring for upcoming tournaments.
hey participated in tournaments at
irwin and Ball High in Galveston,
outh Park in Beaumont, and the
istrict Meet in Nederland and
ort-Neches Groves.

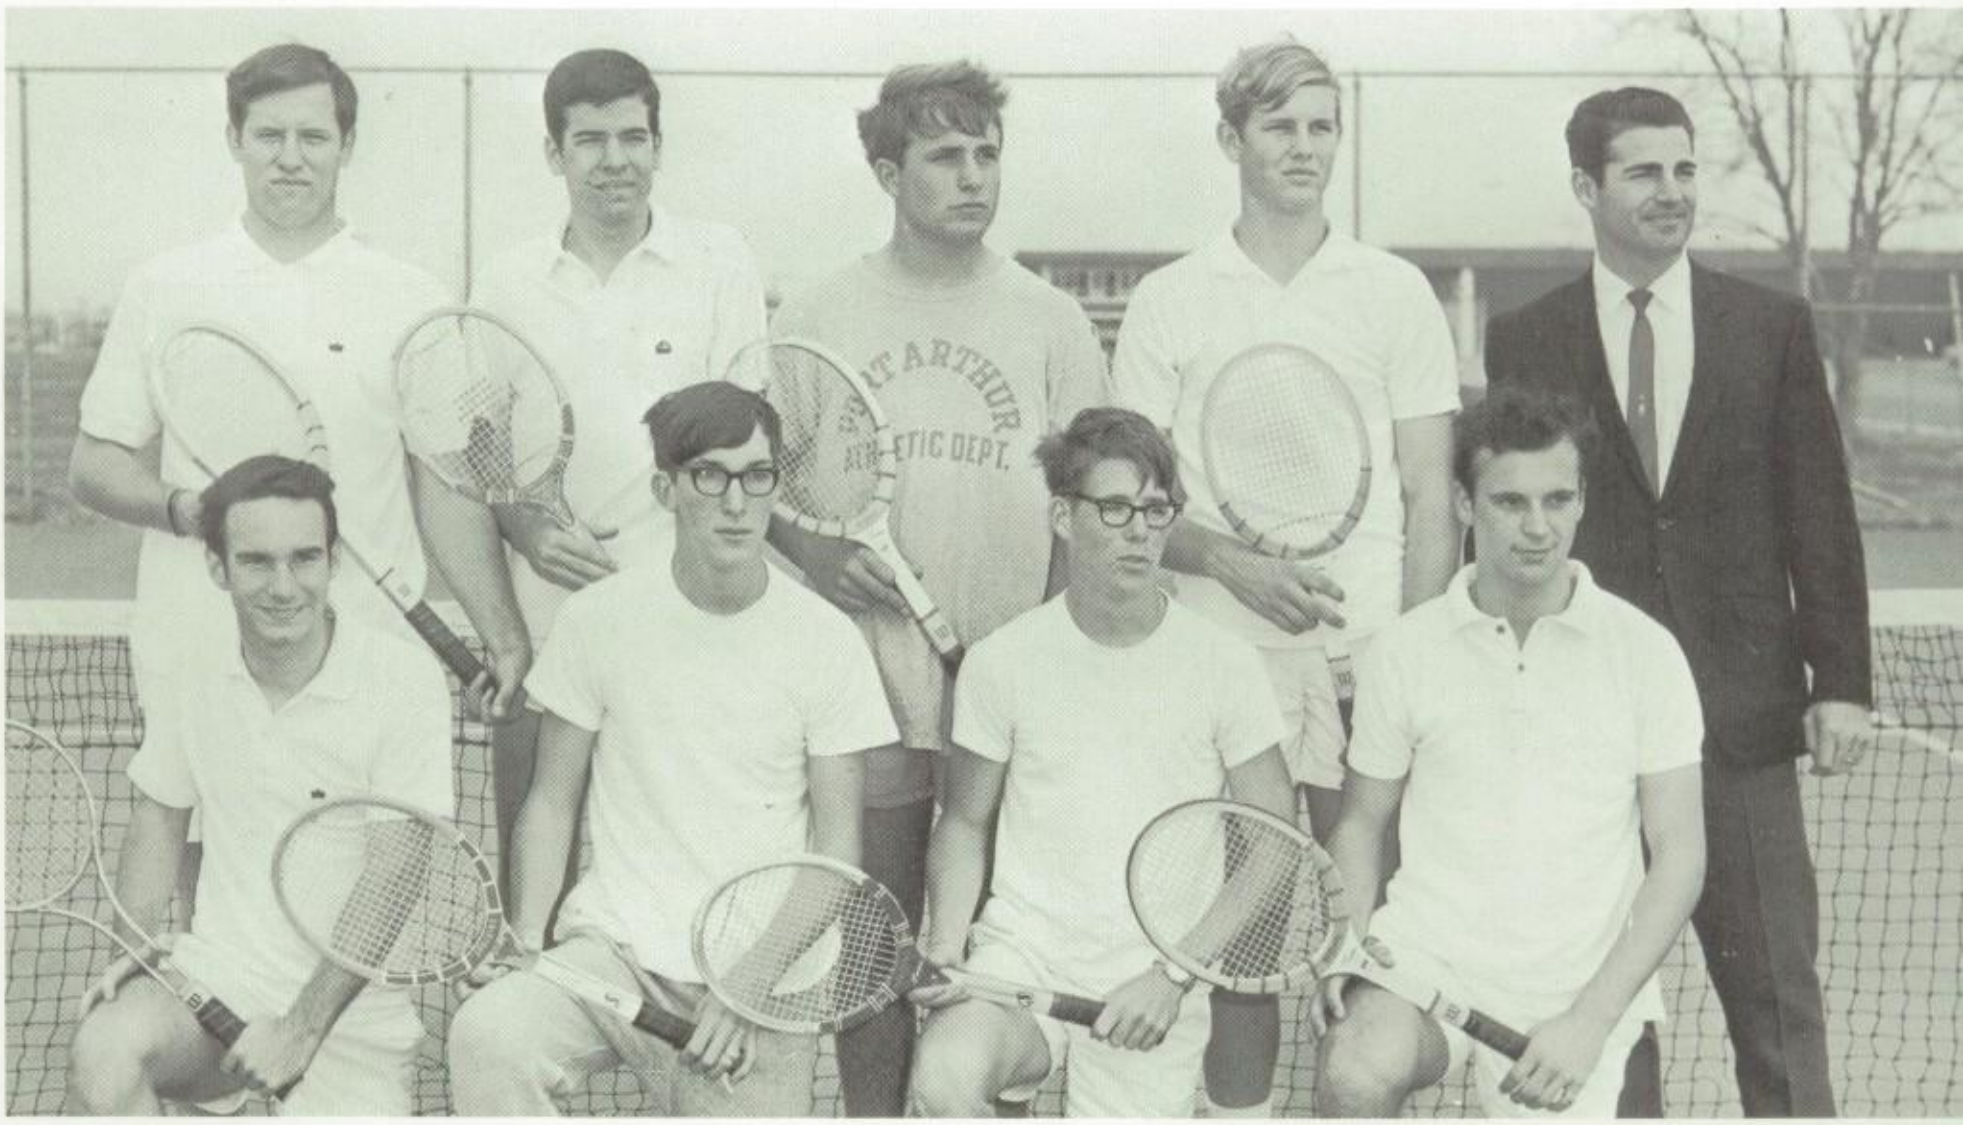


PAULA BEARD, tennis semi-finalist, hits the ball across the net with fighting determination.

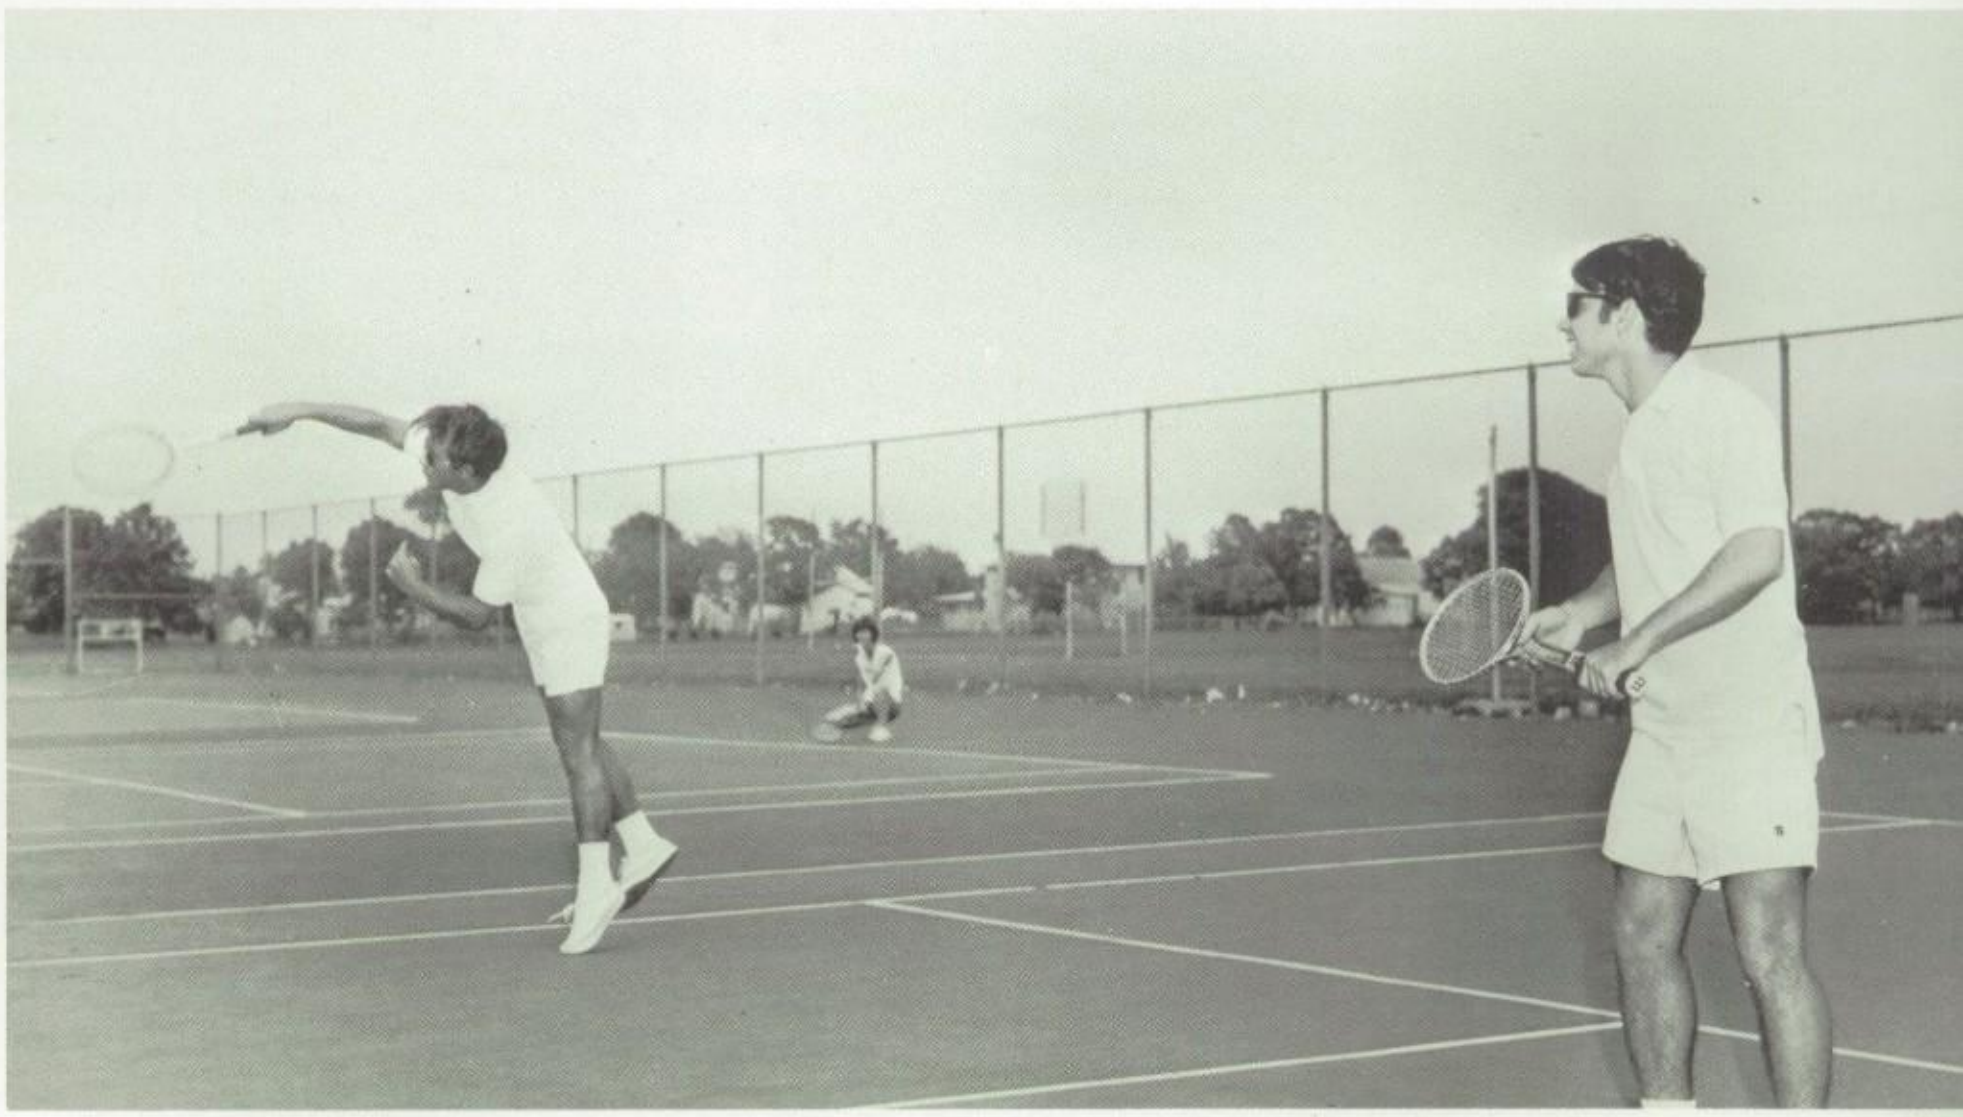


SKILL AND EFFORT WERE THE WINNING combination for Liz Hall and Shirley Roll.

TENNIS TEAM FINISHE

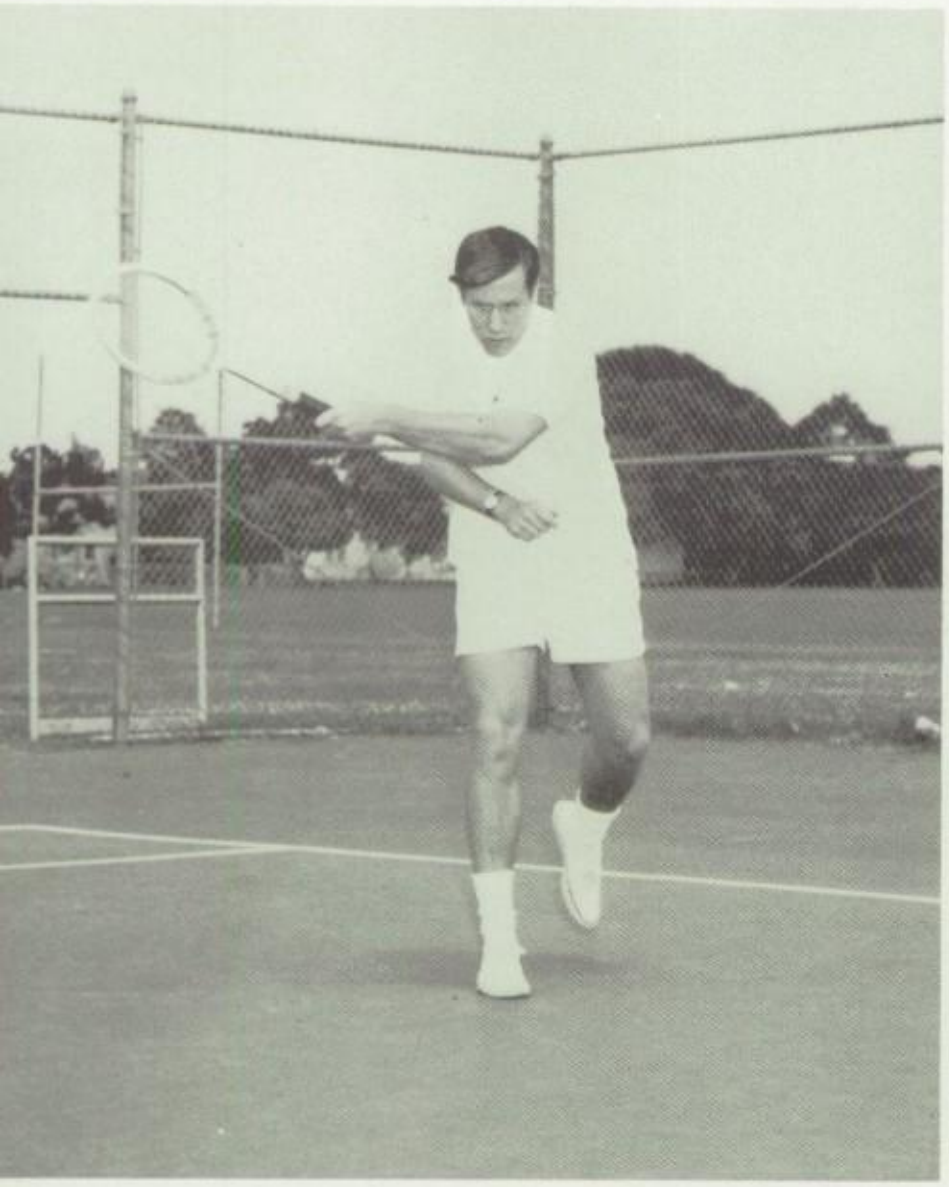


THE 1968 TENNIS TEAM are KNEELING: Randy Drewett, Brian Gary, Jimmy Trahan, and Clifford Daigle. STANDIN
Paul Martin, Rodney Mingle, Pete Huber, Buzzy Bounds, and Mr. Al Hebert.

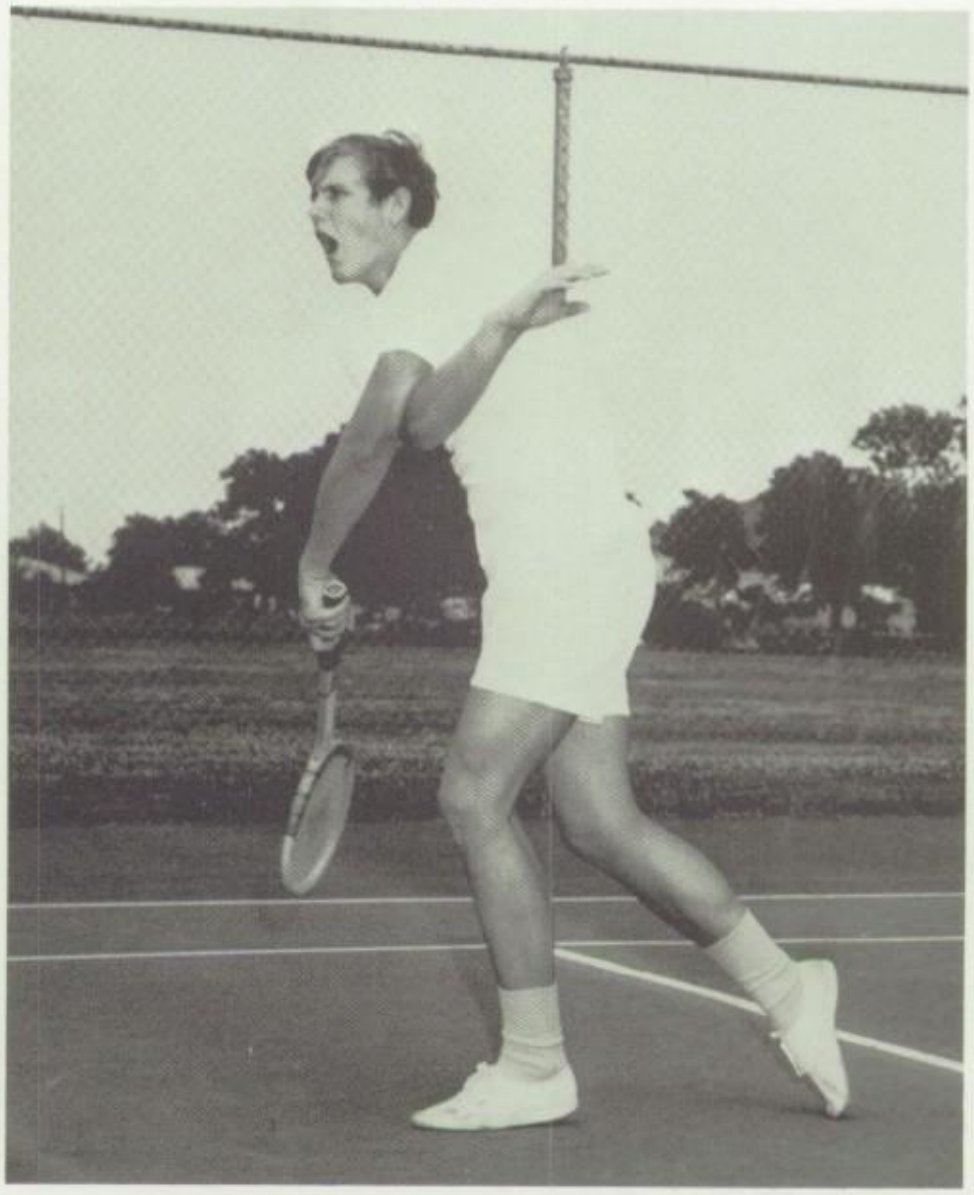


THE NUMBER ONE doubles team swings into action as Pete Huber returns a backhand with Randy Drewett standing by.

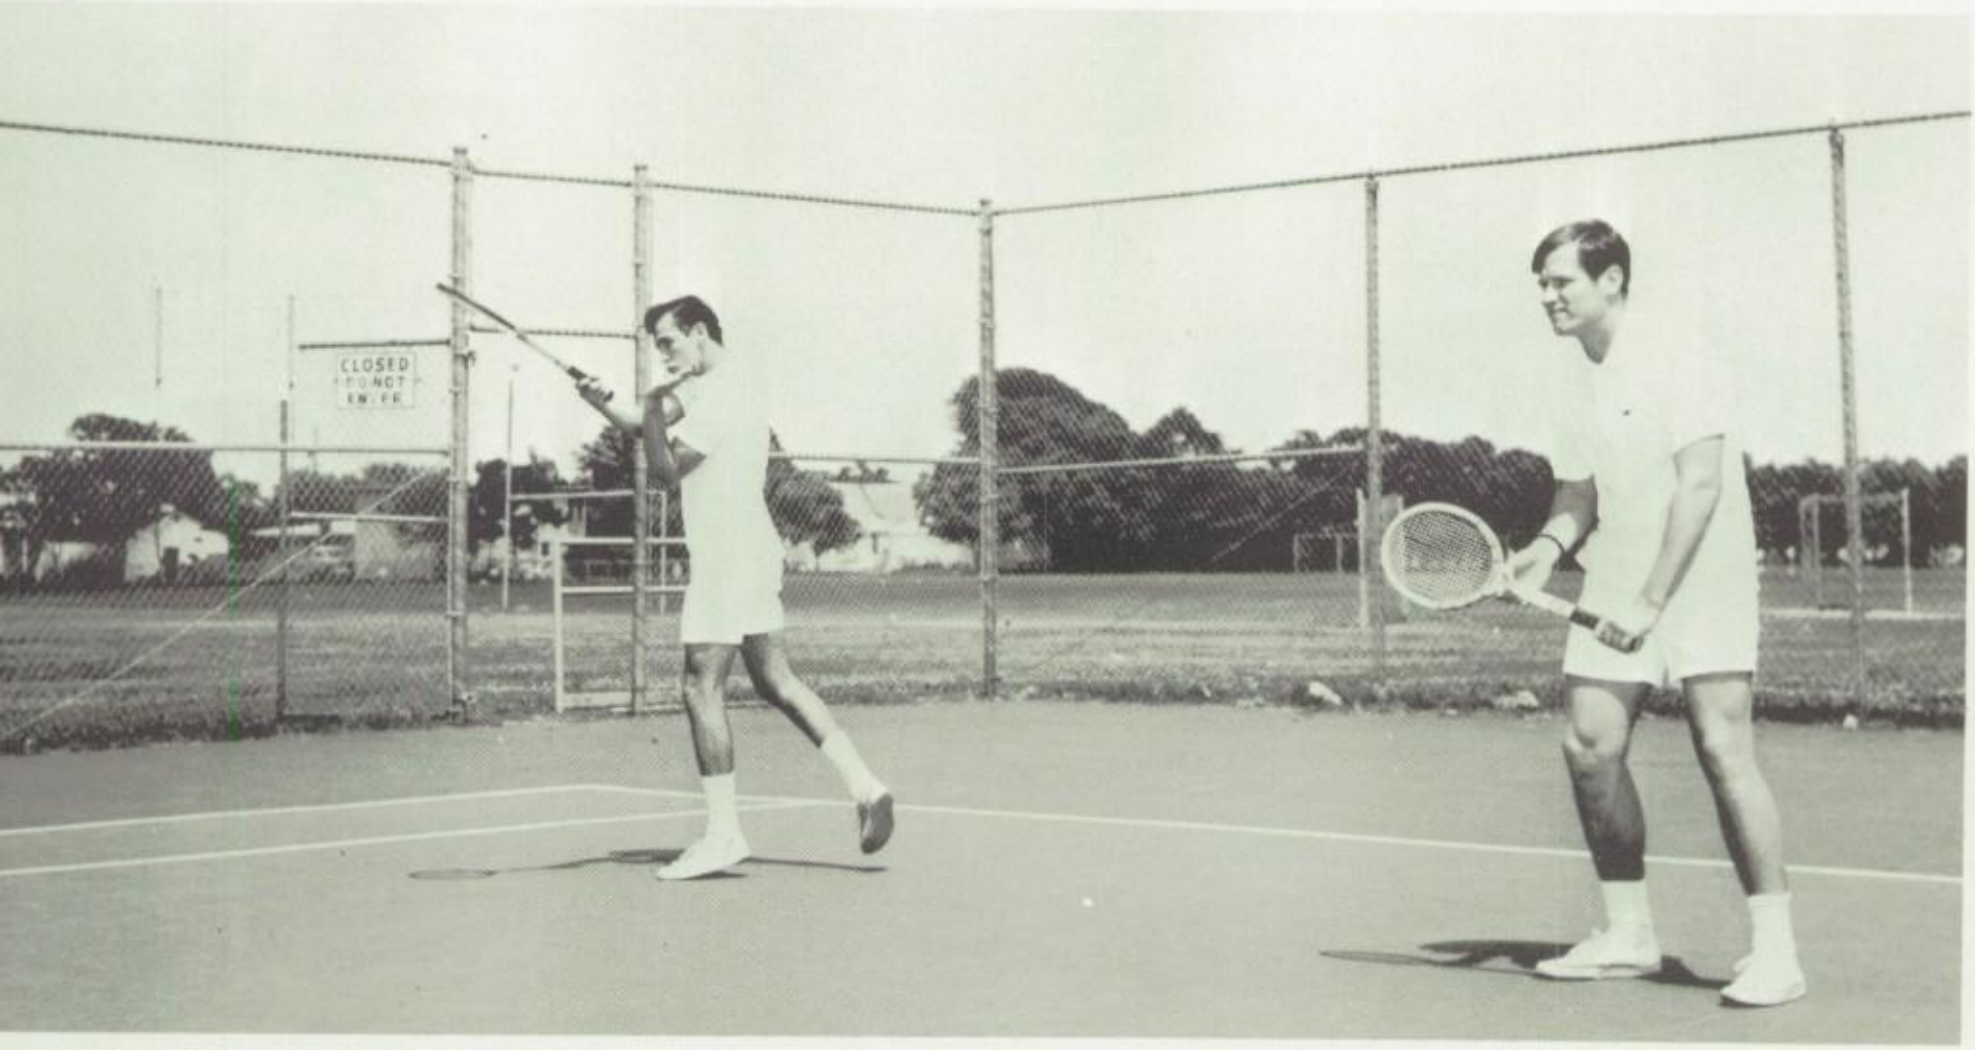
WITH MANY JACKET VICTORIES



EFT HANDED PAUL Martin makes a great back-handed swing s he demonstrates excellent form.



BUZZY BOUNDS SLAMS the ball over the net for a Jacket score.

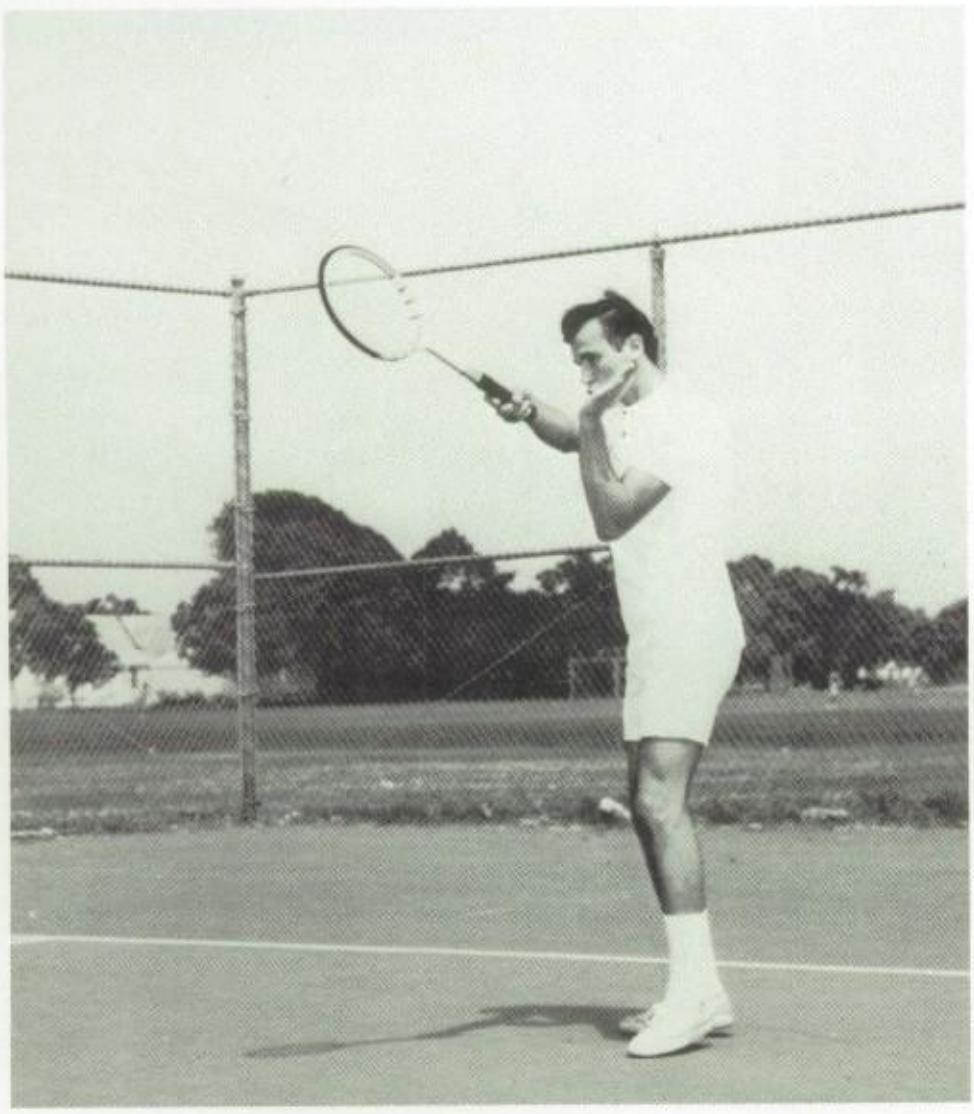


NUMBER TWO DOUBLES, Paul Martin and Clifford Daigle show their winning form as Daigle raps one while Martin backs im up.

PLAYERS ILLUSTRATE STYLE

NUMBER ONE SINGLE player Randy Drewett stretches to make the return.

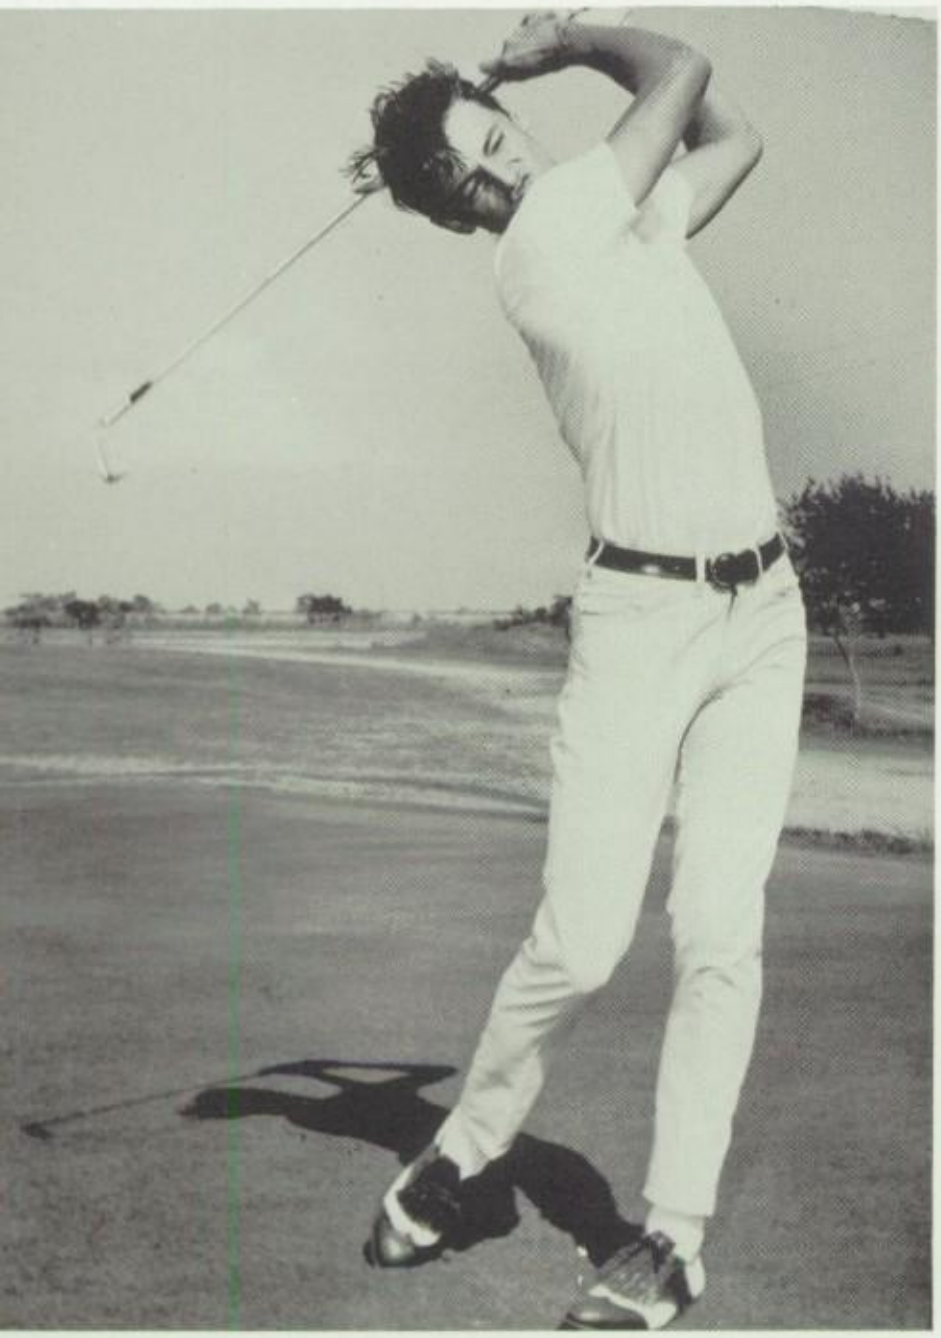
NUMBER TWO SINGLE player Pete Huber completes a fo low through as he slams the ball at his opponent.



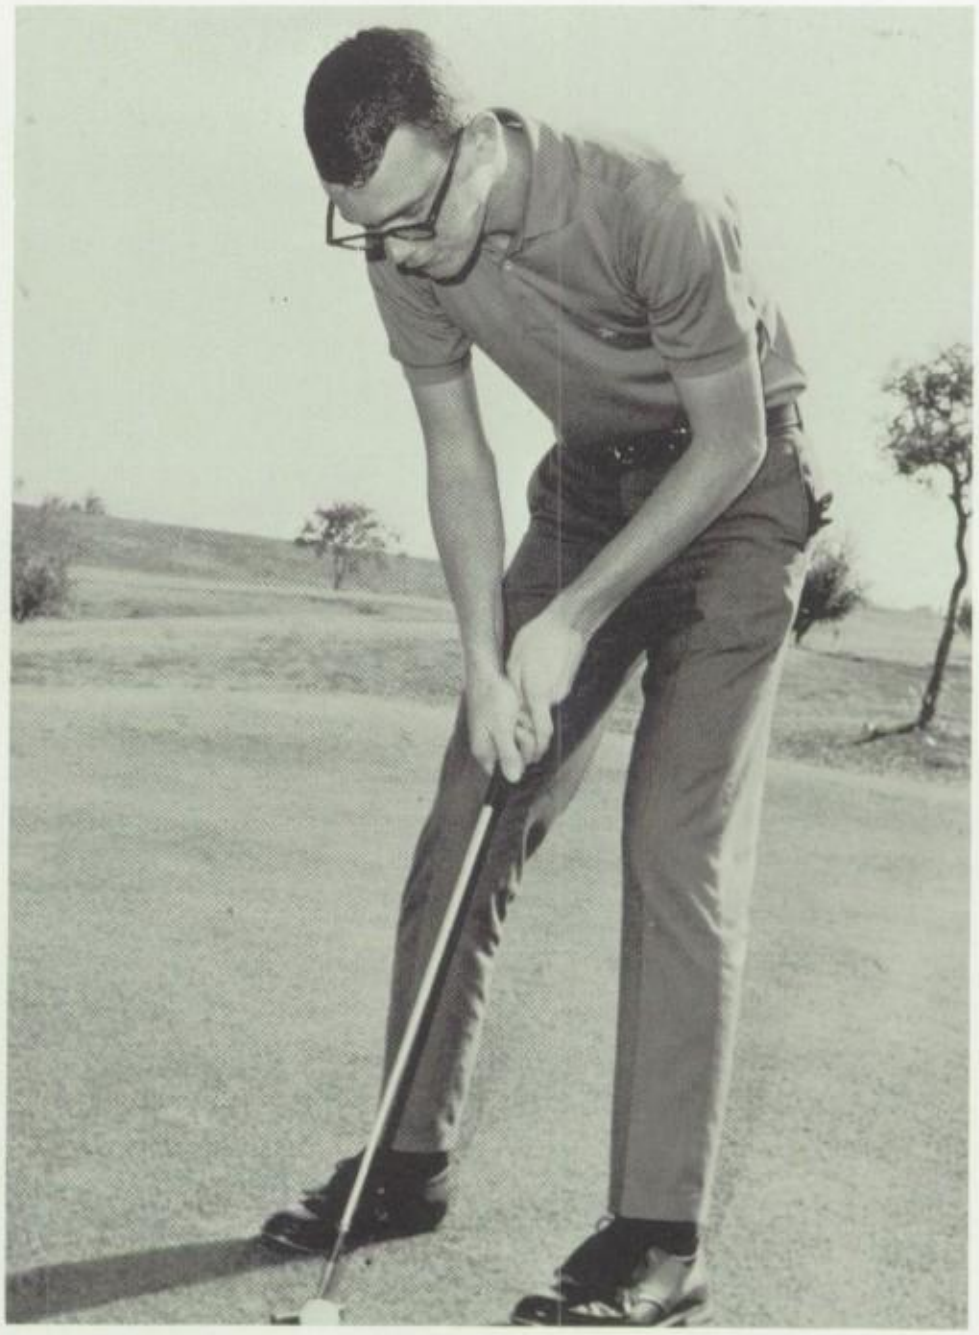
CLIFFORD DAIGLE DRIVES the ball across the net for a needed point in a practice session.

The 1968 Tennis Team compiled a successful seaso as they captured various district and area meets. The tea was coached by Mr. Alfred Hebert. The team finishe with numerous victories, paced by the number one doubl team composed of Randy Drewett and Pete Huber, t number two doubles team with Clifford Daigle and Pa Martin, and the number one single player Randy Dr wett. The team did not reach regional but they ga the others in the area a race of their lives.

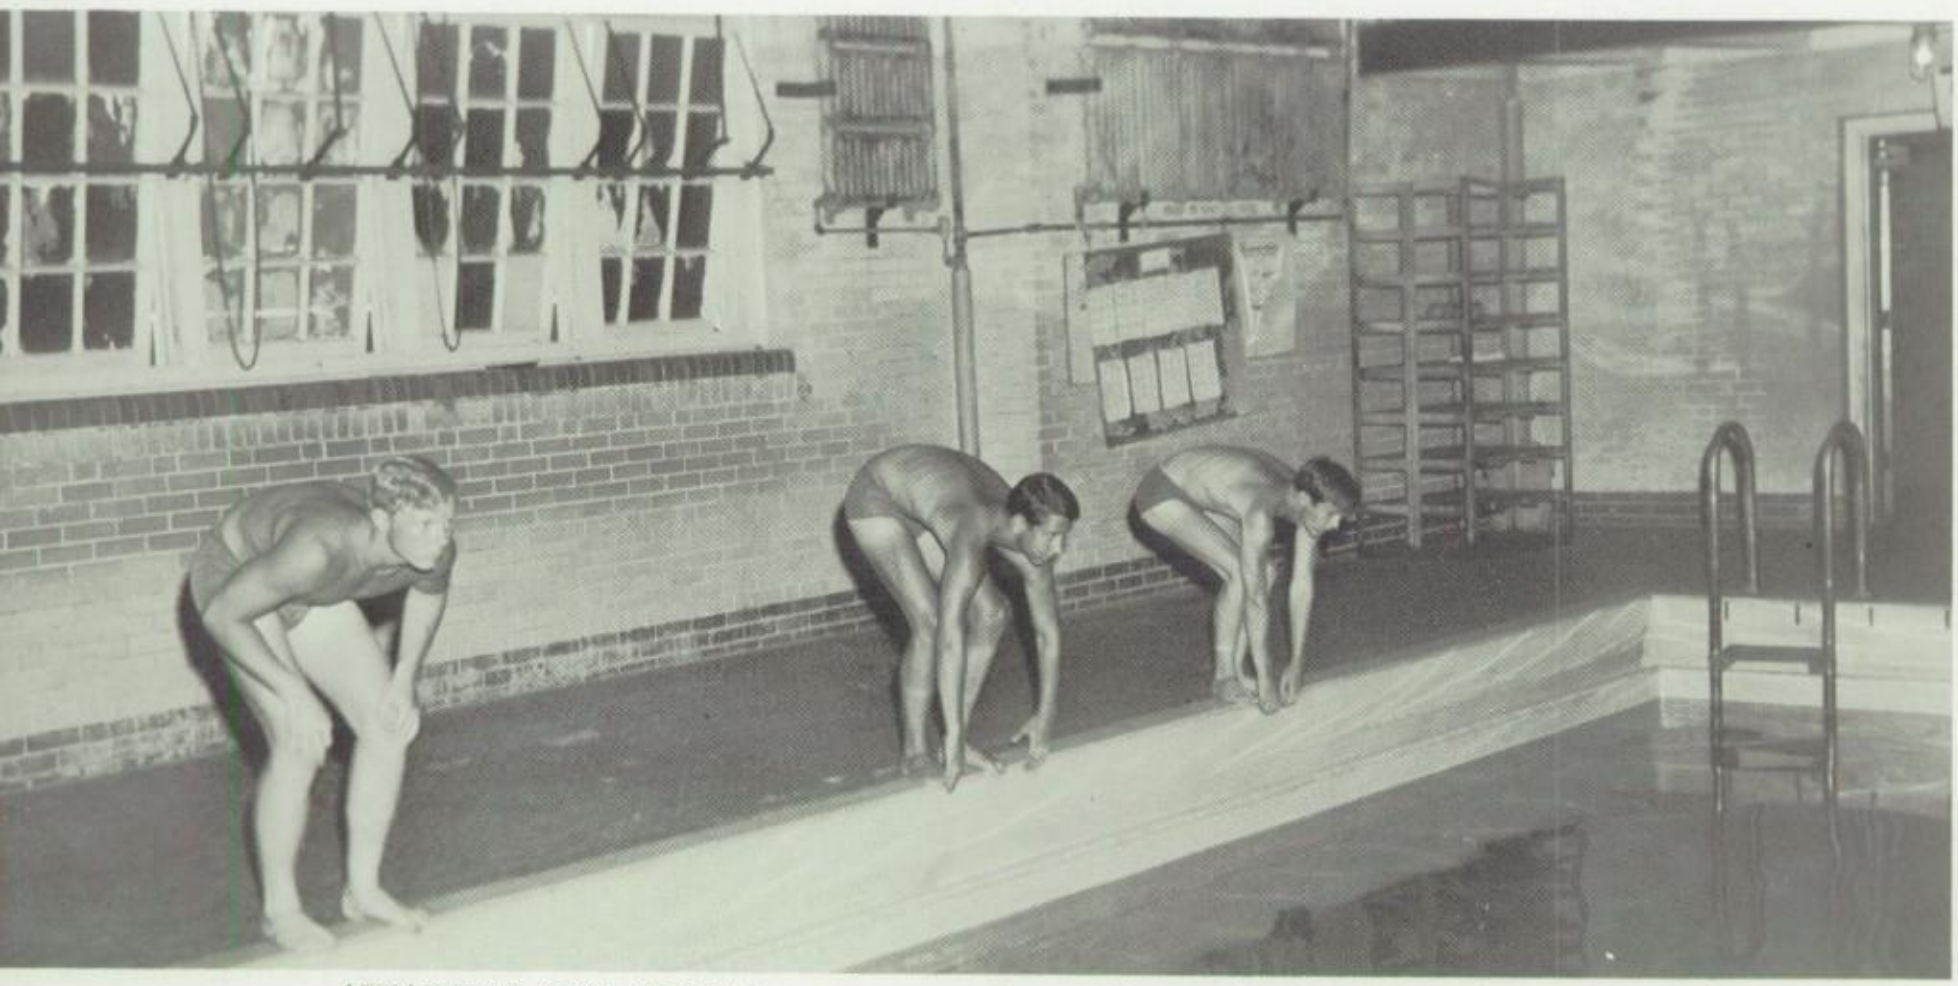
GOLF AND SWIMMING



HE SWING OF the iron placed many balls near the cup r the Jacket golfers.



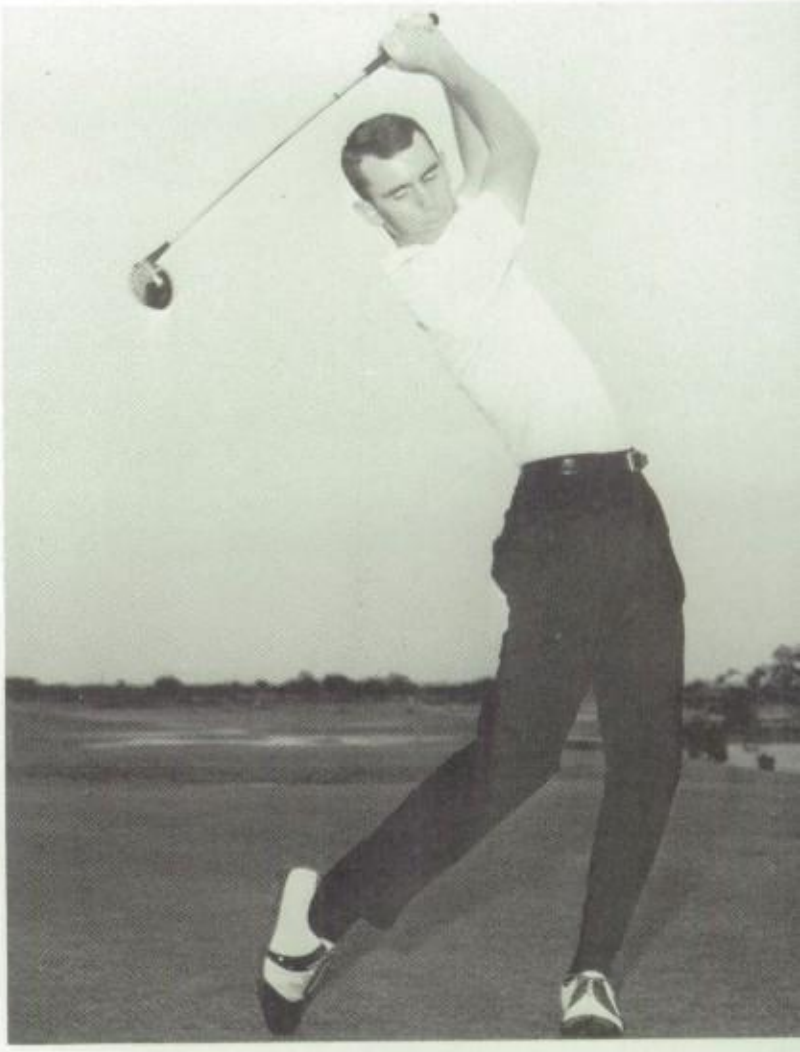
SHARP PUTTING WAS the difference from winning and losing.



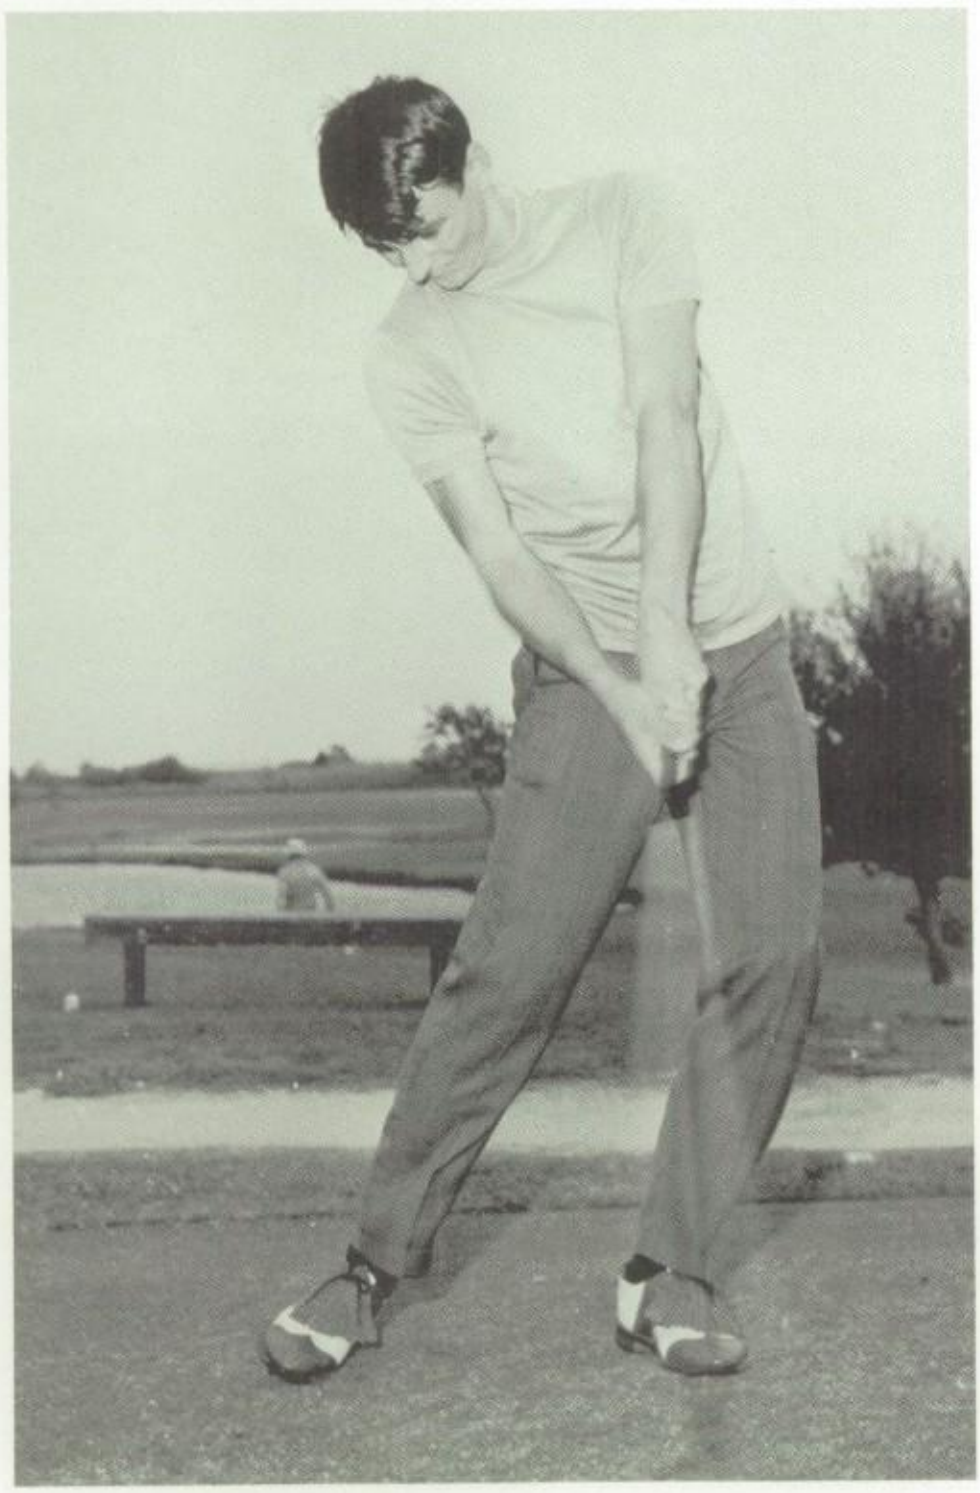
AWAITING THE SIGNAL to start are three Jacket swimmers during a practice meet.

MEMBERS OF LOCAL GOLF TEAM

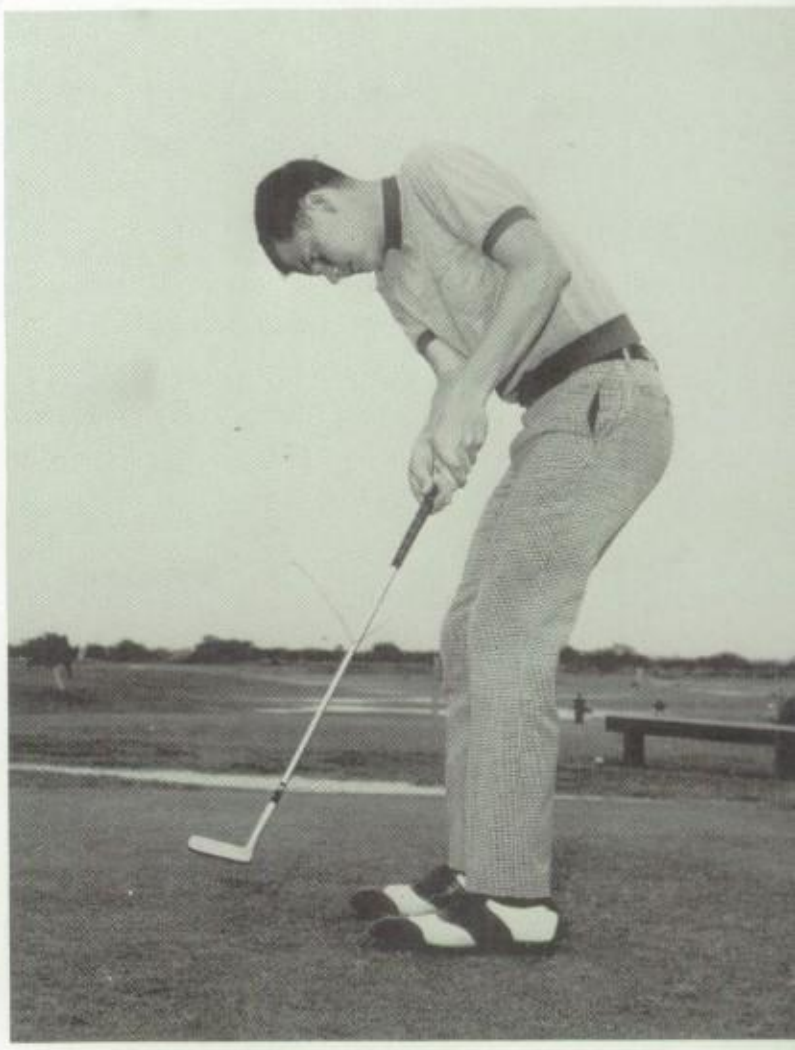
The 67-68 Jacket golf team finished fifth in a tough 11-AAAA district playoff at Tyrell Park, in which the team's four best players were submitted. They competed in six tournaments which included the South Park, Pinewood, Sunset Grove, Galveston, Bryan Invitational and district playoff at Tyrrell Park which gave the Jackets a nasty aftermath due to bad weather in the second nine holes that remained. As long as the golf team plays for sport and competition, there will always be a great team from year to year.



STEVE ROBISON, SENIOR dropped a total of 15 in the District Tournament to set him in lead for th Jackets.



BOB SEWELL, SENIOR, nailed down a 157 for his total in district playoff.



JOHN LOAR, JUNIOR, putts in a 156 in playo at Tyrrell Park.

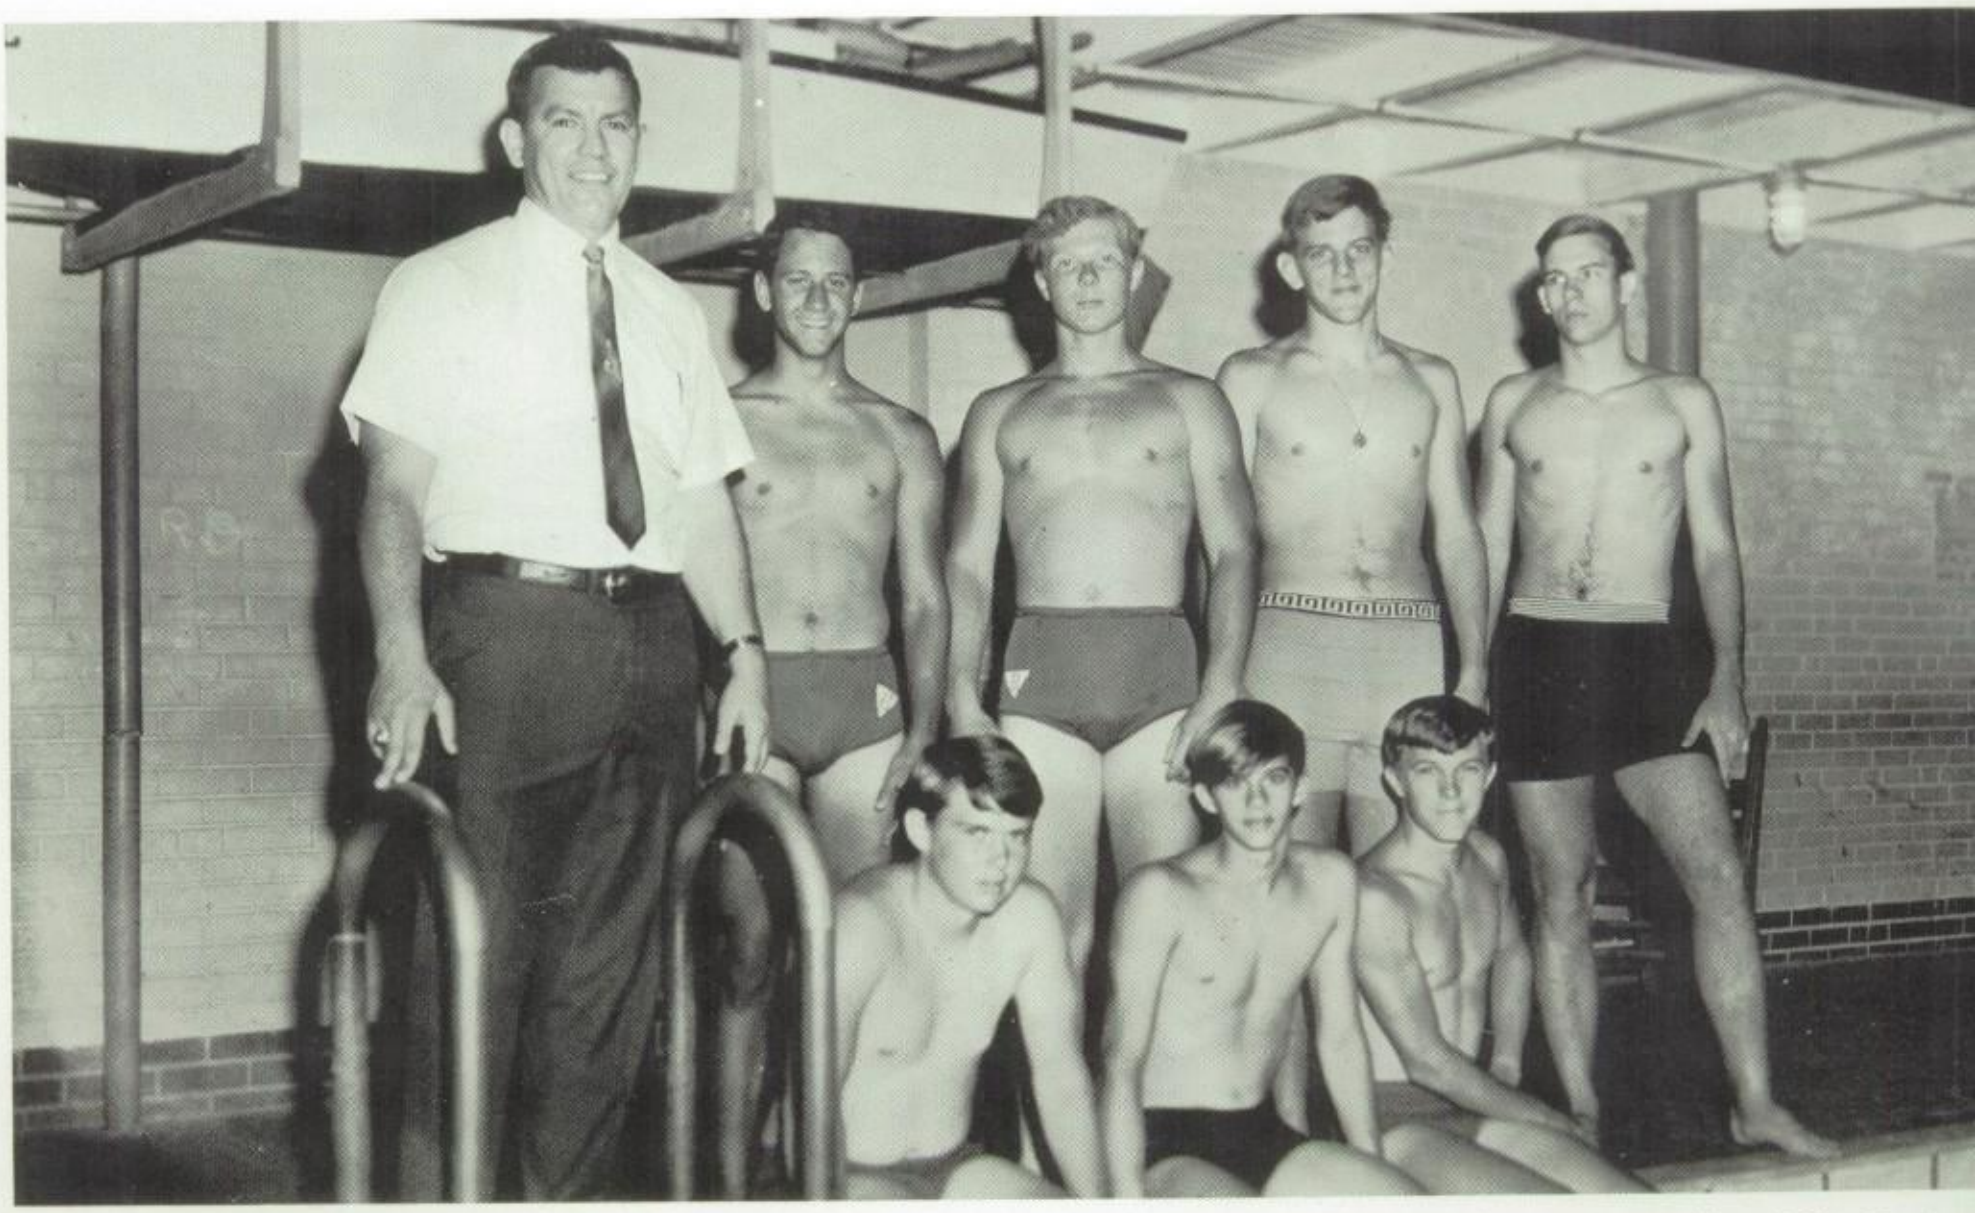
TEE UP A GOOD SEASON

SPONSOR JACK MILLER ends the day with a feeling of success.

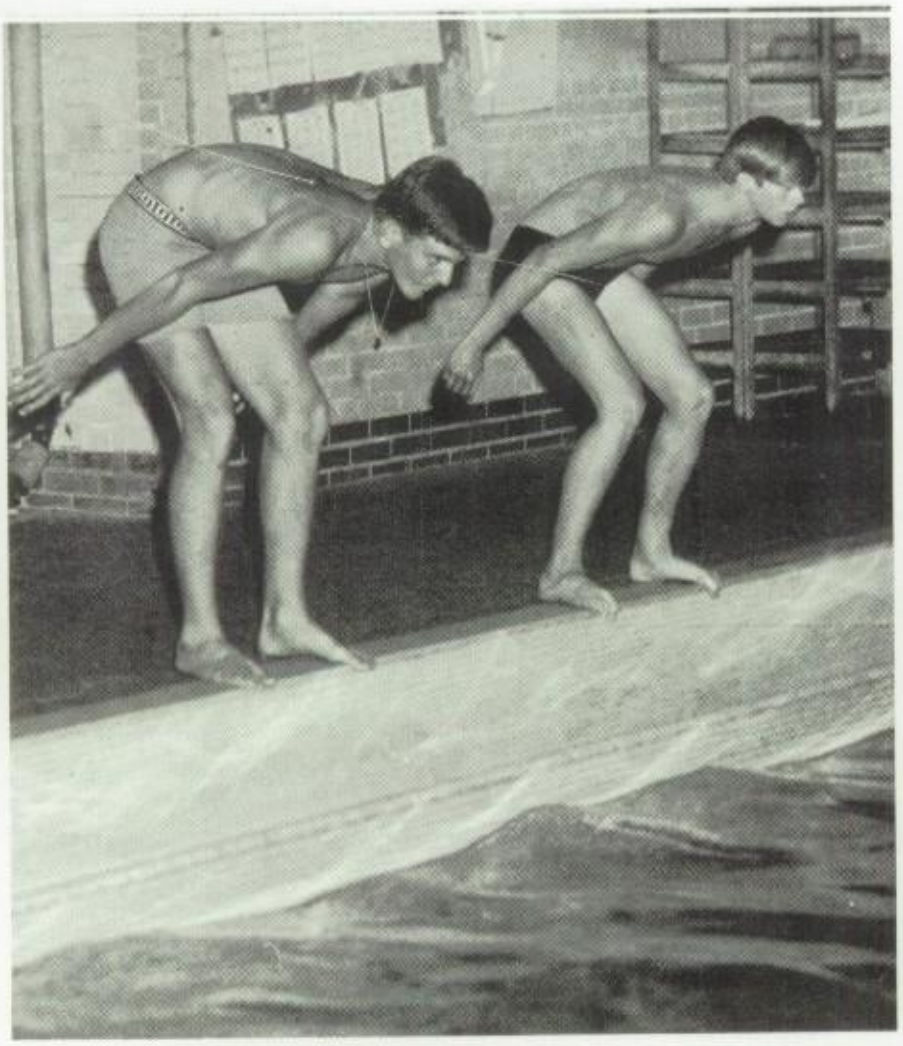
JEFF WILLIAMS, JUNIOR, moved in with a 169 in playoff.

JACKET GOLF TEAM members left to right KNEELING are: Bob Sewell, Steve Robison, Jeff Williams, John Loar. TOP ROW: Mike Shepherd, Gary Whittredge, Bobby Isaac, Justin D'Abadie, Kyle Bergeron, Ken Cox, and Robby Sharpless.

SWIMMERS VICTORIOUS



THE 1968 SWIMMING team composed of STANDING: Coach Rouel Rothenberger, Craig Stoker, Peter Walther, Mike Lapham and David Lapham. SEATED: Charlie Temple, Pat Robertson, and Craig Wallentine.

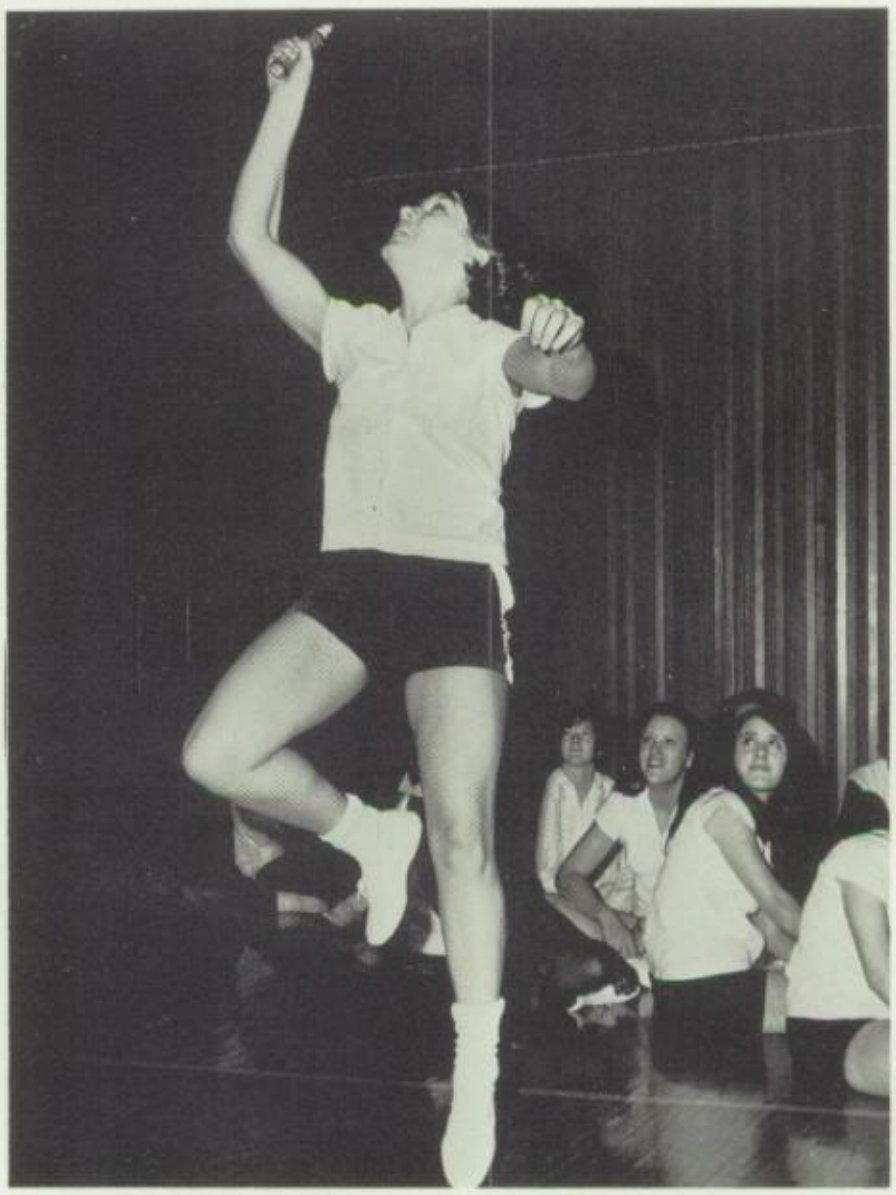


PAT ROBERTSON AND Mike Lapham prepare to hit the water in a practice meet.

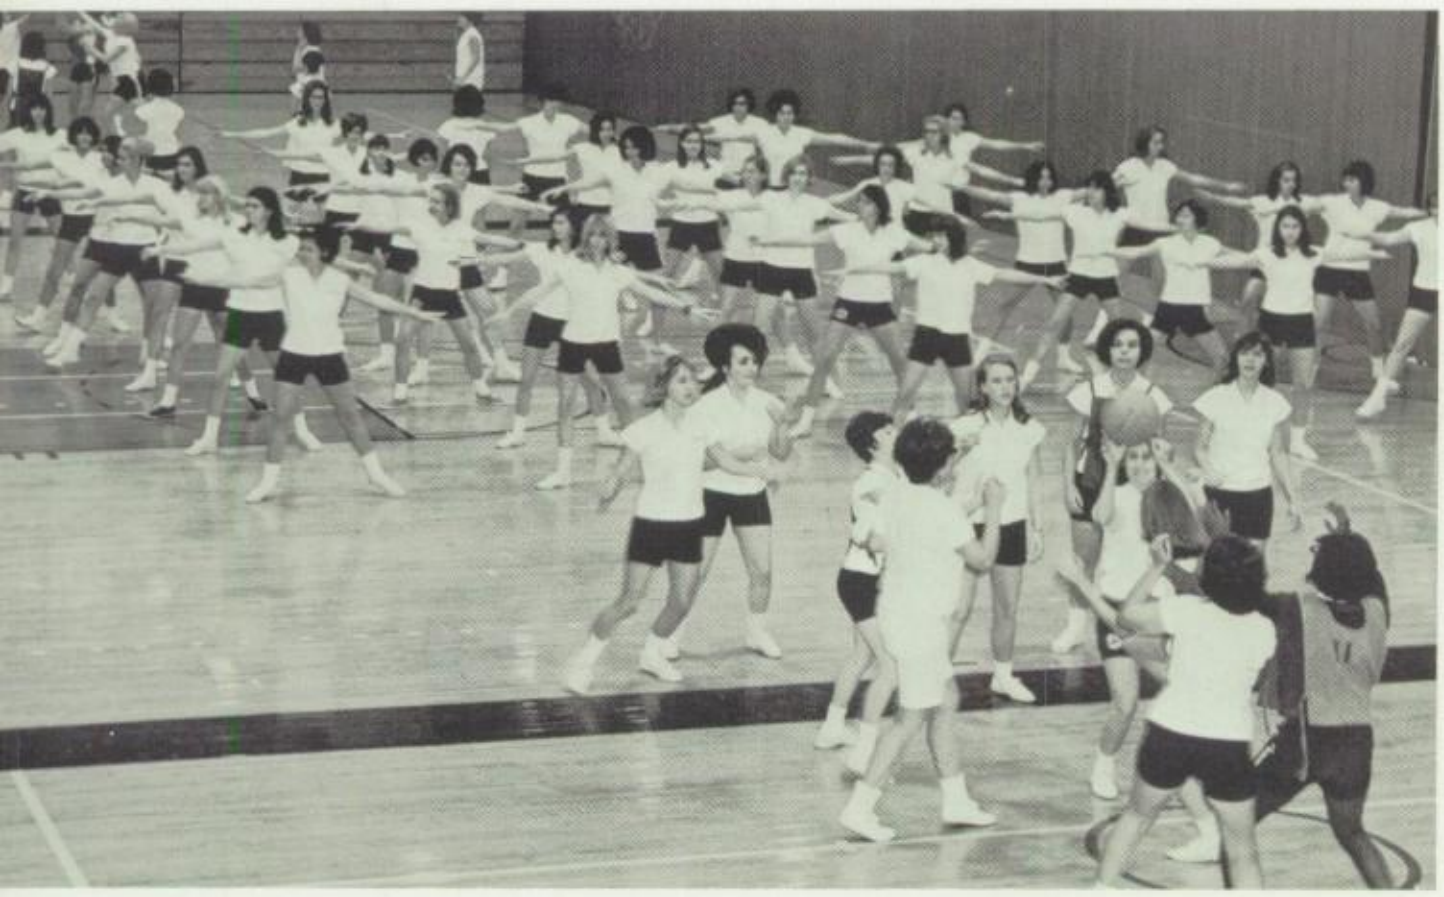
AT THE SOUND of the whistle the team hits the water.

GIRLS' SPORTS

HESE LETTER GIRL officers provided all GRA members with a ried sports program.

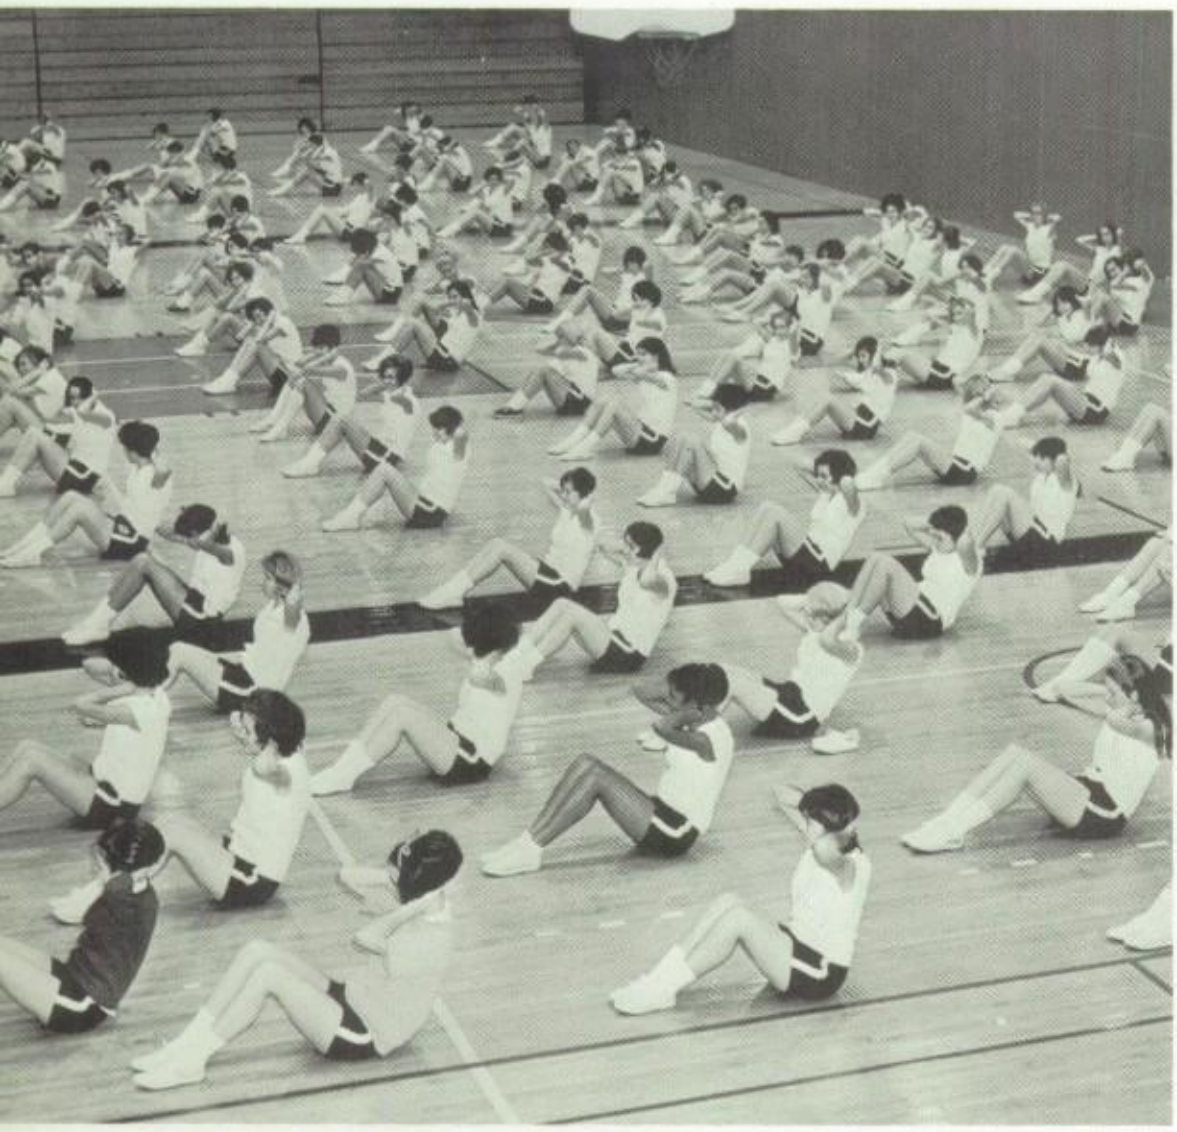


BADMINTON IS A FAVORITE, fast game.



RAINY DAYS AT TJ saw the gym crowded with various activities.

SPORTS PROGRAM INCLUDES



CLASSES IN SIXTH period gym show the "female" way of doing sit-ups.

DEBBIE FEEMSTER TRIES to remember what Mis Bertha Hebert said about archery. "It sometimes help to hit the target if you load the arrow properly."

SHELLY DETTMAN PASSES th ball to Camille Messina as the participate in the exciting game o flag football taught by Mrs. Jean ette Moyer.

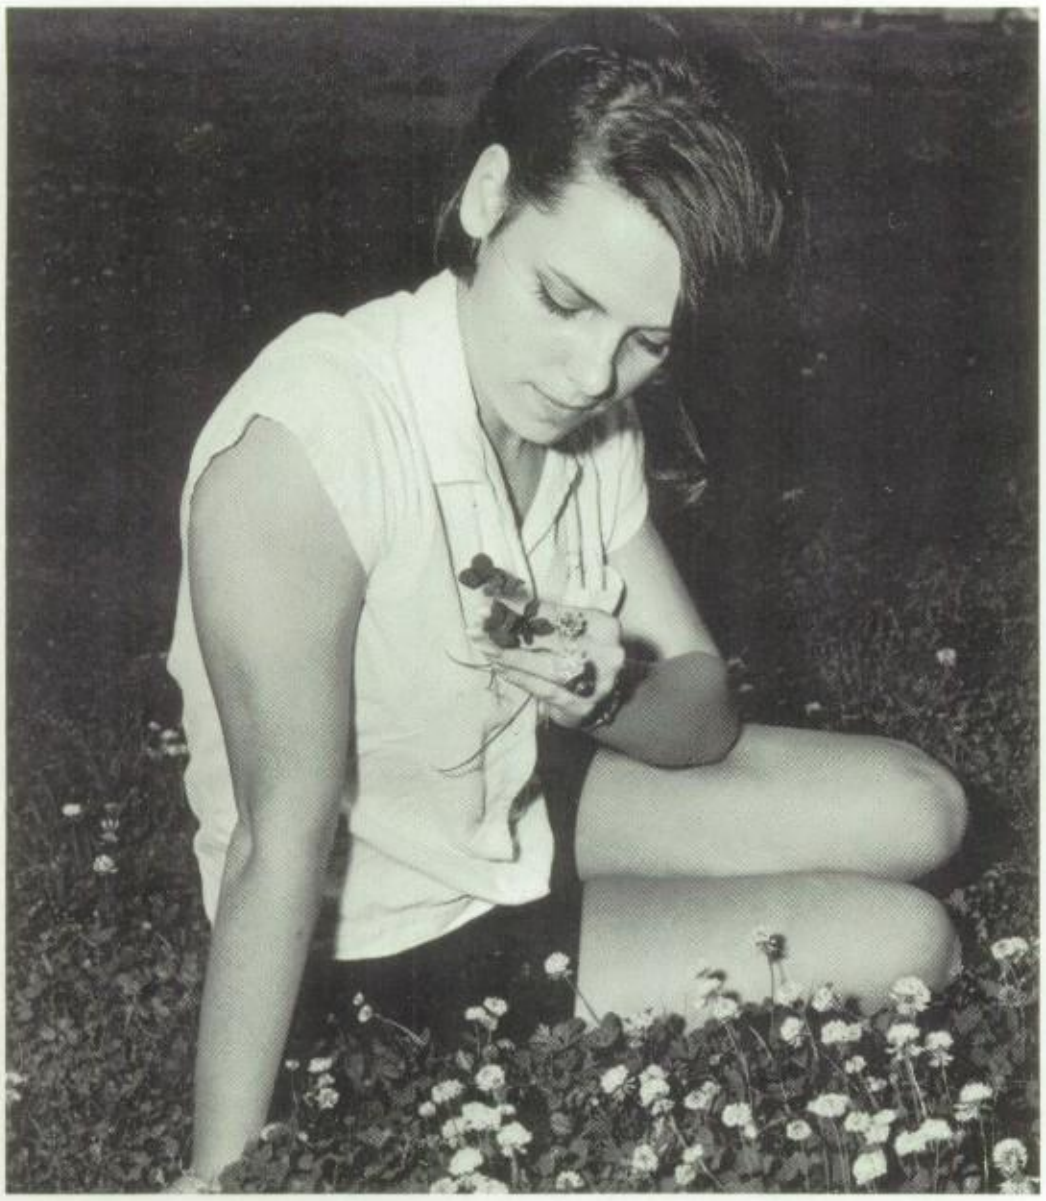
OMETHING FOR EVERYONE

AFTER WEEKS OF work, she finally got it up—now what will they do?

HAPPINESS IS FINDING a way to get out of class. Nikki Broussard did it the hard way by breaking her ankle while doing the POLKA.

"WHILE OTHERS PLAY, we wait our turn."

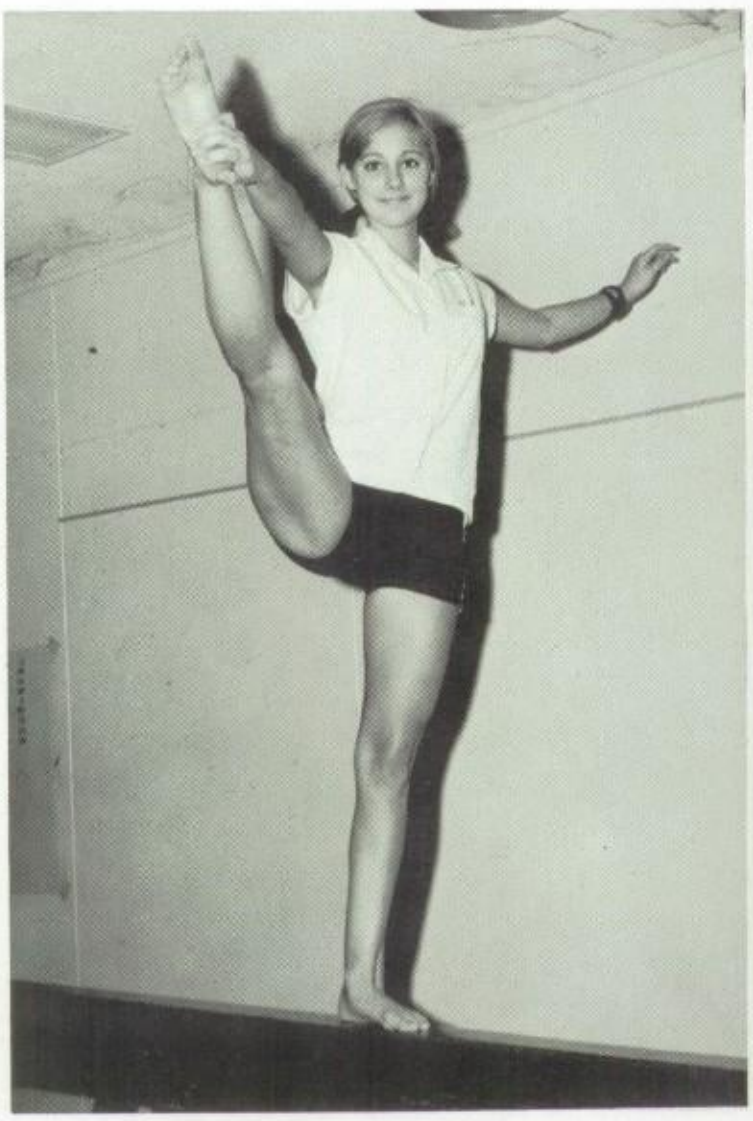
PHYSICAL EDUCATION OFFER

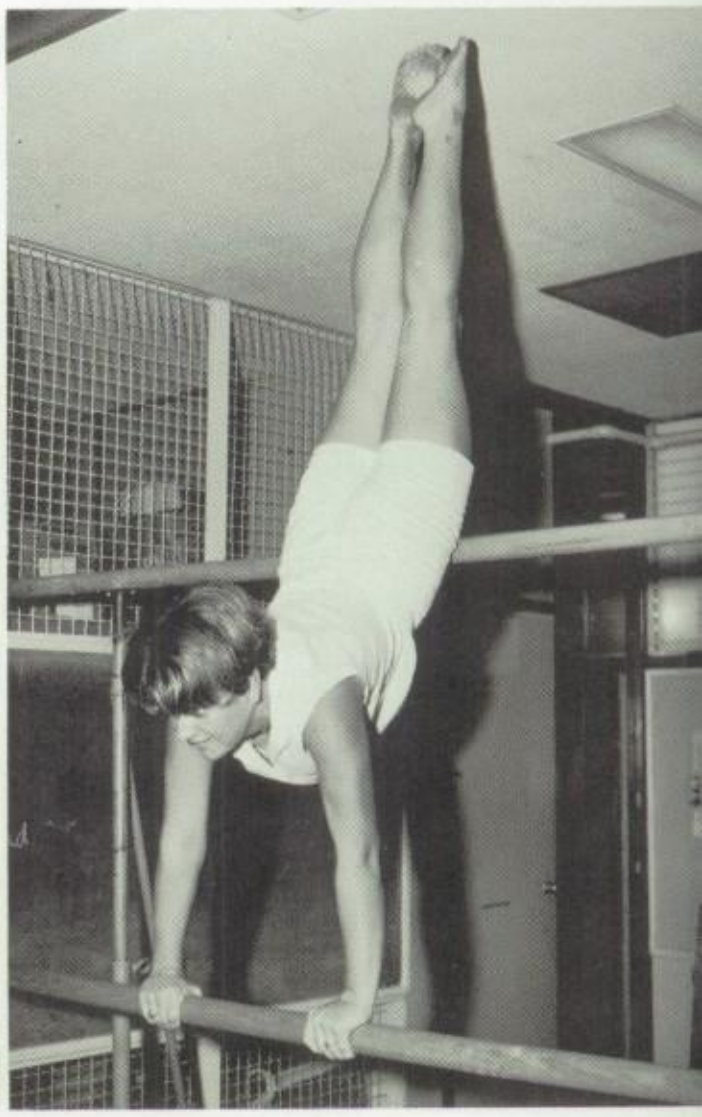


PATSY PULLEN TAKES advantage of the first signs of spring. Symbols of good luck are always welcome.

FOLK DANCING IS a time for rhyth
Carole Olivier has SOUL!

"THEY SAID IT couldn't be done!" But feet go ceiling high as Gretchen Leuders and Liz Hall perform on the balance beam and parallel bars.



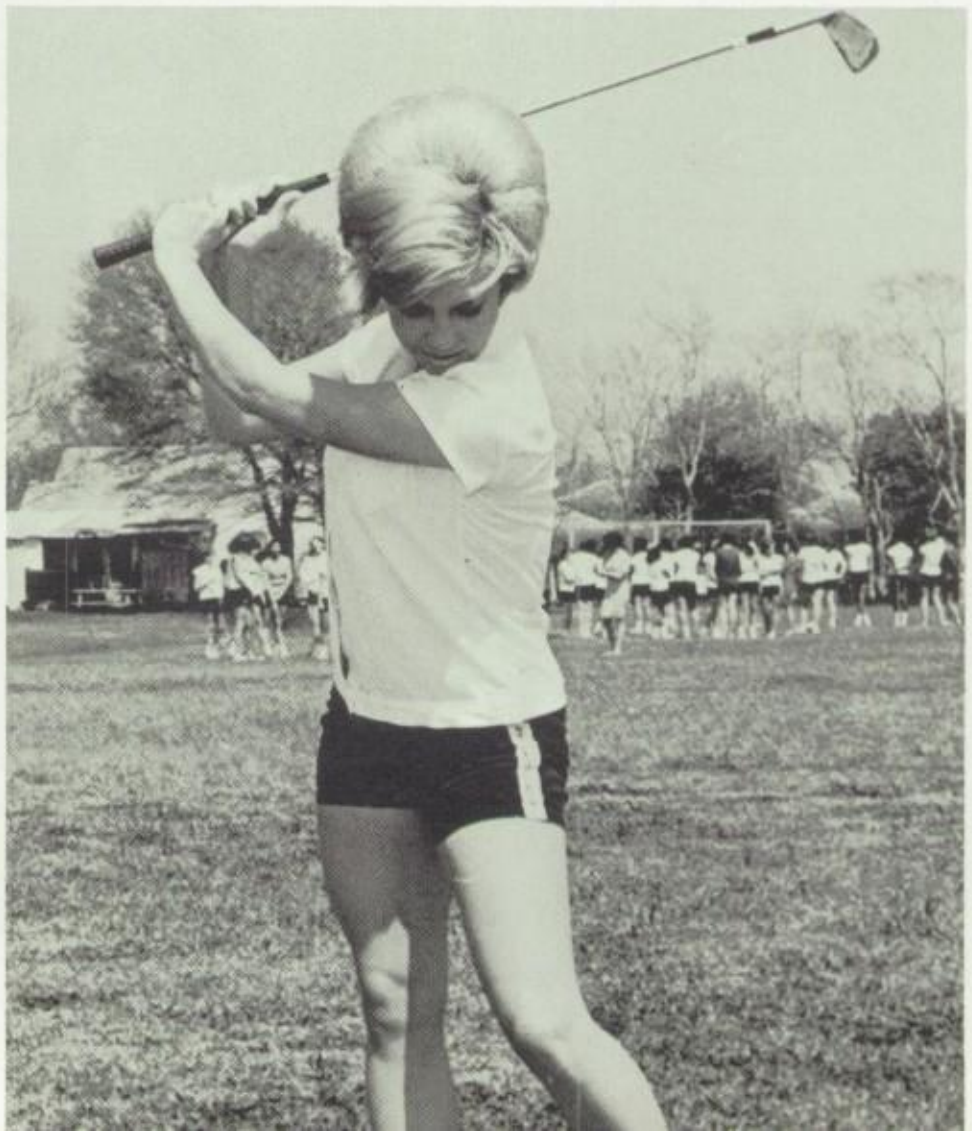


GIRLS EXCITING ACTIVITIES

MAY NOT be legal, but it is a sure way to make a basket!

"KEEP YOUR EYE on the birdie." Barbara Griffin never lets it out of her sight as she participates in the game of Badminton.

"IF ONE DOES not succeed try, try again." Sherry Donaldson shows good form in the effort.



GIRLS' PE CLASSES PROV

She has the "hang" of it . . .

SWORDS GO UP as the adapted class completes one of the many dances taught by Miss Nancy McClain.

BEFORE CLASS BEGINS is the perfect time for gossip in the g dressing room.

PHYSICAL FITNESS VITAL

"She walks in beauty . . . " She also sits and stands beautifully, if she wishes to be Posture Queen. A total of 200 girls competed for honors and GRA points in the annual Posture Queen Contest. Judges Mrs. Jo Ann Carver, Miss Mable Baker, and Miss Jane Wahrmund narrowed the choice to 20 from each of three classes. Through eliminations the top ten were selected. From the top ten of each class, the top three were named. Then a posture queen from each class emerged. Senior Carole Oubre (center) was named All-School Posture Queen for the 1967-'68 school year. Runners-up were Janet Henry, (left) Junior Queen and Susan Foreman, (right) Sophomore Queen.

SENIORS SHOW PRIDE IN T

A FAVORITE TRADITION at TJ is the singing of the "Eyes of Texas". Adopted as the official Senior Class song, the lower classmen sit in awe as senior blurt their song. Sung at pep rallies, bonfires, parties, and graduation the seniors really boost that 'ole Jacket spirit.

THESE SENIORS SHOW their pride and enthusiasm as the Jackets score high a basketball game.

THE OLD MAROON AND GOLD

When the years if life o'ertake us,
Still our dreams will never die;
Fondly cling we to the memories
Of the dear Port Arthur High.
All her honors we have cherished,
Still her victories are told
While we stand as true defenders
Of the old Maroon and Gold.

BY SUPPORTING YELLOW JACKETS

ANXIETY AND SUSPENSE are often felt at the Yellow Jacket baseball games. Anxious looks are seen here as one Jacket hopefully steals third base.

SENIOR GEORGE COLLINS, a favorite supporter of the Jackets, worked hard and eagerly to promote school spirit. Here he is seen portraying a pirate in the senior skit.

"Sportsmanship is nothing more or less than the Golden Rule put into practice. It is that quality of behavior which wins, because of its fairness, courtesy, and dignity, the esteem of one's team-mates and opponents alike. Instances of sportsmanship are probably experienced by all players, and most spectators at some time. Sportsmanship is not limited to behavior at athletic contests, however, but should be practiced as a form of good citizenship in relationship with others at all times."

THE SENIOR BALL AND COURT

Court members are elected by each grade from nominations made in the homerooms. Four dukes and four duchesses are elected by the Sophomore and Junior classes. The Senior Class elects a king, a queen, the most popular girl and boy, a grand duke and duchess, two ladies and two gentlemen-in-waiting, four princes and four princesses, and a Court dignitary. Tryouts are held for the master of ceremonies. Election to the court is considered to be a high social honor. Qualifications for election are the same as for an all-school office.

Try-outs are held for couples who wish to participate in the senior waltz. This waltz is performed after the court members have been presented on the night of the Senior Ball. The Senior Ball Coronation is held in the school auditorium followed by the dance in the gymnasium.

674 SENIORS PREPARE FOR

DURING THE SUMMER Before their final year, seniors proudly pose for their pictures in the traditional graduation gown. Shown here is Linda King as she patiently awaits instructions from photographer Frank Cricchio.

SENIOR HOMEROOMS ARE busy with excitement as they begin the usual measuring for caps and gowns. At work on this project are Harold Erixon, Jim Wright, Sharon Lewis, Sharon Jones, and Mary Landry.

THE THIRD STEP in preparing for graduation is the orderin of invitations. Vicki Verret, Danny Moorehead, Donnie Beagle, an Nancy Decker gaze at the various choices from which they ma select.

BACCALAUREATE AND COMMENCEMENT

INVITATIONS ARRIVED IN May, and seniors had to address and mail them as soon as possible. Here Marlene Fallin and Jeanette Havens prepare the invitations by putting a card and a picture in each one.

FINAL EXAMS ALWAYS seem to fall at the wrong time. Nevertheless, some seniors do study diligently in order to graduate.

SOME SENIORS JUST couldn't wait to try on their cap and gown at home.

JUNIORS RECALL ROLE AS

PLEASE JUST ONE at a time! The rush is on as juniors finally purchase that beloved senior ring.

The Junior Class of 1967-68, headed by President Dennis Howell, is a class of fun-loving, talented, and hard working students. Almost all of the students have been found to do their part in promoting school spirit, not only in sports, but also in scholastic tests and musical fetes, with eagerness and thoughtfulness. Due to the students' consideration for each other and for their teachers, the Junior Class has been successful in reaching many of their goals. Two of the most important projects completed this year has been the purchase of senior rings and the Junior Prom.

Others helping President Howell in leading the Junior Class are Vice-president Andy Lozano, Secretary Janet Henry, and Treasurer Elizabeth Eckols. The Junior Cabinet, which consists of two representatives from each homeroom, is another vital source of leadership for the class.

Therefore, due to just consideration, good leadership, and strong determination, the dreams and wishes of the Junior Class have become realities and reflections of time.

TJ'S JUNIORS WERE school-spirited students as one can see here in a skit performed at the TJ-PNG pep rally.

'MIDDLE-MAN" IN EXCITING YEAR

These four distinguished tudents were chosen by heir fellow classmates to ead the Junior Class of 1967-68. While in office they proved hat teamwork is vital in reach-ng goals and that individual-sm is not always the most im-portant thing. As a result of heir hard work and good lead-ership, the year 1967-68 will ong be remembered as a special year for TJ's juniors.

EXPRESSIONS

January 17, 18, 19, were days of hard work, studying, and long hours, which marked the midpoint of the school year. The bells sounded at 9 a.m. for the last 30 minutes of preparation for morning exams. Then at 9:30, for two tedious hours, silence plagued Thomas Jefferson.

The silence was ended abruptly when the 11:30 buzzer sounded and students swarmed out of the building into the cafeteria and the parking lot to enjoy an hour off for lunch and last minute review for their after-

OF MID-TERMS

noon classes.

Quiet prevailed as both students and teachers expressed concern for excellence in mid-term exams.

Signs of the time include: a study hall with only one member working diligently; an English class with students back to back; last minute cramming during lunch; a teacher running off copies; and a student taking her gym exam.

SOPHOMORES MAKE MEMORIES

Sophomores swarmed into halls and classrooms early in the fall, anxiously consulting schedules and looking for correct room numbers ahead of time, hoping to mirror the knowledgeable manner of admired upperclassmen.

As the year settled down, however, the newcomers soon found themselves feeling much at home attending pep rallies in a steamy gym on Friday afternoons in September, rushing to early morning band practice, and deciding which clubs to join. More importantly, they found themselves increasingly involved with their studies. Math problems, theme assignments, lab experiments were the subjects of many a telephone conversation with new friends discovered in classrooms.

Sophomores supported subscription sales to THE PILOT and the YELLOW JACKET, contributed to the Christmas food drive, and rounded out the first semester with a new experience, midterm examinations. Making plans for the Sophomore Class dance held in April was one of the major events of the spring.

SOPHOMORE COUNSELOR MR. ROGER RUSSELL is available for advice on which subjects sophomores should take.

A MOMENT OF CONVERSATION at the Soph Hop.

THOMAS JEFFERSON WAS very lucky this year to have 85 Sophomores qualify for the N E D T tests.

SOPHOMORE ACTIVITIES VARY

FOR THE SECOND year, the Sophomore Prom was a big success. These Sophomores take time out to enjoy refreshments.

THE SOPHOMORES SPONSORED one of the many after-game dances this fall.

DURING THE YEAR

THE SOPHOMORE CLASS sent eight representatives to the Senior Prom. Two of them are Debbie Linthicum and Steve Richey.

SENIOR CAROLE OUBRE is all smiles as Principal Charles McBee crowns her the 1967 Homecoming Queen. Carole was chosen by popular vote of the entire student body.

PILOT SWEETHEART, Linda Smith, stops work to smi
prettily for the camera.

POPULARITY AND PERSONALITY

GRETCHEN LEUDERS, TJ senior, captured the title as Cav-Oil-Cade Queen or 1968.

One of the most popular sections of an annual is undoubtedly the fovorites' section. Each year at TJ a royal court of sophomores, juniors and seniors is chosen and presented at the Senior Ball Coronation in May. Qualifications for court election is the same as for an all-school office. The court members are elected from each homeroom, and is considered a very high social honor. The sophomore and junior classes elect four dukes and duchesses each, while the senior class elects a king and queen, a most popular boy and girl, a grand duke and duchess, two ladies and gentlemen-in-waiting, and four princes and princesses.

In addition to the royal court members, sweethearts of the various organizations and clubs at TJ are pictured in this section. Any club or organization which chooses to have a sweetheart may elect one in any manner they wish. Election for such an honor is usually the results of hard work, strong leadership, good character, and a well-rounded and jovial personality. TJ has elected more sweethearts and beaus during 1967-68 than ever before in the school's history.

THE COURT OF 1968 proudly pose on stage for their last picture together.

SETTING FOR SENIOR COURT

Prominent students are recognized for their ard work, friendly personalities, and dedication to homas Jefferson in its clubs and organizations by the arious titles given them at the end of the year. These wards range from club sweethearts to senior court royalty. ach student is voted on to represent his classmates in the arious clubs, activities, and ceremonies dealing with the hool.

The favorites can be classified as those students who have given more than their share of time and work to strive to uphold the high standards of their school.

Such are the students in this section. They have dedicated themselves to the school and are proud to serve her in any way that they can.

These students have been classed as those dedicated people who have done their best and worked their hardest to make this year one of the most successful years that Thomas Jefferson has ever experienced.

DISTINGUISHED STUDENTS . .

THESE JUNIORS WORKED hard and diligently to gain their position in the National Honor Society and will continue thei efforts next year as leaders.

MR. HUGH LeBARON gladly issues honor awards to outstanding students.

GAYLE SNIDER, Terry Skaro, and Mr. W. G. Jones a typical representatives of Citizens of the Month.

REFLECTION OF ACHIEVEMENT

BECAUSE OF HIS never ceasing efforts to pro-
note higher school rating, George Collins was
hosen as Outstanding Congressman.

The *YELLOW JACKET* staff gladly reserves a section in the annual to picture those of distinguished ability in music, clubs, organizations, activities and academics. The students here have worked hard in their high school years and deserve all the recognition one can give them. The National Honor Society members, Citizens of the Month, honor award recipients, and scholarship winners, are only a few of the students who will appear in this section.

In May of each year the annual Awards Program is held at which time Honor Awards are presented to outstanding students. "High Honor" Awards are presented to those students having a 3.75 to 4.0 scholastic average, while "Honor" Awards are issued to those with a 3.0 to 3.74 average. The students holding a 3.0 grade average for three years and, which are recommended by their teachers may be installed into the National Honor Society. Membership in this organization is considered the highest honor that may be achieved as a high school student.

A certificate of "Meritorious Citation" is awarded to students at their graduation exercise based on the scholastic average for the four-year period. One must have a 3.4 or better average to receive this award.

THESE DISTINGUISHED STUDENTS enter-
ained and enlightened the student body as they
resented the Press Bowl in an auditorium pro-
ram.

SIX WIN MERIT SCHOLARSHI

National Merit Scholarships are given on the basis of the scores received on the National Merit Scholarship Qualifying Test. The scores are not the only qualification taken into consideration, leadership, academic achievement in school and extra-curricular activities. Six Thomas Jefferson students became NMS semi-finalists this year.

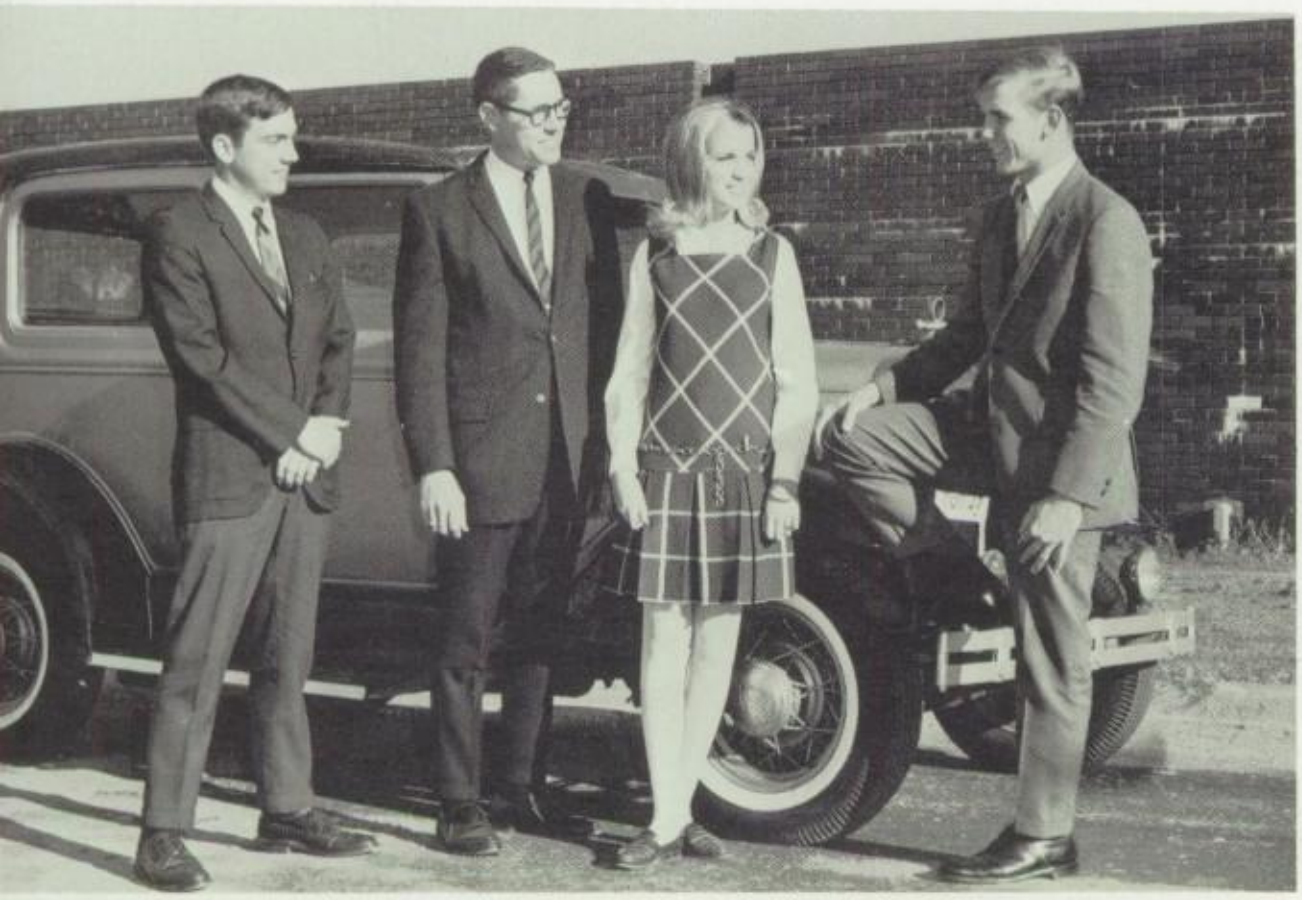
OTHER REPRESENTATIVES ARE Bill Horton, Terry Skaro, David Wolf, Tillman Richey. SECOND ROW: Ruelle Parker, Kay Hoelzle, Pam McLeod, Helen Rethke, Nancy Jowell, Sally Fitch, Bill Richey. THIRD ROW: Marc Huber, Pat Lange, Darrell Richardson and Ike Landry.

TJ CITIZENS CHOSEN MONTHLY



ILLMAN RICHEY, MR. Hugh LeBaron, and Vicki Verrett listen attentively as Gary Hammond entertains with a tale of touchdowns. These September citizens were chosen or work in Congress and football activities.

It is customary at Thomas Jefferson each month to choose three students and one teacher who have done outstanding work in Thomas Jefferson activities. Whether it be for Congress contributions, school sports, All-school Chest Drive, Forensic Society, or club sponsorship special recognition is given to those who well deserve it.

Citizens are chosen monthly by the Civic Committee of Congress and are presented to the school at assembly programs.

CERTIFICATES FOR OCTOBER Citizens of the Month were presented to Coach Francis (Smitty) Hill, Betty Bernauer, Gaylon Jones, and Galen Ducharme for their work on Homecoming activities and contributions to the football team.

GEORGE COLLINS, MR. Joe Juarez, and Sara Little were named by Congress as outstanding November citizens. Not present is Larry Speake, athlete of the month.

HARD WORK RESULTS

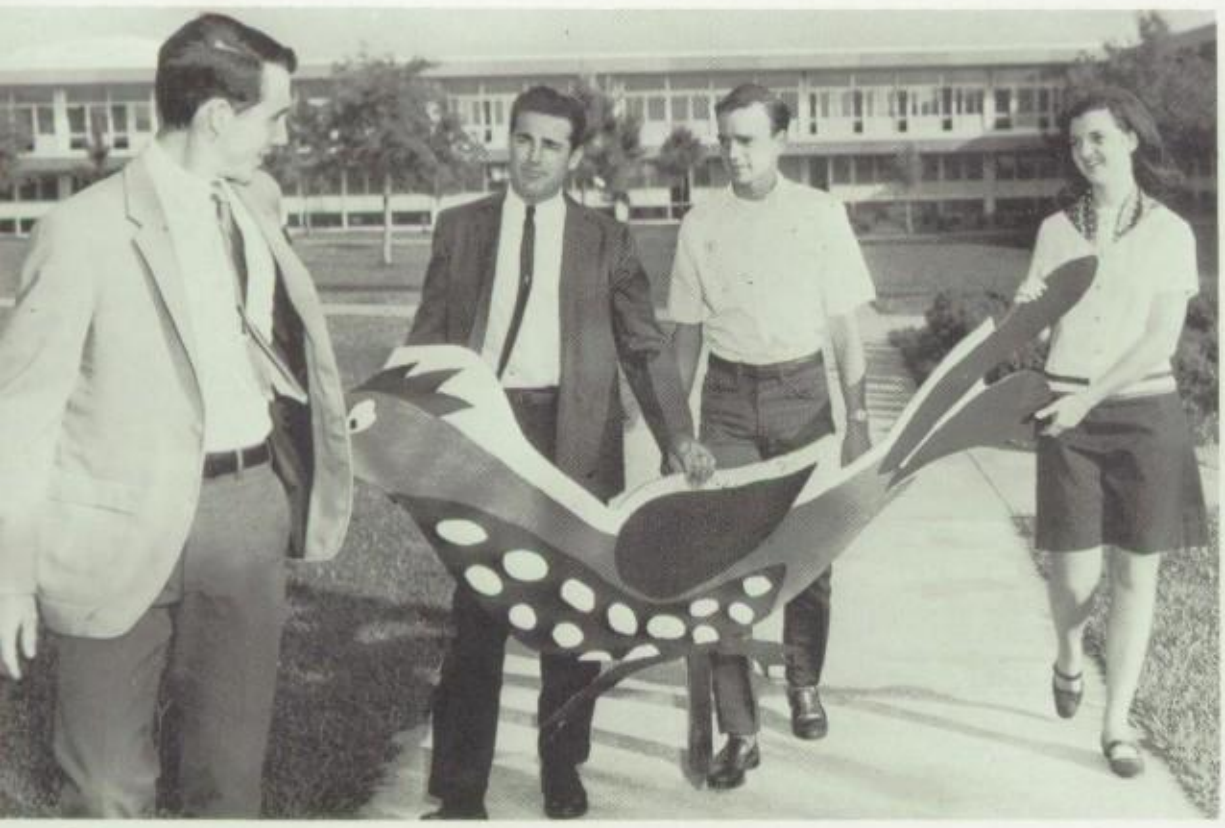
CHILLY DECEMBER BROUGHT warm smiles from these four Citizens of the Month: Ron Musgrove, basketball athlete; Coach Wayne Williams for his work with the basketball team; Mike Harmon, for his work in Senior class activities, and Linda DeCuir for her efforts as representative.

THE WONDERS OF science are opened up to the January Citizens of the Month, Fred McCarty for his work with the all-school chest drive, Mr. Rouel Rothenberger for his sponsorship of the Swimming Club; Ron Waedemon for basketball activities; and Cla Simon for cheerleading.

FEBRUARY CITIZENS, Mr. W. G. Jones, Gayle Snider and Terry Skaro were chosen for print shop work, and Maroon Convention contributions. Not pictured is Mike Quebedeaux athlete of the month.

N RECOGNITION

CITIZENS OF THE Month of March were chosen for a variety of activities. Ron Waedemon was chosen for work with Interclub Council; Mrs. Geraldine Johnson for JCL and Food Fair sponsorship; Jann Rodriguez, traffic committee contributions; Tillman Richey, Baseball athlete.



ETTING READY FOR the Maroon convention are these April citizens: Webb aughon, baseball athlete, Mr. Al Hebert, tennis club sponsor, Jerry Whittredge, L drama award, and Carolyn McCollum, Maroon executive board.

AY CITIZENS OF the month Sharon Lewis, Joel Levy and Charles Fontenot were esented at assembly by Mr. Charles McBee, teacher of the month. Sharon and el were chosen for work in Congress, Charles was chosen for baseball, Mr. McBee his many contributions as principal of Thomas Jefferson.

On January 8, 1968, the recognition of the achievements of eighteen seniors and sixty-five juniors occurred with their induction into the National Honor Society. Principal Charles McBee served as master of ceremonies. Dr. Clyde Gott, Superintendent of Port Arthur of Independent School District, was the speaker for the evening. The requirements for membership in the National Honor Society are a scholastic average of 3.00 or higher and a vote on each student by the teachers. The installation was followed by a reception for the inductees and their parents.

The assembly programs of Prep Bowl were presented by NHS members. Class rivalry between the junior and senior classes created greater competition throughout the game.

JUNIOR MEMBERS ARE from left to right SEATED: Helen Ballard, Molly Atkinson, Debbie Alleman, Carolyn Elizondo, Patty Copas, Sarah Jo Colletti, Karen Burnett, Becky Brown, Jennifer McCuistion. MIDDLE ROW: Kathleen Bergeron, Janet Henry, Marsha Haselden, Castine Bluestein, Debbie Everett, Jane Carlson, Betty Clark, Carmen Castro, Nancy Lopez, Brenda Mayo, Joyce Manuel. The Future Citizens Section is a section showing the courses the clubs offered at TJ that will help students to be better citizens after their high school graduation. TJ students may learn to be trained nurses, outstanding teachers, good businessmen, competent lawyers, or better homemakers by taking part in such classes and clubs. One of the most popular subjects offered by TJ is an "on the job" training program known as Distributive Education. It is primarily salesmanship in retail and wholesale fields, but many service occupations are included.

At the end of each school year honor awards are presented to the outstanding club members for their hard work and outstanding leadership ability. Scholarships, awarded by area colleges and businesses, may also be received by distinguished club members.

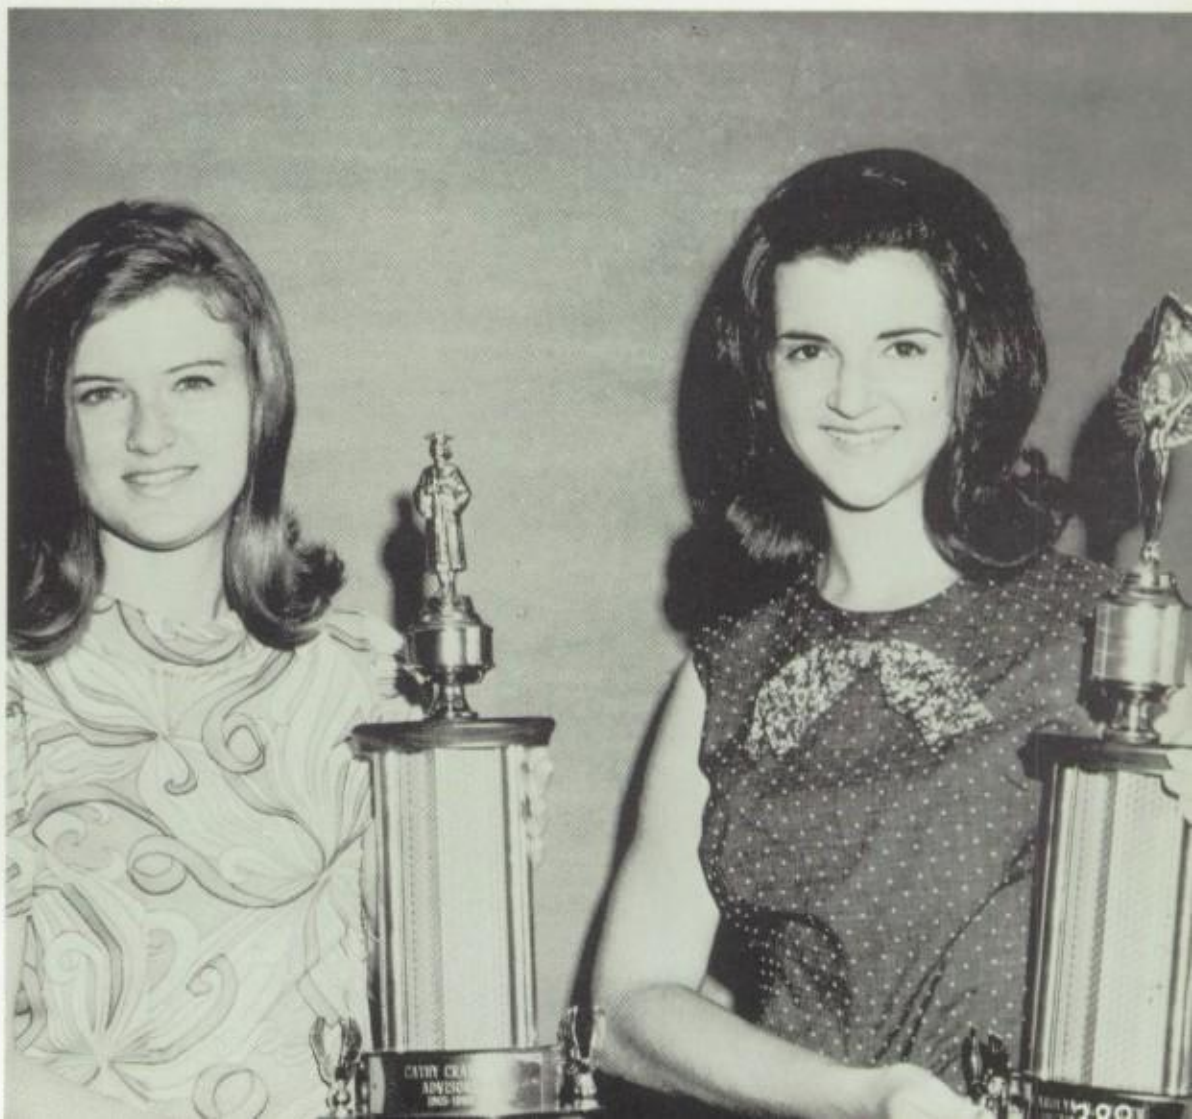
CATHY CRAVENS AND Carolyn McCollum were top trophy winners in the Future Teachers association awards program. Cathy was the recipient of the Advisors Award, while Carolyn received the Delta Kappa Gamma Distinguised Award.



DE PROVIDES TRAINING

Distributive Education students gain business experience while earning money. The DE students come to school half a day and are then employed the remainder of the day by various businesses. Mrs. Dell Hille is the sponsor of this club, and teaches all the Distributive Education classes. In April, DE held it's annual banquet at the Port Arthur Country Club to conclude the year.

ENERGETIC PEOPLE

The purpose of Future Teachers of America is to offer needed experience to students who plan to enter the teaching profession. The first of the year's activities included a get acquainted party and a number of workshops. Parent Night came next, followed by the 18th annual FTA birthday party. The Christmas party was enjoyed by many members, as they looked forward to the coming convention.

The District Convention was held in Pasadena, followed in January by the State Convention in Dallas. Many girls were looking forward to attending the State Convention, but the worst snow storm of the season hit and ruined their plans. Spring brought the Senior Banquet, the theme of which was "Under the Big Top".

The year was ended with awards night in May, when many new girls were installed as Future Teachers of America.

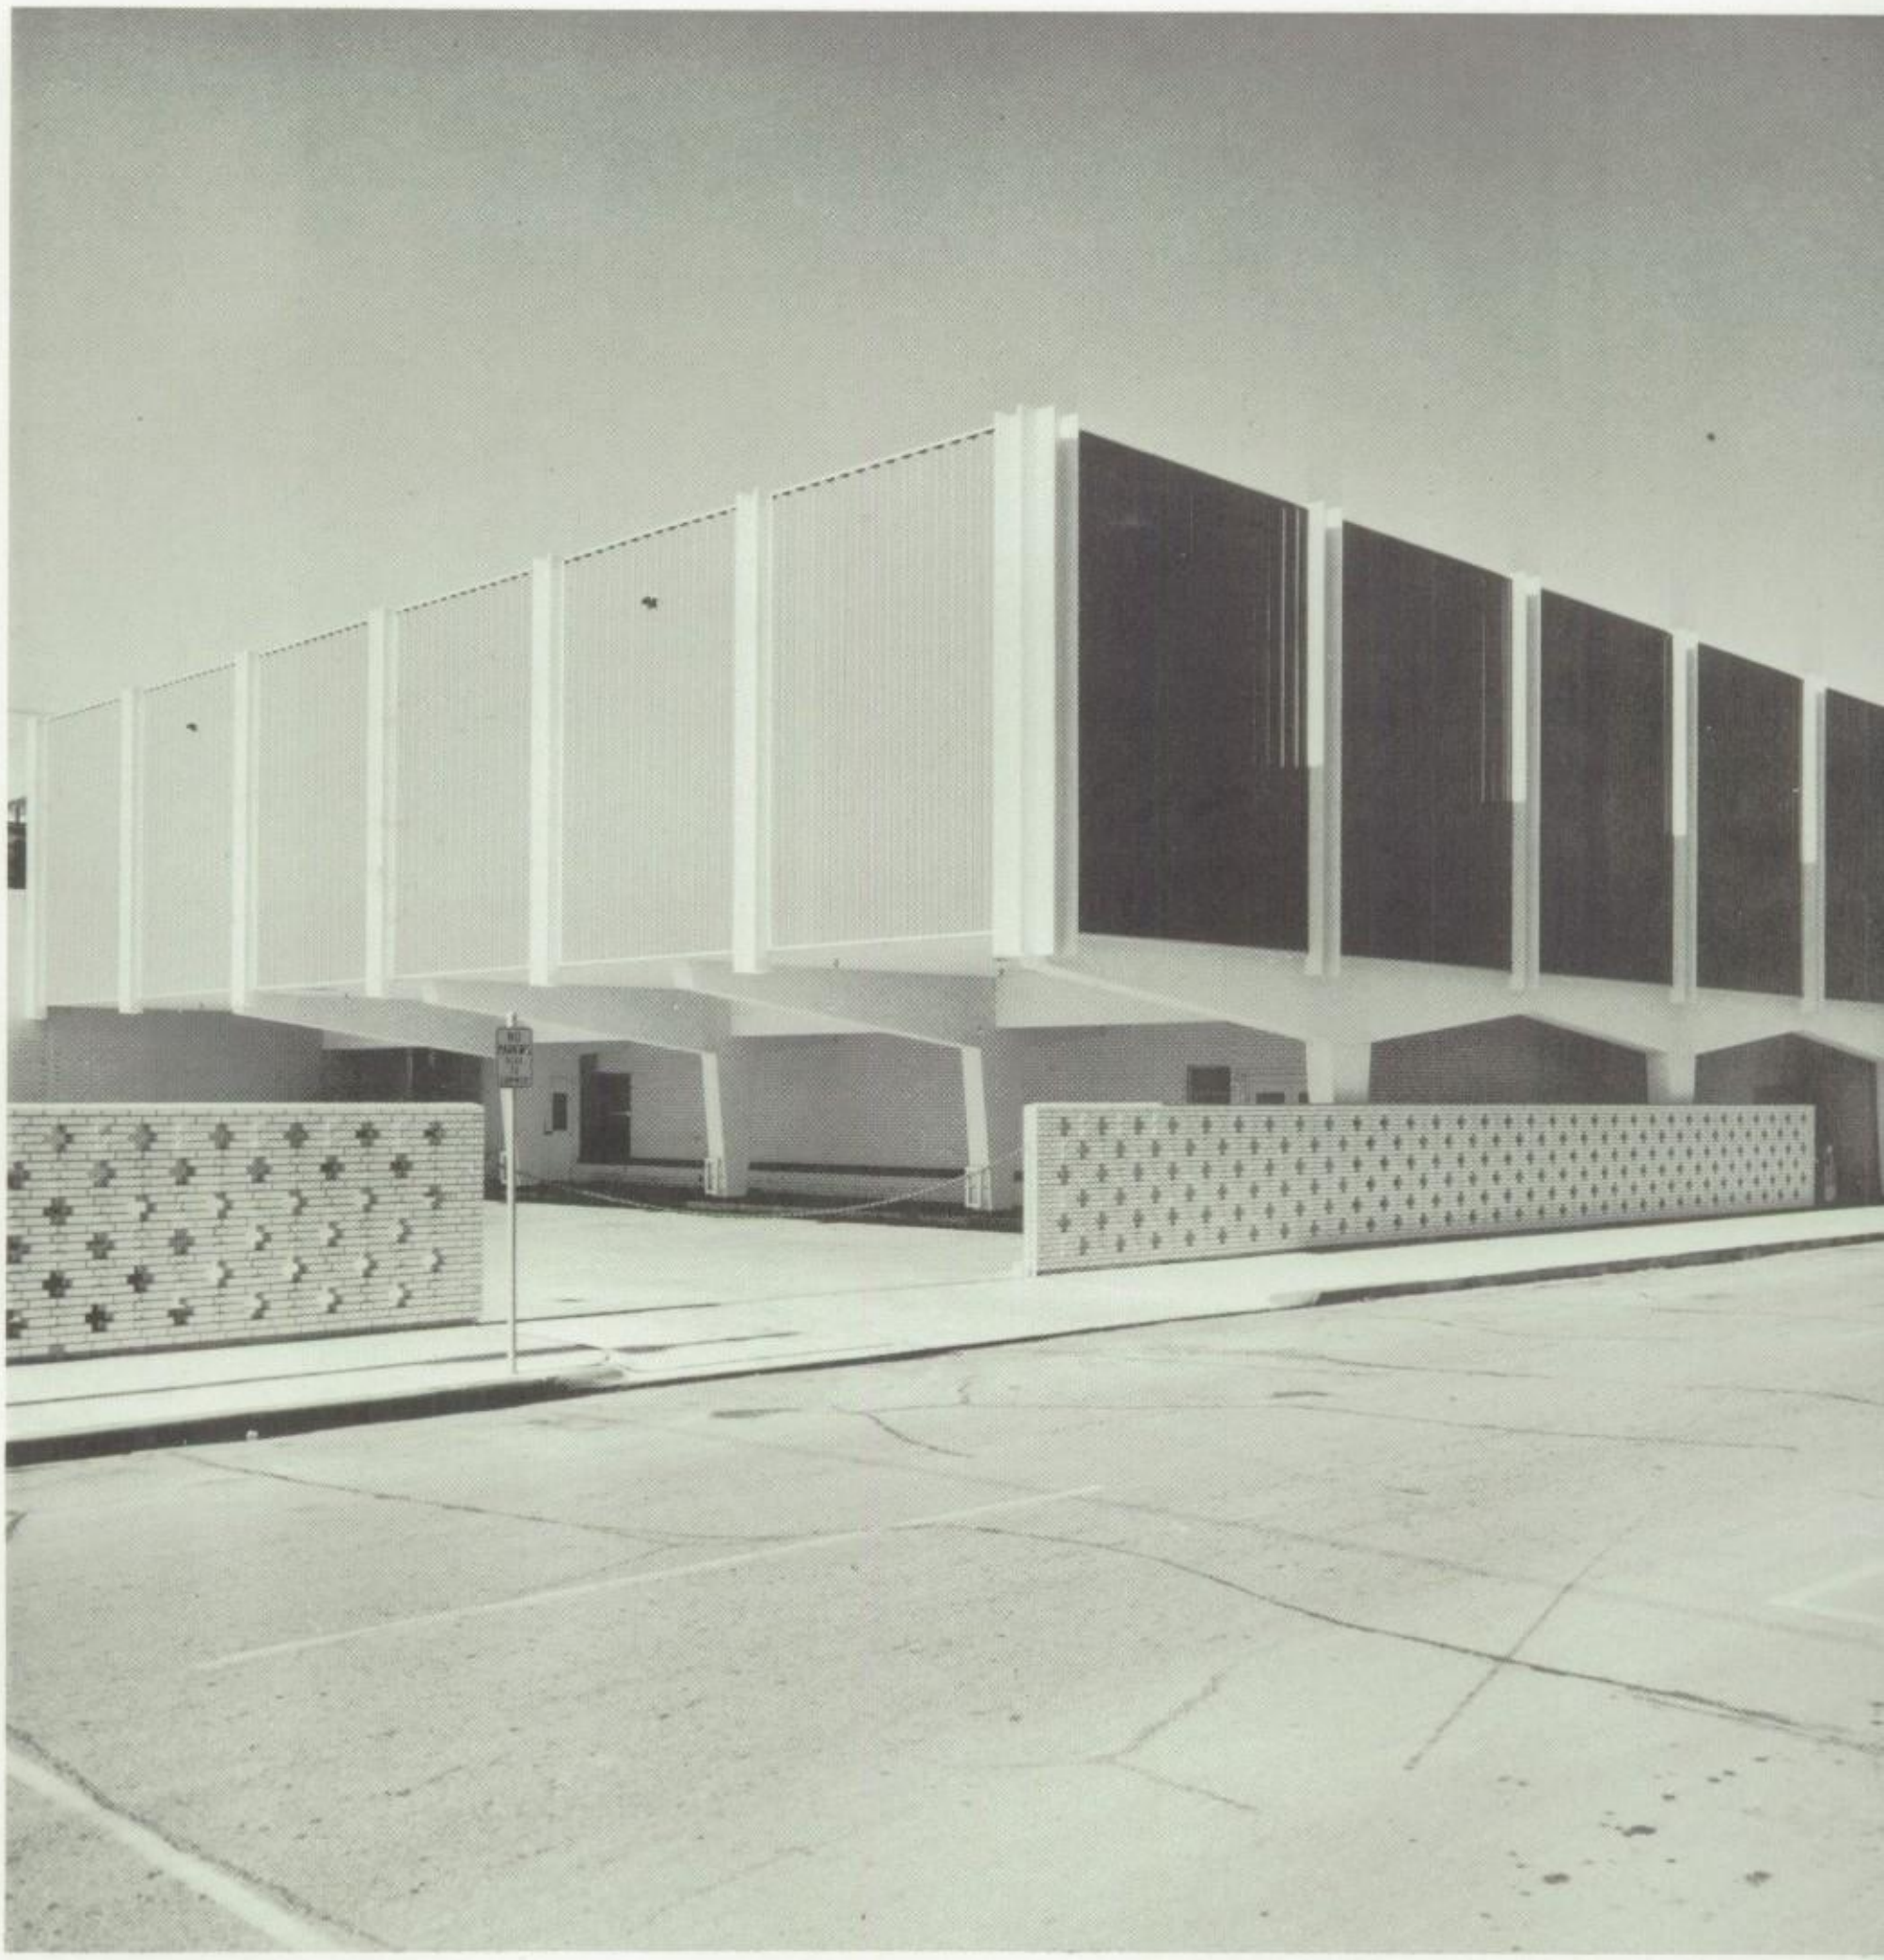
PUBLICATIONS . . . MEDIUM OF



THE *PORT ARTHUR NEWS* staff worked day and night to bring to the community news as it happened. The new building completed this year proves that Port Arthur is still a town of progress.

NEWS, ESSAYS, AND OPINIONS

The field of publications is an important one in both the community and the school, as the news media is the connective force of all civilized and intelligent people. The PORT ARTHUR NEWS is an excellent paper presented to the citizens of Port Arthur, Groves, and other nearby towns. It informs the people not only of important international, national, and local happenings, but also presents interesting editorials, spotlight columns, and entertainment. Thomas Jefferson's Political Science class was fortunate to have available free copies of the paper to aid them in their studies.

The Journalism Department of Thomas Jefferson strives to show to the students the importance of a newspaper, and thus prints its own school paper, THE PILOT. This paper is usually published fourteen times yearly and is the work of journalism students. The printing is also accomplished by students in the printing classes. The purpose of the paper is to provide experiences for students in organizing and writing school news.

Another project of TJ's journalism students is the production of the school annual, THE YELLOW JACKET. This publication seeks to tell the story of the school year with words and pictures in a manner pleasing to all. The distribution of the annual is usually in August, at which time an annual-signing party is held.

A newcomer to publications here is the EBBTIDE, a literary magazine sponsored by English teachers. Poems, short stories, essays, and articles of high caliber are collected and published at the close of the school year.

TJ'S OWN PRINTING shop offers new and detailed machinery to those interested in the field of publications.

YELLOW JACKET . . . REFLECTION

SELECTING INSIDE COVER is one of the many jobs for editor-in-chief, Christi Kirkland.

Many sudents are not aware of the tremendous work put out by members of an annual staff. The '68 Yellow Jacket staff, headed by Christi Kirkland attempted to improve the contents of the annual by use of effective cutlines, action pictures and descriptive body copy. The staff also worked to make layouts interesting and well balanced as they put together a yearbook which they hope will please the student body. The Yellow Jacket sponsor, Mrs. Ethel Redman aided the staff by her instruction and encouragement.

BUSINESS MANAGER VICKI VERRET spends much of her time calling in orders for pictures and arranging schedules.

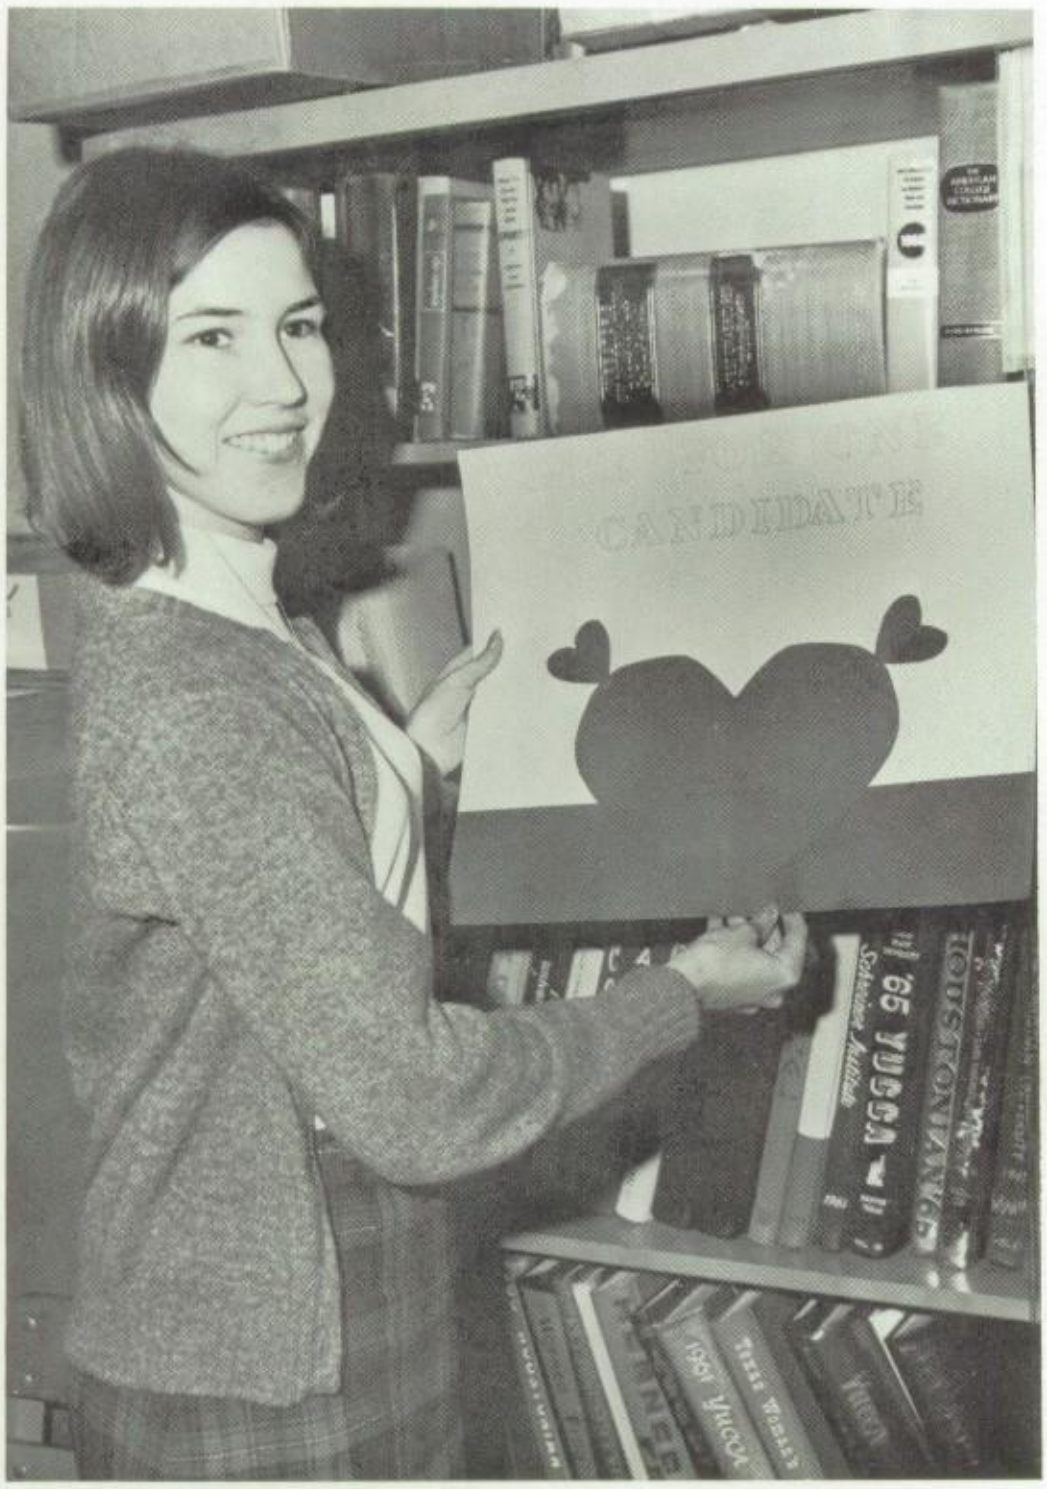
CAMILLE MESSINA EDITOR, Sue Ratley, and Rebecca Carr all agree that Girls' Sports can be exciting.

IANY HOURS OF hard work are spent on the Senior Section, ie largest in the annual, by members Nancy Ippolito editor, Iarsha Preddy, Richard Cole, and Phyllis Woodard.

JUDY WEISINGER, EDITOR; Jennifer Jowell, Jeneatia Scypion and Sue Ingo are members which make up the Junior Section.



SUSAN HARDCASTLE, EDITOR-IN-CHIEF, shows her enthusiasm as she takes part in *Pilot* activities.

Almost any time people walk into the journalism class they hear the steady sound of typewriters beating out copy. *The Pilot,* TJ's best news source, goes to press every two weeks. Students look forward to receiving the paper to get information about coming school activities, awards received by fellow students, special events, school elections, funny incidents, club news, and an endless list of other types of articles. The class responsible for the paper is supervised by Mrs. Mike Redman.

Pilot staffers work hard to produce a readable, interesting newspaper of which TJ will be proud. This year their work did not go unnoticed. The staff, including editor Susan Hardcastle, walked away with the Award of Distinguished Merit.

Many hours are spent each week in the preparation of stories, columns, and news articles to make the paper a success. The co-operation of all persons involved is essential in the assigning, collecting, writing, editing, printing, and finally the distributing of *The Pilot.*

PILOT KEEPS

LINDA DAVIS, FEATURE EDITOR, and Susan D'lugach lend a helping hand to Belinda Schexnayder as she types a story for the Features Section.

EBBTIDE PROVIDES SHOW PLACE

EDITOR-IN-CHIEF Susan Grimes prepares bulletin board to boost sales.

Ebbtide, Thomas Jefferson's new yearly literary magazine, issued its second edition in spring, 1968. Of the several hundred entries submitted by students for consideration, forty works were selected for publication by a junior-senior Editorial Board chosen on the basis of ability to interpret literature and to distinguish between good and bad writing.

Serving as an outlet for those who wish to create art through contributing short stories, short short stories, plays, essays, satires, and poetry, *Ebbtide* has continued to uncover hidden student talent and to stress admission of high-calibre writing.

The publication is under the sponsorship of Miss Jayne Smith, and the 1968 Editor-in-Chief was Susan Grimes.

PLANNING OUTSIDE COVERS are art staff members Kathy Shaw, Debbie Alleman, Barbie Ellis and Debbie Everett.

ADVERTISERS REFLECT HELP,

SUPPORT FOR TJ'S YEARBOOK

MRS. DELL HILLE checks with a DE student on school store sales.

Advertising is particularly typical of our free enterprise system. Competition for business is the right and privilege of all merchants. The annual staff owes a special debt of gratitude to our advertisers and to Mr. and Mrs. Bentley Jones, who represented the staff in the sale of advertising space. It would have been impossible for us to publish the book and sell it at its current price without this valuable combination.

A JOB IS WAITING...

KEEPING America strong and free is a big job. A job requiring constant progress and more electrical power. Most of this will come from investor-owned electric companies, like Gulf States.

It's your job, too. Education holds the key to our success as individuals, as a nation. Learn all you can . . . our future is at stake.

No other fuel in America cooks so many meals, warms so many homes, heats so much water, dries so many clothes, fires so much industrial equipment as does natural gas. Indeed, gas now supplies one-third of America's total energy requirements.

Why? simply because no other fuel is quite so fast and accurate and dependable as is natural gas. No other fuel is quite so efficient. That's why we can say, in all sincerity: If you want the job done right . . . do it with gas.

THE FLAME OF EFFICIENCY:

IN CONCLUSION . . .

And so the story of 1968 comes to a conclusion. The year has been filled with decisions and changes. THE YELLOW JACKET staff trusts that you will enjoy this record now and in years to come.

We wish to thank the many people who have helped in compiling the 21st edition. Photographers have included Cricch Studio, Watkins Studio, and Hennington Studios. James Siragusa was our student photographer.

Our advertisers and our advertising salesmen are most valuable assets.

Our publishers, Taylor Publishing Company, and their representatives are indeed helpful in making our efforts look professional.
